A FRESH LOOK AT ORIGINS

Understanding and Reconnecting with Our Spiritual Roots Carolyn Galloway Garnes, 2011 **Three Story Bible NLT**

Tyndale, Tyndale House Publishers Staff, Youth for Christ, Youth for Christ International Staff, 2015 The Three Story Bible based on Youth for Christ's Three Story discipleship program encourages Christian teenagers to better understand how God's story overlaps with the story of their life and the lives of their friends resulting in deeper fellowship with each other and with God. It's filled with 500 Connection Point Questions that inspire teens to read the Bible more closely and think about its application to their lives more carefully. Over 150 Then Now features weave together the stories of young people today with Scripture in ways that equip teens to talk more openly about God and build deeper, more genuine relationships with each other. Relevant, thought-provoking and interactive, the Three Story Bible invites teens to discover where their stories and God's story intersect through relational discipleship and engagement. The New Living Translation breathes life into even the most difficult to understand Bible passages but even more powerful are stories of how people's lives are changing as the words speak directly to their hearts.

Sit Still My Daughter Martina Young, 2013-06-01 In a world where the ratio of single eligible women outnumber men 7 to 1, it is important for women to know how to live a life full of joy and contentment in their singleness. Far too many women sell themselves short, accepting any type of relationship and attention from men just to have someone in their life. It has led some women to seek comfort in all types of strange places. WAKE UP! God has better plans for you.

Living a Positive Life in a Negative World Linda S. Plunkett, PhD, 2023-04-10 A message of hope and inspiration as well as tools to help people live a positive life in the midst of a very negative world. Coming from a place of hopelessness when a major medical institution told the author there were no treatment options, she offers healing tools for the body, brain, mind, and spirit. For others also going through hopelessness, depression, or who have felt separated from God, there is a path to healing.

Reconnecting to the Source Ervin Laszlo, 2020-03-24 Renowned authority on science and philosophy, Dr. Ervin Laszlo explores the implications of the new quantum sciences to move beyond the limits of reality as we know it and find our way again in our ever-evolving universe. *Reconnecting to the Source* is a powerful new book on the science of spiritual experience by Dr. Ervin Laszlo, a well-known figure in the fields of new science, consciousness, and spirituality. Dr. Laszlo has inspired some of today's most important figures in science and philosophy. In *Reconnecting to the Source*, he unpacks the science behind spiritual experience, investigating the ways in which we can access realms of experience beyond the everyday. It is in these moments when our conscious minds are in contact or perhaps even overridden by our unconscious selves that we can explore the depths of spiritual meaning. In addition to a foreword by Deepak Chopra, the book includes new, never-before-published contributions from a long list of well-known writers and public figures, including Jane Goodall, Barbara Marx Hubbard, Zhi Gang Sha, and many more. Each contributor has written about a unique

spiritual experience of their own sharing moments in their lives that are outside of the boundaries of the usual and reflecting on the importance of these moments This revolutionary and powerful book will challenge you to reconsider the boundaries of our own experience and change how we look at the world around us It is a unique never before available resource for people who want to know how they can consciously align with the forces and attractors that governs the universe and brought us living conscious people on the scene in the great processes of evolution that unfold here on Earth **Gods of the Blood**

Footprints William P. Payne,2025-03-12 Is there a unifying key that enables Christians to interpret the Bible and see the guiding hand of God in history Professor William Payne says there is He calls it the missional hermeneutic It is a grand design Design implies a designer Others call it the mission of God Always and forever God is pursuing his plan Payne contends that the Scriptures and human history show God s purposes illuminate his unfolding plan and point to his end goal This book unpacks the missional hermeneutic and teaches readers how to apply it to Bible interpretation and historical analysis For example his lengthy chapter on Acts masterfully uncovers how God and the heavenly powers interacted as the church took the gospel from Jerusalem to the heart of the Roman Empire per God s directions Other chapters show how God messages history and works through it to accomplish his will Payne calls it seeing God s footprints In short this book shows you how to grasp the big picture and align yourself with God s work Rediscover the Magick of the Gods and Goddesses
