Reckoning What Blacks Owe To Each Other:

The Reckoning Randall Robinson, 2003 The Debt Randall Robinson, 2001-01-01 Both an unflinching indictment of past wrongs and an impassioned call to America to educate its citizens about the history of Africa and its people The Debt says in no uncertain terms what white America owes blacks and what blacks owe themselves In this powerful and controversial book distinguished African American political leader and thinker Randall Robinson argues for the restoration of the rich history that slavery and segregation severed Drawing from research and personal experience he shows that only by reclaiming their lost past and proud heritage can blacks lay the foundation for their future And white Americans can begin making reparations for slavery and the century of racial discrimination that followed with monetary restitution educational programs and the kinds of equal opportunities that will ensure the social and economic success of all citizens Engaging Robinson continues an important conversation His anecdotes support his attempts to reclaim African American heritage and empower African Americans The Washington Post **The Reckoning** Randall Robinson, 2002-12-31 In The Reckoning Randall Robinson examines the crime and poverty that grips much of urban America and urges black Americans to speak out and reach back to ensure their social and economic success in this country With insight compassion and unflinching honesty Robinson explores the twin blights of crime and poverty the former often a symptom of the latter and asks questions that are critical to the rebuilding of black communities How do we create awareness of the heroic efforts already being made and how can we bring our troubled youth to safety A product of Robinson's work with gang members ex convicts and others who have been scarred by the harshness of life in our inner cities The Reckoning is certain to be as important and controversial as his earlier books **Encyclopedia of African American Society** Gerald D. Jaynes, 2005-02-01 Do your students or patrons ever ask you about African Americans in sports How about African American Academy Award winners Or perhaps you're asked about more complex social issues regarding the unemployment rate among African Americans or the number of African American men on death row If these questions sound familiar the Encyclopedia of African American Society is a must have for your library This two volume reference seeks to capture the ways in which the tenets and foundations of African American culture have given rise to today's society Approaching the field from a street level perspective these two volumes cover topics of universal interest in America rap music sports television cinema racism religion literature and much more The Encyclopedia of African American Society is also the first comprehensive yet accessible reference set in this field to give voice to the turbulent historical trends slavery segregation separate but equal that are often ignored in favor of mere facts This is a definitive reliable and accessible entry point to learning the basics about African American society The encyclopedia is anchored by alphabetically arranged essays on such topics as abolitionism affirmative action and the civil rights movement More than just a who's who these volumes emphasize social issues and events those filled with significance and consequence through history Civil Rights economic growth law and justice and politics with all of their numerous subcategories receive

substantial coverage The encyclopedia naturally contains hundreds of articles on notable African Americans Martin Luther King Jr Jackie Robinson Miles Davis groundbreaking events Emancipation Proclamation Los Angeles Riots sports and culture Rap Music Jazz and significant heritage sites Apollo Theater This much needed two volume encyclopedia should become a staple in collections at school public and academic libraries Readers of all ages backgrounds and ethnic or racial groups will find fascinating material on every page Key Features Nearly 700 signed articles Almost 50 photographs Complete list of African Americans in sports Halls of Fame Cross referenced for easy links from one topic to another Reader's guide facilitates easy browsing for relevant articles Clear accessible writing style appropriate for high school and college students and interested lay readers Comprehensive index and bibliography Topics Covered Concepts and Theories Fine Arts Theater and Entertainment Health and Education History and Heritage Literature Media Movements and Events Music and Dance Organizations and Institutions Places Politics and Policy Popular Culture Religion and Beliefs The Road to Freedom Science Technology and Business Social Issues Special Populations Sports Advisory Board Sherri L Barnes Davidson Library University of California Santa Barbara W Maurice Shipley Ph D Ohio State University William H Wiggins Jr Ph D Indiana University

Du Bois's Dialectics Reiland Rabaka, 2009-01-01 With chapters that undertake ideological critiques of education religion the politics of reparations and the problematics of black radical politics in contemporary culture and society Du Bois's Dialectics employs Du Bois as its critical theoretical point of departure and demonstrates his and African American Studies contributions to as well as contemporary critical theory's connections to critical pedagogy sociology of religion and reparations theory Rabaka offers the first critical theoretical treatment of the W E B Du Bois Booker T Washington debate which lucidly highlights Du Bois's transition from a bourgeois black liberal to a black radical and revolutionary democratic socialist

