Reclaiming Her Story:

Reclaiming Herstory Cheryl Bell-Gadsby, Anne Siegenberg, 2013-06-20 Women who have survived sexual abuse are among the most traumatized individuals who seek therapy. Assisting such clients to reframe and transcend their abusive pasts requires enormous sensitivity and therapeutic skill. Reclaiming Herstory Ericksonian Solution Focused Therapy for Sexual Abuse will greatly help therapists hone their craft with its solution focused Ericksonian approach and highly refined techniques for working with this population. The approach the authors present has evolved through work with hundreds of sexual abuse survivors. The authors have found their techniques to be remarkably effective in helping these clients to regain a sense of freedom and empowerment in their lives. The authors view the healing process as a collaborative partnership in which the therapist co-creates with the client a positive context for healing. This process comprises four distinct stages through which every client must pass in order to achieve their own unique potential. The book clearly describes the primary symptoms and features of the four stages which are: Breaking the silence and unmasking the secret, Becoming visible, Reclaiming and reintegration of the self, Empowerment and the evolution of the sexual self. It also presents for each stage a series of detailed metaphorical stories, exercises and rituals designed to assist a client who is traversing a particular stage. Numerous suggestions, lists, questions and vivid case studies help the therapist to identify and assess the individual needs of a particular client and then pinpoint those tools that will best facilitate the healing process at a given stage. Recognizing the severe toll that work with sexually abused clients can take on the therapist, Reclaiming Herstory also provides strategies for self-care that can be used during various stages of therapeutic practice. The volume also provides a timely and important discussion of the controversial false memory backlash and its impact on the survivor and implications for the therapist.

Reclaiming Her Story Jon L. Berquist, 1992 Looking at their stories in the context of their times, Berquist casts new light on how and why these women in a man's world acted as they did and what they still have to teach us. **Reclaim Your Brain** Joseph A. Annibali, MD, 2015-12-29 A prescriptive guide to restoring cognitive calm based on Amen Clinics' chief psychiatrist Dr. Joseph Annibali's three decades of treating patients who suffer from overloaded, overstimulated brains. Dr. Joseph Annibali has treated thousands of people with overloaded, overstimulated brains. Some people describe their brain as being in chaos; others feel that their brain is on fire. But whether they are ultimately diagnosed with anxiety, disabling OCD, depression, bipolar disorder, or even substance abuse, the underlying problem is a Too Busy Brain, a great irritant that interferes with attention, concentration, focus, mood, and often much more. It may even be a sign of undetected damage to either the brain or the body itself. But through practical strategies, understandable explanations, and prescriptive mind management techniques, Dr. Annibali will help readers finally reclaim their brains and get back in control of their lives.

Reclaiming Your Heart Denise Hildreth Jones, 2013-02-18 Have you ever wondered where the abundant life Scripture promises is and how you seem to have missed it? Do you ever catch yourself saying, "Those were the best years of my life. A

failed relationship a health crisis a job loss the death of a loved one all can cause us to hide out go numb give up Before we even know it we're simply coping with life instead of living it to the fullest It happens to most of us at one point or another For author and Bible study teacher Denise Hildreth Jones it happened in the wake of her devastating divorce But she fought desperately to reclaim her God designed heart and now in her transparent authentic style Denise challenges you to do the same Sharing stories from her own journey and others she's walked alongside Denise will help you identify ways you've given your heart to lesser gods like performance people pleasing and control and how to find your way back to God's design for your life to laughing loving and living life to the fullest

Aboriginal Women's Narratives Nadja Zierott, 2005 Due to widespread geographical and cultural displacement Australian Aboriginal people have experienced the destruction of their identity This identity is traditionally closely linked to the land and the people so that Aborigines feel an intense longing to rediscover their roots and reclaim their identity In order to do this they need to individually reconstruct their past for instance by writing down their life stories Thus Aboriginal women like Ruby Langford Ginibi have embarked on a process of reconnecting with their roots through the medium of autobiography In discussing three of these autobiographies this book examines the role of autobiographical narrative in the process of Australian Aboriginal women reclaiming their identity
