Songs for Dead Parents Erik Mueggler,2017-12-02 In a society that has seen epochal change over a few generations what remains to hold people together and offer them a sense of continuity and meaning In *Songs for Dead Parents* Erik Mueggler shows how in contemporary China death and the practices surrounding it have become central to maintaining a connection with the world of ancestors ghosts and spirits that socialism explicitly disavowed Drawing on more than twenty years of fieldwork in a mountain community in Yunnan Province *Songs for Dead Parents* shows how people view the dead as both material and immaterial as effigies replace corpses tombstones replace effigies and texts eventually replace tombstones in a long process of disentangling the dead from the shared world of matter and memory It is through these processes that people envision the cosmological underpinnings of the world and assess the social relations that make up their community Thus state interventions aimed at reforming death practices have

been deeply consequential and Mueggler traces the transformations they have wrought and their lasting effects **The Works of Mrs. Hemans** Mrs. Hemans,1841 Poems Hemans,1872 The Poetical Works of Mrs. Felicia Hemans.
