RECKLESS JUSTICE

Reckless Justice

S Ashworth

Reckless Justice:

Follow-Up Information on the Operations of the Department of Justice's Office of Professional Responsibility Richard M. Stana, 2001-07 Because of concerns raised about the professionalism and conduct of certain Dept of Justice attorneys as well as the process for holding them accountable to ethical standards this report provides information about certain aspects of the operations of Justice s Office of Professional Responsibility OPR OPR is responsible for investigating allegations of misconduct involving Justice attorneys exercise of their authority to investigate litigate or provide legal advice The report provides information on 7 specific issues relating to OPR operations which deal with the types of allegations the sources of allegations and the results of investigations *The Criminal Justice System and Health Care* Charles A. Erin, Suzanne Ost, 2007-11-29 This book examines questions of medical accountability and ethics It analyses how the criminal justice system regulates health care practice and to what extent it can and should be used as a tool to resolve ethical conflict in health care For most of the twentieth century criminal courts were engaged in matters relating to medicine principally as a forum to resolve ethical controversies over the sanctity of life However the judiciary approached this function with reluctance and a marked tendency to defer to the medical profession to define what constituted ethical and thus lawful conduct However over the past 25 years criminal courts have increasingly been drawn into these types of question and the criminal law has become a major actor in the resolution of ethical conflict The trend to prosecute for aberrant professional conduct or medical malpractice and the role of the criminal process in medicine has been analytically neglected in the UK There is scant literature addressing the appropriate boundaries of the criminal process in resolving ethical conflict the theoretical legal analysis of the law s relationship with health care or the practical impact of the criminal justice system on professionals and the delivery of health care in the UK This volume addresses these issues via a combination of theoretical analyses and key case studies drawing on the experiences of other carefully selected jurisdictions It places a particular emphasis on the appropriateness of the involvement of the criminal justice system in health care the limitations of this developing trend and solutions to the problems it throws up The book takes euthanasia as a primary example of the issues raised by the intersection of health care and the criminal law and questions whether health care issues appropriately fall within the remit of the criminal justice system **West's Military Justice Reporter**, 2003 Make No Law Anthony Lewis, 2011-04-20 A crucial and compelling account of New York Times Co v Sullivan the landmark Supreme Court case that redefined libel from the Pulitzer Prize winning legal journalist Anthony Lewis The First Amendment puts it this way Congress shall make no law abridging the freedom of speech or of the press Yet in 1960 a city official in Montgomery Alabama sued The New York Times for libel and was awarded 500 000 by a local jury because the paper had published an ad critical of Montgomery s brutal response to civil rights protests The centuries of legal precedent behind the Sullivan case and the U S Supreme Court s historic reversal of the original verdict are expertly chronicled in this gripping and wonderfully readable book by the Pulitzer

Prize Pulitzer Prize winning legal journalist Anthony Lewis It is our best account yet of a case that redefined what newspapers and ordinary citizens can print or say **Towards the Rule of Law in China** Weidong Ji,2022-03-03 Explores how the law should be reformed in China to make it a constitutionalist and rule of law state *Proceedings of the New York State Law Stenographer's Association Since Its Organization, Including ... Annual Meeting* New York State Shorthand Reporters Association,1900 *The Law Reporter* ,1847 *The Monthly Law Reporter* ,1847 *The Black and Tans* D. M. Leeson,2011-08-25 The Black and Tans and Auxiliaries are the most notorious police forces in the history of the British Isles and were the focus of bitter controversy Based on extensive archival research this is the first serious study of the forces and the part they played in the Irish War of Independence **The Phoenix Hollow** CN McDonald,2025-03-26 The name Aideen Sloane left a hollow feeling in her chest as it reminded her of who she had been before Viddar Darkwood had found her Before she became The Phoenix Yet she could never seem to get away from her family and the longer she ran the more they seem to creep up on her So when the world she built for herself falls apart so does everything else around her and there is only one to blame No not the angel who took Apollyon from her but the man who started it all her father In this thrilling dark romantasy The Phoenix will learn that you can t outrun your past and the only thing she is good at will be the very thing that will save the world yet again Anit heroes are still heroes even if they hate the world and everyone inside it The adventure has just begun for Aideen and the kingdom of Pyrovane Life Death Love Betrayal and revenge The Phoenix Hollow is a thrilling Modern Fantasy following the Fae Assassin The Phoenix in a post demonic world full of angels witches fae and humans on her path to greatness power and truth *Managerial Discretion in Government Decision Making* Jacqueline Vaughn,Eric Edwin Otenyo,2007 Managerial Discretion In Government Decision Making Beyond The Street Level Provides A Comprehensive Discussion Of Managerial And Executive Discretion At All Levels Of Government Beginning With A Discussion Of Moving Beyond Street Level Discourse This Book Sets The Stage For Studying Managerial Discretion It Examines Aspects Of Expertise In Discretionary Decision Making At The Federal Level Including Several Case Examples To Account For The Wide Usage Of Executive Orders In Managerial Positions And Examines The Formal Roles Of Managers At State Government Levels While Highlighting The Variations Among State Managers In Their Usage Of Discretion With Examples Of State Managers With Too Much Discretion Next The Book Identifies Key Aspects Of Managerial Discretion In Local Governments Including Information On The Applicability Of Discretion In School Districts And Its Implications In Decision Making Discusses The Myriad Ways In Which Managers In Local Jurisdictions Either Individually Or Collectively Make Decisions Within The Parameters Of State Laws Board Regulations And Or Council Ordinances And Concludes With A Discussion Of How Much Discretion Managers Should Have And Dangers Inherent In Providing Managers With Too Much Discretion And Reinforces The Discourses On Accountability In Public Organizations **Westmoreland Law Journal** ,1925
