Recollections of the Golden Triangle Alain Robbe-Grillet, 2015-06-23 Could be read as the French New Novelist s tribute to the vibrant Latin American fiction that his own early works helped to inspire The New York Times Book Review A provocative novel by one of the most influential French writers Recollections of the Golden Triangle is a tour de force a literary thriller constructed of wildly diverse elements fantasy and dream erotic invention and the stuff of popular fiction and movies taken to its farthest limits A secret door that is opened slightly by an electronic device a beautiful hanged factory girl a pale young aristocrat whose blood apparently nourishes his vampiric lover the evil Dr Morgan who conducts his experiments in tertiary dream behavior the beautiful and sinister women from the world of horror films and the investigating police who are not all what they seem to be are just some of the ingredients of this intriguing new novel by the French master of the intellectual thriller whose novels and films have effectively changed the way we can look at the real world today Recollections of the Golden Triangle challenges the reader to find his own meaning in its descriptions clues and contradictions and to play detective by assembling the pieces of the fictional puzzle If you make the effort to read Recollections of a Golden Triangle you will have a richer and more rewarding experience than you would reading a conventional mystery story St Louis Post Dispatch A sense of atmosphere and a power of representation that at best make one feel that one is looking over an artist s shoulder with one eye on the canvas and the other on the reality that he is sketching The Times Understanding Alain Robbe-Grillet Roch C. Smith, 2000 Transforming bewilderment into understanding and pleasure while preserving a sense of Robbe Grillet's considerable richness and complexity Smith elucidates the defining elements of the writer's fictional world characters that barely exist changeable narrators plots that defy logic notoriously meticulous descriptions that never quite form a complete story Smith examines Robbe Grillet's embrace of discontinuity circularity indeterminacy and linguistic play Smith also poses questions about how we should view this perplexing writer as an author of hyperobjective novels and short stories a subjective novelist a realist or a writer who undermines the narrative s claim to represent reality In addition Smith evaluates the sado erotic imagery of Robbe Grillet s middle and late novels as a metaphorical play with textual and social conventions BOOK JACKET The Voveur Alain Robbe-Grillet, 2015-06-23 The winner of the Prix des Critiques from the French avant garde author of Jealousy Robbe Grillet is the forerunner of a revolution in the novel Claude Mauriac cultural critic for Le Figaro Mathias a timorous ineffectual traveling salesman returns to the island of his birth after a long absence Two days later a thirteen year old girl is found drowned and mutilated With eerie precision Robbe Grillet puts us at the scene of the crime and takes us inside Mathias s mind artfully enlisting us as detective hot on the trail of a homicidal maniac A triumphant display of the techniques of the new novel The Voyeur achieves the impossible feat of keeping us utterly engrossed in the mystery of the child's murder while systematically raising doubts about whether it really occurred The suspense keeps us on tenterhooks The New York Times

Book Review I can think of no other writer who can render the banal so fearfully fantastic In the subtlest slyest and most sheerly delightful way he persuades us to look anew at the commonplace Books and Bookmen Praise for Alain Robbe Grillet Robbe Grillet's theories constitute the most ambitious aesthetic program since Surrealism John Updike Pulitzer Prize winner Robbe Grillet is important because he has attacked the last bastion of the traditional art of writing the organization of literary space Roland Barthes influential literary theorist Robbe Grillet was a master at conveying human misunderstanding Bernard Henri L vy public intellectual author and filmmaker I doubt that fiction as art can any longer be seriously discussed without Robbe Grillet The New York Times A Dictionary of the Avant-Gardes ,2013-05-13 A Dictionary of the Avant Gardes recognizes that change is a driving force in all the arts It covers major trends in music dance theater film visual art sculpture and performance art as well as architecture science and culture The A to Z of Postmodernist Literature and Theater Fran Mason, 2009-07-23 Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self reflexive texts that use pastiche burlesque parody intertextuality and hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabulations that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book The A to Z of Postmodernist Literature and Theater examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first century operates Historical Dictionary of Postmodernist Literature and Theater Fran Mason, 2016-12-12 The main aim of the book has been to include writers movements forms of writing and textual strategies critical ideas and texts that are significant in relation to postmodernist literature In addition important scholars journals and cultural processes have been included where these are felt to be relevant to an understanding of postmodernist writing This second edition of Historical Dictionary of Postmodernist Literature and Theater contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form This book is an excellent access point for students researchers and anyone wanting to know more about the postmodernist literature and theater The Secret **Army** Richard Michael Gibson, 2011-08-04 The incredible story of how Chiang Kai shek s defeated army came to dominate the Asian drug trade After their defeat in China's civil war remnants of Chiang Kai shek's armies took refuge in Burma before being driven into Thailand and Laos Based on recently declassified government documents The Secret Army Chiang Kai shek and the Drug Warlords of the Golden Triangle reveals the shocking true story of what happened after the Chinese Nationalists lost the revolution Supported by Taiwan the CIA and the Thai government this former army reinvented itself as an anti communist mercenary force fighting into the 1980s before eventually becoming the drug lords who made the Golden Triangle a household name Offering a previously unseen look inside the post war workings of the Kuomintang army historians Richard Gibson and Wen hua Chen explore how this fallen military group dominated the drug trade in Southeast Asia for more than three decades Based on recently released previously classified government documents Draws on interviews with active participants as well as a variety of Chinese Thai and Burmese written sources Includes unique insights drawn from author Richard Gibson's personal experiences with anti narcotics trafficking efforts in the Golden Triangle A fascinating look at an untold piece of Chinese and drug running history The Secret Army offers a revealing look into the history of one of the most infamous drug cartels in Asia Encyclopedia of Modern French Thought Christopher John Murray, 2004 This work covers not only philosophy but also all the other major disciplines including literary theory sociology linguistics political thought theology and more The 240 analytical entries examine individuals such as Bergson Durkheim Mauss Sartre Beauvoir Foucault Levi Strauss Lacan Kristeva and Derrida specific disciplines such as the arts anthropology historiography psychology and sociology key beliefs and methodologies such as Catholicism deconstruction feminism Marxism and phenomenology themes and concepts such as freedom language media and sexuality and istorical political social and intellectual context From publisher's decription Encyclopedia of the Novel Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of What Next? C P Sharma, 2021-02-01 This book is about an entrepreneur and a the novel in various regions of the world philanthropist who worked his way up through life chasing his dreams It is about taking risks challenges innovation employing an entrepreneur and freedom of doing something that gives satisfaction The book covers the author's early childhood schooling and his impressions about the National Defence Academy the Indian Navy and Merchant Navy as also