Racial Myths and Masculinity in African American Literature Jeffrey B. Leak, 2005 The portrayal of black men in our national literature is controversial complex and often contradictory In *Racial Myths and Masculinity in African American Literature* Jeffrey B Leak identifies some of the long held myths and stereotypes that persist in the work of black writers from the nineteenth century to the present intellectual inferiority criminality sexual prowess homosexual emasculation and cultural deprivation Utilizing Robert B Stepto's call and response theory Leak studies four pairs of novels within the context of certain myths identifying the literary tandems between them and seeking to discover the source of our culture's psychological preoccupation with black men Calling upon interdisciplinary fields of study literary theory psychoanalysis

gender studies legal theory and queer theory Leak offers groundbreaking analysis of both canonical texts representing the call of the call and response dyad and texts by emerging writers representing the response including Frederick Douglass and Charles Johnson Ralph Ellison and Brent Wade Richard Wright and Ernest J Gaines and Toni Morrison and David Bradley Though Leak does not claim that the response texts are superior to the call texts he does argue that in some cases the newer work such as Charles Johnson's *Oxherding Tale* can address a theme or offer a narrative innovation not found in preceding texts such as *Narrative of the Life of Frederick Douglass* In these instances argues Leak the newer texts constitute not only a response to the call text but a substantial revision Leak offers the first in depth criticism of black masculinity in a range of literary texts In a final chapter he expands his discussion to the emerging field of black masculinity studies pointing to future directions for study including memoir film drama and others Poised on the brink of exciting new trends in scholarship *Racial Myths and Masculinity in African American Literature* is a flagship work enhancing the understanding of literary constructions of black masculinity and the larger cultural imperatives to which these writers are reacting [African American Lives](#) Henry Louis Gates, Evelyn Brooks Higginbotham, 2004-04-29 The first book of its kind since 1982's *Dictionary of American Negro Biography* *African American Lives* leads us into a new era of African American biographical scholarship In collaboration with Oxford University Press and the American Council of Learned Societies and with contributions from over four hundred scholars and experts in many fields the editors and their staff at the W E B Du Bois Institute for African and African American Research at Harvard University have collected in this single volume the lives of many of the most important and most interesting names in African American history **BOOK JACKET** **Race Work** Matthew C. Whitaker, 2007-08-01 Nearly sixty years ago Lincoln and Eleanor Ragsdale descended upon the isolated somewhat desolate and entirely segregated city of Phoenix Arizona in search of freedom and opportunity a move that would ultimately transform an entire city and arguably the nation *Race Work* tells the story of this remarkable pair two of the most influential black activists of the post World War II American West and through their story supplies a missing chapter in the history of the civil rights movement American race relations African Americans and the American West Matthew C Whitaker explores the Ragsdales family history and how their familial traditions of entrepreneurship professionalism activism and race work helped form their activist identity and placed them in a position to help desegregate Phoenix His work the first sustained account of white supremacy and black resistance in Phoenix also uses the lives of the Ragsdales to examine themes of domination resistance interracial coalition building race gender and place against the backdrop of the civil rights and post civil rights eras An absorbing biography that provides insight into African Americans quest for freedom *Race Work* reveals the lives of the Ragsdales as powerful symbols of black leadership who illuminate the problems and progress in African American history American Western history and American history during the post World War II era **Race in America** Patricia Reid-Merritt, 2017-01-23 Focusing on the socially explosive concept of race and how it has affected human interactions this

