Reconsidering Tocqueville's Democracy In America:

Reconsidering Tocqueville's Democracy in America Abraham Seldin Eisenstadt, 1988

Democracy in America

(Abridged) Alexis de Tocqueville, Stephen D. Grant, Sanford Kessler, 2001-03-09 This new abridged translation of Democracy in America reflects the rich Tocqueville scholarship of the past forty years and restores chapters central to Tocqueville's analysis absent from previous abridgments including his discussions of enlightened self interest and the public's influence on ethical standards. Judicious notes and a thoughtful introduction offer aids to the understanding of a masterpiece of nineteenth century social thought that continues in our own day to illuminate debates about the roles of liberty and equality in American life.

Reconsidering Tocqueville's Democracy in America Abraham Seldin Eisenstadt, 1988 **Democracy**

Reconsidered Elizabeth Kaufer Busch, 2009-07-16 Democracy Reconsidered provides an enlightening study of democracy in America's post modern context. Elizabeth Kaufer Busch and Peter Augustine Lawler explore some of the foundational principles of democracy as they have been borne out in American society. The essays included in this volume examine the lessons that novelists, philosophers and political theorists have for democratic societies as they progress towards postmodern skepticism or even disbelief in the absolute principles that form the foundation of democracies. Led by the provocative observations of Lawler, a member of President Bush's Council on Bioethics, the first section lays out the predicament caused by the gravitation of democracy towards a disbelief in absolute truth leading to a crisis of self evidence. The second section searches for tools that one might use to restore health to the individual and community within American democracy including spiritual faith, creative autonomy and philosophic inquiry. The third section addresses the supposed crisis in liberal education caused by our crisis of self evidence. Included essays explore the extent to which the professed aims of liberal education may be at odds with the cultivation of dutiful citizens. The book closes by considering some of the political consequences of employing content less freedom as the primary standard by which human behaviour is judged.

Tocqueville on America

After 1840 Alexis de Tocqueville, 2009-03-30 Tocqueville on America after 1840 provides access to Tocqueville's views on

American politics from 1840 to 1859 revealing his shift in thinking and growing disenchantment with America.

The American Liberal Tradition Reconsidered Mark Hulliung, 2010 Eight prominent scholars consider whether Louis Hartz's interpretation of liberalism in his classic 1955 book should be repudiated or updated and whether a study of America as a liberal society is still a rewarding undertaking.

Tocqueville James T. Schleifer, 2018-10-22 Alexis de Tocqueville, a French aristocrat paradoxically famous for his insights into democracy and equality, is one of history's greatest analysts of American society and politics. His contributions to political theory and sociology are of enduring significance. This book from one of the world's leading experts is a clearly written and accessible introduction to Tocqueville's social and political theories. Schleifer guides readers through his two major works, *Democracy in America* (1835-40) and *The Old Regime and the Revolution* (1856) as well as his working papers, correspondence and other writings. Schleifer examines Tocqueville's essential themes and

explores the various meanings of his key terms including equality democracy liberty and revolution He combines a skillful exposition of Tocqueville's analysis of the beneficial and harmful consequences of democracy with a crystal clear discussion of his often overlooked economic ideas and social reform proposals Schleifer traces both the overall unity and the significant changes in Tocqueville's ideas demonstrating the complexity and subtlety of his thought and the importance of his legacy It will be essential reading for all scholars students and general readers interested in the history of political thought political theory American politics and sociology

The Spectre of Democracy Michael Levin, 2015-12-25 This study examines the arguments that the democratic movement has had to overcome A history of franchise extension in the USA France Germany and the United Kingdom provides the context for examining the attitudes to democracy of John Adams de Tocqueville Hegel and Carlyle

Political Practices and International Order Stefan Heuser, Hans Günter Ulrich, 2007 International order is one of the most challenging issues in political ethics today and its place within the multifaceted field of politics is frequently debated The diverse phenomena resulting from globalisation particularly in the wake of the end of the so called Cold War urge us to think about our world in terms of a single political entity Besides the existing international institutions however it is still open to question what this entity should be and what concrete political practices should correspond to it In the essays collected in this book political scientists sociologists philosophers theologians and policy advisors explore how political practices can be institutionally localised without necessarily becoming incorporated into structures of governance Political ethics as presented in this book seeks to address the particular practices of power justice and peace of citizens themselves and to assess their relevance for the shaping of international institutions

Alexis de Tocqueville Alan S. Kahan, 2013-02-07 Alexis de Tocqueville was the author of two masterpieces *Democracy in America* and *The Old Regime and the Revolution* In this volume Alan S Kahan one of the world's leading authorities on Tocqueville's work presents an accessible and rigorous account of the French author's ideas set in the context of his life and times It sets out the essential tensions and ambiguities in Tocqueville's thought and analyzes the idea that made him such a compelling and insightful thinker

Beyond Tocqueville Bob Edwards, Michael W. Foley, Mario Diani, 2001 An interdisciplinary collection of historical and comparative articles on civil society and the social capital debate

America Through European Eyes Aurelian Crăciun, Jeffrey C. Isaac, 2009 A collection of essays that discuss representative eighteenth and nineteenth century French and English views of American democracy and society and offer a critical assessment of various narrative constructions of American life society and culture Provided by publisher

