Stoeber, 2005-09-15 In *Reclaiming Theodicy* Michael Stoeber explores various themes of theodicy theology that defends God in the face of evil by creatively developing a distinction between transformative and destructive suffering Emphasising the importance of human compassion and illustrating various spiritual experiences of God that are healing the book proposes a narrative of life within which one might understand suffering in relation to a personal God of ultimate power and love and suggests basic principles toward developing a politics of compassion *Reclaiming Theodicy* M. Stoeber, 2005-09-15 In *Reclaiming Theodicy* Michael Stoeber explores various themes of theodicy theology that defends God in the face of evil by creatively developing a distinction between transformative and destructive suffering Emphasising the importance of human compassion and illustrating various spiritual experiences of God that are healing the book proposes a narrative of life within which one might understand suffering in relation to a personal God of ultimate power and love and suggests basic principles toward developing a politics of compassion **Soul-Making by Grace** Matthew S. Hendzel SJ, 2024-04-30 Purgatory holds a precarious position in the afterlife beliefs of most Christians Often viewed as a doctrine that is held only by Roman Catholics purgatory has historically been maligned by its detractors as unbiblical theologically problematic and a product and source of superstition Moreover it would appear that belief in purgatory has declined in the faith lives of Catholics as well many of whom now seem keen to forget the fears and anxieties that its existence might have raised for them about the afterlife In response to such criticisms and concerns this book argues that purgatory can indeed be a constructive and hope filled component of any Christian understanding of the afterlife In examining the history of the doctrine it seeks answers that explain purgatory's recent descent into obscurity However it also pursues present insights that can shed new light onto how purgatory might find renewed relevancy *Julian of Norwich and the Problem of Evil* Richard Norton, 2023-10-26 Julian of Norwich's Revelations of Divine Love grapples with the same fundamental question that has vexed philosophers and theologians since the advent of monotheistic religion and continues as a barrier to belief for many today Namely if God is so good how can natural disaster genocide trauma and my present suffering occur Historically there have been two apparently very different approaches to the problem the pastoral or practical on the one hand and the systematic on the other However Richard Norton suggests that these two lines of thought may not be as separate as they seem and may indeed be dependent on one another for their cohesion Drawing on Julian's medieval experience of personal and population wide suffering alongside that of more recent theologians such as Dorothy Solle and Jurgen Moltmann Norton constructs a compassionate model of theodicy that can be of use to both pastoral and systematic theologians Throughout he remains sensitive to the raw atrocity of evil while preserving a vision of God as the one who ensures that all shall be well *Paradise in Purgatory* Nathan W. O'Halloran, 2024-04-05 The wellspring from which the doctrine of purgatory emerged contains a richer content than has been represented thus far by conciliar definitions Paradise

in Purgatory maintains that the soteriological logic out of which purgatory developed can be extended also to the postmortem healing of victims and the soteriological logic of the New Testament supports this conclusion Using as fundamental touchstones the wiping away of victims tears in the Book of Revelation and the healing of Dinocrates through the prayers of his sister Perpetua in the Passion of Perpetua and Felicity O Halloran argues that victims must have an opportunity to experience full postmortem salvation from other inflicted sin The volume concludes that purgatory can be theologically expanded to include a paradise in purgatory i e a process that heals the other inflicted wounds of sin which victims carry with them through death

God as Sacrificial Love Asle Eikrem,2018-01-25 In dialogue with a range of post enlightenment critiques of Christian theologies regarding sacrificial love Asle Eikrem presents an unconventional systematic approach to this multi layered and complex theological topic From Hegel to prominent 20th century theologians from feminist theologies to postmodern philosophers this volume engages in a critical conversation with a host of different voices on all the classical topics in theology creation trinity incarnation atonement sin faith sacraments and eschatology also providing a moral and socio historical vision for Christian living The result is a unique appraisal of the significance that the life and death of Jesus holds for the world today

Towards a Politics of Compassion Emeka Christian Obiezu,2008 Wise beyond his years Johnny Black Hawk takes pride in his mixed heritage believing in the inherent good of both the Indians and whites Then the Civil War brings unbearable grief and suffering Amid troubles triumphs deception and daring Johnny struggles to follow his father s teachings about honor Emotions long dormant are revealed as he discovers decency in a person long considered evil and the miraculous faith of another once thought a fool Then the white mans broken promises and greed bring death and destruction to the Indian people and he must learn to listen with his heart to an ancient sacred voice But will he ever understand the meaning of his gift from the Grandfathers

McCarroll,2014 What are the major ways in which hope manifests itself in our time And how should we understand these different ways of looking traumatic events in the eye For answers to these questions and others the author introduces readers to five expressions of hope through detailed and poignant case studies

hood a heart driven crusade that abhors all forms of exploitation and abuses A crusade of socio political wellbeing realized through politics of compassion **Traditions of Compassion** Khen Lampert,2005-12-16 Throughout history compassion has stood at the base of the radical cry to change the world order and remedy injustices It has also been a political tool for society s power wielders who have exploited the sense of calling compassion arouses to hide the repressive belligerent and manipulative nature of society s power structure This book analyzes four models of compassion each representing manifestations of compassion in different cultures and eras Judeo Christianity Buddhism Modernism and the author s alternative a response to neocapitalist postmodernism radical compassion and its imperative to take action **The Church as Salt and Light** Stan Chu Ilo,Joseph Ogbonnaya,Alex Ojacor,2012-10-01 At once prophetic pastoral and personal this book applies the symbols of salt and light as ecclesiological images for reimagining the African Church for today and tomorrow The proposal of this book is to reconsider the path towards abundant life for God s people in the challenging context of African continent and through the agency of African Christianity The contributors stress the necessity of de Westernizing African Christianity and ask these fundamental questions What is the face of Jesus inAfrican Christianity What is the face and identity of the Church in Africa What positive imprint is Christianity leaving on the lives and societies of African Christians Does the Christian message have the potential of positively affecting African civilization as it once did in Europe What is the relevance and place of African Christianity as a significant voice in shaping both the future of Africa and that of world Christianity
