## **Recollections Of A World War 2 B17 Bomb:**

Shot at and Missed Jack R. Myers, 2005-02-01 In this riveting narrative Jack R Myers recounts his experiences as a B 17 bombardier during World War II Commissioned a second lieutenant in 1944 at age twenty Myers began flying missions with the 2nd Bomb Group U S Fifteenth Air Force He learned firsthand the exhilaration and terror of being shot at and missed Based in Italy the Fifteenth Air Force flew strategic bombing raids over southern Germany Austria Hungary Rumania and Czechoslovakia Less celebrated than the Eighth Air Force which flew out of England the Fifteenth nevertheless was pivotal in dismantling the German industrial complex Myers offers an insider s view of these missions over southern and central Europe The reader goes with him into the highly exposed Plexiglas nose of the Flying Fortress flying with him through the flak filled skies of Europe and peering with him through his Norden bombsight at Axis targets On average a heavy bomber crewman survived only sixteen bombing missions Myers survived his allotted thirty five missions before being honorably discharged in 1945

Forgotten Fifteenth Barrett Tillman, 2014-06-02 November 1943 May 1945 The U S Army Air Forces waged an unprecedentedly dogged and violent campaign against Hitler s vital oil production and industrial plants on the Third Reich s southern flank Flying from southern Italy far from the limelight enjoyed by the Eighth Air Force in England the Fifteenth Air Force engaged in high risk missions spanning most of the European continent The story of the Fifteenth Air Force deserves a prideful place in the annals of American gallantry In his new book *Forgotten Fifteenth The Daring Airmen Who Crippled Hitler s War Machine* Tillman brings into focus a seldom seen multinational cast of characters including pilots from Axis nations Romania Hungary and Bulgaria and many more remarkable individuals They were the first generation of fliers few of them professionals to conduct a strategic bombing campaign against a major industrial nation They suffered steady attrition and occasionally spectacular losses In so doing they contributed to the end of the most destructive war in history *Forgotten Fifteenth* is the first ever detailed account of the Fifteenth Air Force in World War II and the brave men that the history books have abandoned until now Tillman proves this book is a must read for military history enthusiasts veterans and current servicemen

**390th Bomb Group**, 1994 The 390th Bombardment Group H contained the 568th 570th and 571st squadrons

WWII Bombardiers Philip A. St. John, 1998 Includes history of various bomb groups pictures and biographies of bombardiers and history of the development of bombing equipment

*Flying against Fate* S. P. MacKenzie, 2017-08-04 During World War II Allied casualty rates in the air were high Of the roughly 125 000 who served as aircrew with Bomber Command 59 423 were killed or missing and presumed killed a fatality rate of 45 5% With odds like that it would be no surprise if there were as few atheists in cockpits as there were in foxholes and indeed many airmen faced their dangerous missions with beliefs and rituals ranging from the traditional to the outlandish Military historian S P MacKenzie considers this phenomenon in *Flying against Fate* a pioneering study of the important role that superstition played in combat flier morale among the Allies in World War II Mining a wealth of documents as well as a trove of published

and unpublished memoirs and diaries MacKenzie examines the myriad forms combat fliers superstitions assumed from jinxes to premonitions Most commonly airmen carried amulets or talismans lucky boots or a stuffed toy a coin whose year numbers added up to thirteen counterintuitively a boomerang Some performed rituals or avoided other acts e g having a photo taken before a flight Whatever seemed to work was worth sticking with and a heightened risk often meant an upsurge in superstitious thought and behavior MacKenzie delves into behavior analysis studies to help explain the psychology behind much of the behavior he documents not slighting the large cohort of crew members and commanders who demurred He also looks into the ways in which superstitious behavior was tolerated or even encouraged by those in command who saw it as a means of buttressing morale The first in depth exploration of just how varied and deeply felt superstitious beliefs were to tens of thousands of combat fliers *Flying against Fate* expands our understanding of a major aspect of the psychology of war in the air and of World War II

**Reddo's Raiders** James J. Redmond, 2004 *Love Blows Wind Into Time* is inspired by life and people that make a difference in the lives of others It can be a thought an idea or something unexpected that creates a unique situation in our lives but love remains the strongest factor So many times as we go through life ups and downs we forget that love has carried us through it all If we can look closely at our lives we might find that love allowed something beautiful to happen in spite of our challenges and triumphs

**Staying Alive** Carl Fyler, 1995 *Flypast*, 2008 *99th Bomb Group*, 1998 The 99th Bomb Group contained the 346th 347th 348th and the 416th squadrons

**58th Bomb Wing**, 1999-06 This comprehensive history covers the 58th Bomb Wing from its activation in June of 1943 through World War II With service biographies and special stories from the men who served this is a wonderful addition to the library of anyone interested in World War II

**8th AF News**, 1991 **The Making of the Atom Bomb** Victoria Sherrow, 2000 Discusses various topics connected to the production of the atom bomb including the development of nuclear energy work on atomic weapons at the Los Alamos and other sites and the decision to use the first atomic bomb during World War II

**Wings of Tru Love** Kenneth Cleveland Drinnon, 2011 *Wings of Tru Love* author Kenneth C Drinnon joined the United States Army Air Force in 1943 and served in the European Theater as a B17 ball turret gunner with the 8th Air Force 487th Heavy Bomb Group and 838th Squadron He flew thirty four aerial combat missions from October 22 1944 to February 28 1945 over Nazi Germany and attained the rank of Staff Sergeant before being discharged in 1945 There were several notable bombing missions including the synthetic oil refineries at Merseberg Germany and several against transportation facilities in support of the Army ground forces during the Battle of the Bulge but the one most remembered by aviators of the 487th Bomb Group was December 24 1944 when General Frederick W Castle was killed while leading a two thousand plane bomber mission for the Eighth Air Force and piloting the lead plane of the 487th Bomb Group Both the 487th Bomb Group and the Luftwaffe suffered many casualties during an aerial gun battle

**Video Source Book**, 2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business

industry children juvenile how to instruction      **Survival: Self & Country, Wwii** Bruce Galvin Craig,2011-10-28 The adventurous true stories of a WWII Navigator on a B24 Liberator Bomber flying from England on missions over Germany The book follows the author s military training through twenty transfers and his inventive efforts to get a commission and join the Air Corps Each time a decision was made some of his comrades went one way and others were sent to the infantry There is barracks humor tricks they played on each other and on superior officers In addition to Chapter indexes there are indexes of his 13 near death experiences and of his 18 missions over Germany listing cities and targets to be destroyed Interspersed with his story in bold type is a report of what was happening in other theaters of the war Excellent review of little known events and strategies      *Air Force Gunners* Turner Publishing,1994 History of the airforce gunners from early days through World War II and later      **American Ex-prisoners of War** ,1988      Memories from the Out House Mouse G. R. Harvey,2002 The collected personal diaries of one B 17 bomber crew      Poet Flyer E. John Knapp,2009      **Traces of Indiana and Midwestern History** ,1991
