Excerpt from *Recollections of Sir Walter Scott Bart* On this ground alone namely just a appreciation of character the merits of
the following sketch if it has any must rest In the mere statement of events and dates which comparatively are unimportant
there may be errors which the writer up to the present hour had no opportunity to correct if he had been solicitous to do so
But instead of feeling anxious on that account some anachronisms were in one chapter purposely introduced for the sake of
promoting the author's wish at the outset to remain anonymous About the Publisher Forgotten Books publishes hundreds of