The Art of Being Free Mark Reinhardt, 2019-06-30 The art of being free is an essential part of democracy It involves Mark Reinhardt believes bringing into being the multiple spaces in and practices through which individuals and groups help to constitute their lives their selves their worlds Americans are presently witnessing a contraction of officially sanctioned spaces for citizen action It is now crucial Reinhardt argues to identify ways of opening new spaces for the direct practice of democratic politics Reinhardt treats the writings of Alexis de Tocqueville Karl Marx and

Hannah Arendt as exemplary sources for an expansion of political possibility These writers indicate where and how the new spaces can be brought into being and they reveal acts of making space as some of the prime moments of politics Reinhardt's extended readings of these writers never previously treated together are quite unlike the familiar understandings of their thought Taking liberties he brings the literary and political sensibility usually associated with postmodernism to a sympathetic if critical encounter with eminently modern thinkers The result is a strong and idiosyncratic book accessible and stylish that mixes acute readings of canonical thinkers with more practical applications and illustrations Reinhardt combines attention to textual detail and nuance with concern for contemporary politics discussing as an unusually inventive example the AIDS activist group ACT UP

The Erosion of the American Sporting Ethos ... Reconsidered Joel Nathan Rosen, 2021-01-01 This work examines American sport from its traditional roots to the influence of the 1960s era counterculture and the rise of a post Cold War ethos that reinterprets competition as a relic of a misbegotten past and anathema to American life

Multicultural Writers from Antiquity to 1945 Alba Amoia, Bettina L. Knapp, 2001-10-30 The final decades of the 20th century have seen an explosion of interest in multiculturalism But multiculturalism is more than an awareness of the different cultures comprising contemporary societies For centuries people from around the world have come in contact with cultures other than their own and their exposure to multiple cultures has fostered their creativity and ability to make lasting contributions to civilization The effects of multiculturalism are especially apparent in literature since writers tend to be particularly aware of their environments and record their experiences This reference includes alphabetically arranged entries for more than 100 world writers from antiquity to 1945 who were significantly influenced by cultures other than their own Included are entries for major canonical Ancient and Modern writers of the Western and Eastern worlds Each entry is written by an expert contributor and includes a brief biography a discussion of multicultural themes and contexts a summary of the writer's critical reception and primary and secondary bibliographies By illuminating the shaping influence of multiculturalism on these writers the volume points to the lasting value of multiculturalism in the contemporary world

The Masterless Wilfred M. McClay, 2000-11-09 In this provocative book Wilfred McClay considers the long standing tension between individualism and social cohesion in conceptions of American culture Exploring ideas of unity and diversity as they have evolved since the Civil War he illuminates the historical background to our ongoing search for social connectedness and sources of authority in a society increasingly dominated by the premises of individualism McClay borrows D H Lawrence's term masterless men extending its meaning to women as well and argues that it is expressive of both the promise and the peril inherent in the modern American social order Drawing upon a wide range of disciplines including literature sociology political science philosophy psychology and feminist theory McClay identifies a competition between visions of dispersion on the one hand and coalescence on the other as modes of social organization In addition he employs intellectual biography to illuminate the intersection of these ideas with the personal experiences of the

thinkers articulating them and shows how these shifting visions are manifestations of a more general ambivalence about the process of national integration and centralization that has characterized modern American economic political and cultural life

Alexis de Tocqueville and American Intellectuals Matthew Mancini, 2005-12-15 In this groundbreaking new work Matthew Mancini tells the surprising story of Alexis de Tocqueville's reception in American thought and culture from the time of his 1831 visit to the United States to the turn of the twenty first century The author uncovers an historical record that is replete with unmistakable evidence of Tocqueville's continuing importance to American intellectuals throughout the post Civil War period of his supposed oblivion and also of his reputation being exaggerated by recent historians referring to the post World War II decades Through comprehensive analysis of Tocqueville's published works Mancini critically examines the ways in which Tocqueville's ideas have been received and at times misunderstood Mancini challenges almost every element of the common understanding of Tocqueville's reception into American intellectual culture while recovering and re-examining many important intellectuals of the last 150 years In doing so Mancini inscribes an important chapter in American cultural history namely the idea of Tocqueville himself

Tocqueville Unveiled Robert T. Gannett, 2003-09-15 Drawing on his unprecedented access to Tocqueville's papers Robert T Gannett Jr reveals the ingenuity of Tocqueville's analyses of issues such as landownership administrative centralization and public opinion in pre-revolutionary France

We the Fallen People Robert Tracy McKenzie, 2021-09-21 The success and survival of American democracy have never been guaranteed Arguing that we must take an unflinching look at the nature of democracy and therefore ourselves historian Robert Tracy McKenzie explores the ideas of human nature in the history of American democratic thought from the nation's Founders through the Jacksonian Era and Alexis de Tocqueville

The Restless Mind Peter Augustine Lawler, 1993 This book offers the most comprehensive account yet published of Alexis de Tocqueville's extraordinary thought and life Peter Augustine Lawler makes clear the understanding of the human condition that is at the foundation of Tocqueville's mixed and elusive view of human liberty