the learning experience with an international crew in the oilfields The author has travelled to over seventy countries across all continents savouring the uniqueness of each country The book is more of a travelogue and covers his personal travel experiences adventures beautiful places and peoples and quaint cultures yet within this bewildering diversity he could sense the essential unity The author made friends with people while walking on the roadside in a bus cycling sailing in yachts and boats and cruise ships both on rivers and on the sea on flights and while visiting small quaint villages as also the usual touristic places It is about some places that people would have on their travel wish list and the book should motivate them further Some not so popular places are also covered However all places could not be covered in this volume The author plans to cover these in a second volume The narration is supplemented by a photo section a bonus for the reader New Makers of Modern Culture Justin Wintle, 2008-11-28 A Who s Who of Western culture from Woody Allen to Emile Zola Containing four hundred essay style entries and covering the period from 1850 to the present The Concise New Makers of Modern Culture includes artists writers dramatists architects philosophers anthropologists scientists sociologists major political figures composers film makers and many other culturally significant individuals and is thoroughly international in its purview Next to Karl Marx is Bob Marley with John Ruskin is Salman Rushdie alongside Darwin is Luigi Dallapiccola Deng Xiaoping rubs shoulders with Jacques Derrida as do Julia Kristeva and Kropotkin With its global reach The Concise New Makers of Modern Culture provides a multi voiced witness of the contemporary thinking world The entries carry short bibliographies and there is thorough cross referencing as well as an index of names and key terms World David R. Ellison, 1993-03-22 Here David Ellison explores the problems encountered by France's best experimental authors writing between 1956 and 1984 when faced with the guestion What should my writing be about These years are characterized by the rise of the new novelists who questioned the representational function of writing as they created works of imagination that turned in upon themselves and away from exterior reality It became fashionable at one point to affirm that literature was no longer about the world but uniquely about the words on a page the signifying surface of the text Ellison tests this assumption showing that even in the most seemingly self referential fictions the words point to the world from which they can never completely separate themselves Through close readings Ellison examines the novels and theoretical writings of authors whose works are fundamental to our perception of contemporary French writing and thought Camus Robbe Grillet Simon Duras Sarraute Blanchot and Beckett The result is a new understanding of the link between the referential function of literary language and the problematic of the ethics of fiction Who's Who of Twentieth Century Novelists Tim Woods, 2008-02-21 Taking in novelists from all over the globe from the beginning of the century to the present day this is the most comprehensive survey of the leading lights of twentieth century fiction Superb breadth of coverage and over 800 entries by an international team of contributors ensures that this fascinating and wide ranging work of reference will be invaluable to anyone with an interest in modern fiction Authors included range from Joseph Conrad to Albert Camus

and Franz Kafka to Chinua Achebe Who s Who of Twentieth Century Novelists gives a superb insight into the richness and diversity of the twentieth century novel On Referring in Literature Anna Whiteside, Michael Issacharoff, 1987 What is the relationship between the real world and fictional constructs How is referential illusion created The purpose of this volume is to show the close links between reference and interpretation It examines types of literary reference showing what it is and The Atlantic Companion to Literature in English Ed.
