Adamant Lisa Bevere, 2018-04-17 By ancient definition the adamant was known as both a diamond and a mythical stone of indestructible wonder In more modern terminology it describes a posture of unshakeable resolve and determination If there was ever a time for us to be adamant about love and truth it is now God is Love God is Truth Both love and truth are timeless transcending our current trends and opinions Sometimes the most loving thing we will ever do is to speak the truth but speaking truth begins with living it Using the mediums of Scripture and story New York Times bestselling author Lisa Bevere takes readers on a journey into the Mountain of God to the one place they can learn not only to abide in God's unshakeable truth and love but become adamant people who are unmovable determined and steadfast With conviction and passion Lisa unpacks the concept of the adamant for readers linking together the grand story of Scripture and God's purpose in their lives Readers will see that God's plan is revealed as we dwell in him it is there that we are forged and shaped As we abide in Christ our Cornerstone we are shaped into the image of the adamant

Fiancé Finale Angela Ruth Strong, 2024-10-22 Charlie Newberg is sure about one thing Nicole Lemaire is the woman God wants him to marry There's a slight problem though he's already left her once The day before their wedding To make a documentary But he's got a plan The marketing firm she works for is the ideal choice for promoting his new film Collaborating will give him the perfect chance to propose again so he conspires with her boss to make sure she runs the campaign for the same kind of documentary Charlie left her basically at the altar for Despite Nicole's resistance the two work well together But Charlie's going to need more than teamwork to convince the jilted bride to give

him a second chance In fact he might need to fall in love in a way he s never really understood *Contentment* Tracy Wilde-Pace,2021-06-08 From a fifth generation preacher and pastor and acclaimed author of *Finding The Lost Art of Empathy* comes a moving and inspirational exploration of the true meaning of contentment and how we can incorporate it into our lives Through her own personal experiences and years of focused Bible study Tracy Wilde investigates one of the greatest mysteries of modern Christian life contentment She reveals that contentment differs from happiness and is not something you can implement in a day it takes time practice and an awareness of the draining distractions that rob us of joy satisfaction gratitude and trust In this book Tracy explores the life of Paul the Apostle to show how we can live a life of fulfillment no matter the circumstances Using the Biblical book of Philippians Tracy presents contentment as a crucial practice for all followers of Jesus She distinguishes the differences between happiness shallow and short term and contentment deep and lasting examines our tendency toward entitlement and acknowledges the fear and anxiety when life gets tough With her lyrical prose profound insight and heart for people Lisa Bevere New York Times bestselling author Tracy offers encouragement and confidence as she helps you learn the secret of contentment and helps you focus on all that is good and true and beautiful so you can see your life anew Treasure Hidden Pedrameh Manoochehri,2019-06-14 Before He entered my world and transformed it miraculously I went about my days giving no thought to my Maker I was a high school art teacher back then While I worked hard to impact my students and school for good I also enjoyed weekend happy hours and a pot habit On a couple of occasions just before I came to know the Lord I could easily have killed myself or someone else driving drunk This was a warning from God that my life was about to change drastically No one evangelized me I had warning dreams One seared the image of a brightly lit cross and crown into my mind s eye In another my friend warned me I would come to know the love of Christ I thought to myself But I m not religious Nevertheless by the Holy Spirit s leading and touch my heart was awakened to realize I love Jesus for some reason deeply Thus began my journey learning who He is in love and in justice Proverbs 4 23 states Keep your heart with all vigilance for from it flow the springs of life The question concluding this book and reflection on faith is this How do you choose to spend your heart in all the limits that shape life What does my love speak of life and how do I spend my love I know that God s love spoke eternal life over me a sinner and He spent all His love on man s salvation He purchased such grace in the ultimate sacrifice Now how will I purchase Him my treasure How do I spend all I have buying my field **A Strange Goodness?** Stephen Ames,2024-04-01 This book is about all the suffering and death produced by natural processes like tsunamis genetic disorders extreme weather events even before climate change and the whole evolutionary process leading to all living things on the planet The book is not about the violence men and women wilfully do to each other and to the planet Many people find all this suffering and death due to natural processes hard to reconcile with the belief that these natural processes are created by a God who is all powerful all knowing and wholly good They expect such a God to create a different kind of universe without such suffering and death The

actual universe contradicts the universe expected This is good enough reason for many people to decide to give up believing in God who is the creator of these natural processes The book is an invitation for people to revisit that decision The book comes from the author co designing and co lecturing with his atheist colleagues in History and Philosophy of Science at The University of Melbourne a second year subject God and the Natural Sciences This took place over twenty years Students with a wide variety of beliefs enrolled in the subject from across the university The book has three chapters The first clarifies the problem in the problem of natural evil to ensure we are not talking past each other The second chapter gives my answer to the problem of natural evil I argue from this idea of God to the kind of universe we should expect God to create The expected universe is found not to contradict the actual universe The third chapter is Reality Checks nine ways of testing the account of the kind of universe we should expect God to create The book has an appendix where I discuss alternative ideas of God that are in circulation and address several other criticisms of the idea of God besides the problem of natural evil **2020 Year**

entire Word of God along with ways to practically apply it *Scattered, Smothered, and Yet Covered By the Grace of God*
Lisa J. Heyer, 2023-11-28 This story of Scattered Smothered and Yet Covered by the Grace of God tells the unknown the unbelievable and the hurt and heartache that scattered my life in 2010 with my son's dive into addiction His addictions from pot to pills would scatter and smother me for the next eight plus years This isn't only a raw look into addiction and the destruction it causes but more importantly it is a look into a story of God's love hope mercy and grace that covered me and my son during these years in addition to being covered by friendships and prayers when we couldn't cover ourselves I learned in 2019 2020 while writing this story that there is an obvious thread woven within this story that is God was there in every detail along the way I was scattered into pieces broken beyond what I could have imagined smothered to the point of true breathlessness and yet covered by the grace of God each and every day But we have this treasure in jars of clay to show that this all surpassing power is from God and not from us We are hard pressed on every side but not crushed perplexed but not in despair persecuted but not abandoned struck down but not destroyed We always carry around in our body the death of Jesus so that the life of Jesus may also be revealed in our body For we who are alive are always being given over to death for Jesus sake so that his life may also be revealed in our mortal body So then death is at work in us but life is at work in you I am thankful Lord for the refining and redemption lived within this story I have been covered by the grace of God