work examines the social and scientific definitions of race the implementation of racialized policies and practices the historical and contemporary manifestations of the use of race in shaping social interactions within U S society and elsewhere and where our notions of race will likely lead More than a decade and a half into the 21st century the term race remains one of the most emotionally charged words in the human language While race can be defined as a local geographic or global human population distinguished as a more or less distinct group by genetically transmitted physical characteristics the concept of race can better be understood as a socially defined construct a system of human classification that carries tremendous weight yet is complex confusing contradictory controversial and imprecise This collection of essays focuses on the socially explosive concept of race and how it has shaped human interactions across civilization The contributed work examines the social and scientific definitions of race the implementation of racialized policies and practices and the historical and contemporary manifestations of the use of race in shaping social interactions primarily in the United States a nation where the concept of race is further convoluted by the nation s extensive history of miscegenation as well as the continuous flow of immigrant groups from countries whose definitions of race ethnicity and culture remain fluid Readers will gain insights into subjects such as how we as individuals define ourselves through concepts of race how race affects social privilege color blindness as an obstacle to social change legal perspectives on race racialization of the religious experience and how the media perpetuates racial stereotypes

A Murder on Fifth and Dice and the Ruin of Fifeville William A. James Sr., 2018-10-22 James tells the story of how a once prosperous neighborhood became gang ridden drugged out and violent prone He speaks through the lips of Benjamin Luther Slokum and how Ben related to ghosts of his grandma his brother Ivy and his cousin Roy These people were all murdered on the corner of Fifth and Dice Streets in the heart of Fifeville in Ben s presence Ben hid while his cousin was gunned down by Jamie Charles a notorious member of the Jamaican posse A stray bullet killed Ben s grandma Ben held a gun but did not open fire Ben had been a tagalong with the Fifeville Crew but was never a hardcore gangster After the untimely death of his beloved ones he decided that he would have nothing to more to do with gangs of the gangster lifestyle He found out that a life outside the gang was every bit as trying as one within it He met Moisha Mo at a party one night and he and she got married brought two children into the world twins Esau Saw and Jacob Jay and tried to make a good life for them all in the same house that Ben had grown up in in the same neighborhood where his relatives had been murdered on the Corner of Fifth and Dice Streets in Charlottesville Virginia Ben decided that he would elicit change in Fifeville from gangs dope and violence by being a living example showing that anyone could have a good life without succumbing to criminal activities But the crime around Ben and his family became a ravenous beast that consumed Ben and Mo s firstborn son Saw That murder turned Ben s life upside down Mo left him and took his remaining son with her He ultimately lost the house he tried to cling to He lost his job and he temporarily lost his mind Mo s love was the balm that healed his soul He came to himself after talking to his friend Harry an ex con and ex gang member

The narrative ends with Mo Ben and Jay clinging to one another vowing to pick up the pieces and start over This novel brings to life many of the hidden facts about drug dealing and gangbanging and how these helped ruin and destroy Fifeville

Africa as both deputy president and president to the African continent and diaspora as a highly respected state leader and to the international community as a whole **African American Review** ,2003 **Makeda** Randall Robinson,2011-08-30

Makeda Gee Florida Harris March is a proud matriarch the anchor and emotional bellwether who holds together a hard working African American family living in 1950s Richmond Virginia Lost in shadow is Makeda s grandson Gray who begins escaping into themagical world of Makeda s tiny parlor Beyond Christianity Darnise C. Martin,2005-03-01

Beyond Christianity draws on rich ethnographic work in a Religious Science church in Oakland California to illuminate the ways a group of African Americans has adapted a religion typically thought of as white to fit their needs and circumstances This predominantly African American congregation is an anomalous phenomenon for both Religious Science and African American religious studies It stands at the intersection of New Thought doctrine characterized by personal empowerment teachings and a culturally familiar liturgical style reminiscent of Black Pentecostals and Black Spiritualists This group challenges oversimplified concepts of the Black church experience and broadens the concept of Black religion outside the boundaries of Christianity raising questions about what it means to be an African American congregation and about the nature of blackness itself Beyond Christianity adds a new dimension to the scholarship on Black religion *Not Only the Master's Tools* Lewis R. Gordon,Jane Anna Gordon,2015-11-17

Not Only the Master s Tools brings together new essays on African American studies It is ideal for students and scholars of African studies philosophy literary theory educational theory social and political thought and postcolonial studies
