P.S. Your Cat is Dead! James Kirkwood, 1976 **Sal Mineo** Michael Gregg Michaud, 2011-10-11 Sal Mineo is probably most well known for his unforgettable Academy Award nominated turn opposite James Dean in *Rebel Without a Cause* and his tragic murder at the age of thirty seven Finally in this riveting new biography filled with exclusive candid interviews with both Mineo's closest female and male lovers and never before published photographs Michael Gregg Michaud tells the full story of this remarkable young actor's life charting his meteoric rise to fame and turbulent career and private life One of the hottest stars of the 1950s Mineo grew up as the son of Sicilian immigrants in a humble Bronx flat But by age eleven he appeared on Broadway in Tennessee Williams's *The Rose Tattoo* and then as Prince Chulalongkorn in the original Broadway production of *The King and I* starring Yul Brynner and Gertrude Lawrence This sultry eyed dark haired male ing nue of sorts appeared on the cover of every major magazine thousands of star struck fans attended his premieres and millions bought his records which included several top ten hits His life offstage was just as exhilarating full of sports cars motor boats famous friends and some of the most beautiful young actresses in Hollywood But it was fourteen year old Jill Haworth his costar in *Exodus* the film that delivered one of the greatest acting roles of his life and earned him another Academy Award nomination and a Golden Globe win with whom he fell in love and moved to the West Coast But by the 1960s a series of professional missteps and an increasingly tumultuous private life reversed his fortunes By the late sixties and early seventies grappling

with the repercussions of publicly admitting his homosexuality and struggling to reinvent himself from an aging teen idol Mineo turned toward increasingly self destructive behavior Yet his creative impulses never foundered He began directing and producing controversial off Broadway plays that explored social and sexual taboos He also found personal happiness in a relationship with male actor Courtney Burr Tragically on the cusp of turning a new page in his life Mineo s life was cut short in a botched robbery Revealing a charming mischievous creative and often scandalous side of Mineo few have known before now Sal Mineo is an intimate moving biography of a distinctive Hollywood star

The Guttenberg Bible Steve Guttenberg, 2024-03-26 The star of *Police Academy* *Diner* and *Three Men and a Baby* chronicles his first ten years in Hollywood in this winner of a memoir Library Journal Forget being an actor You don't have the look you don't have the talent and your name is ridiculous You are the last guy I would ever pick to be a movie star This was the first piece of advice Steve Guttenberg ever received from an agent Like many other times in his life he didn't listen In this honest charming memoir Guttenberg tells the unique story of his first decade in Hollywood as he went from being a complete unknown to starring in some of the most successful blockbusters of all time He spent his early days sneaking onto the Paramount lot and meeting more actors and casting agents than most aspiring actors ever would Even before the hit *Police Academy* which his manager said would be a flop he had already worked with such luminaries as Lord Laurence Olivier Richard Widmark and Gregory Peck Later he shared the screen with actors such as Mickey Rourke and Sharon Stone long before they became household names Guttenberg has lived through the addictive pull of show business and worldwide celebrity you're no one until you have a stalker he learns With a clear-eyed appreciation for the one of a kind experiences that the celebrity lifestyle has to offer he knew that his family would keep him grounded throughout it all And his self-awareness and sense of humor about the ups and downs of fame make *The Guttenberg Bible* one of the most candid Hollywood stories to date It's impossible to stop reading Publishers Weekly Guttenberg looks back on his first 10 years in Hollywood as a time of magical dreams and sobering realities Aspiring actors will surely gain keen insight into the challenges that may await them if they're lucky while movie fans will be pleasantly assured that their faith in the dream factory's ability to inspire is still warranted An insider's charming look at what it's really like to be a Hollywood star Kirkus Reviews
