**Michael Palmer, Simon Roberts**

## **Reconstructing Mental Health Law And Policy:**

**Reconstructing Mental Health Law and Policy** Nicola Glover-Thomas,2002-07 A critical in depth analysis of the development of contemporary mental health law in its social and political contexts      **Mental Health Law: Policy and Practice** Peter Bartlett,Ralph Sandland,2013-10 This text provides a detailed overview of mental health law and the socio legal historical sociological and cultural issues related to them The role of the law and medical treatments in regulating and controlling deviance are explored alongside the fundamental rights and liberties of some of society s most vulnerable people

**Rethinking Rights-Based Mental Health Laws** Bernadette McSherry,Penny Weller,2010-08-16 Mental health laws exist in many countries to regulate the involuntary detention and treatment of individuals with serious mental illnesses Rights based legalism is a term used to describe mental health laws that refer to the rights of individuals with mental illnesses somewhere in their provisions The advent of the United Nations Convention on the Rights of Persons with Disabilities makes it timely to rethink the way in which the rights of individuals to autonomy and liberty are balanced against state interests in protecting individuals from harm to self or others This collection addresses some of the current issues and problems arising from rights based mental health laws The chapters have been grouped in five parts as follows Historical Foundations The International Human Rights Framework and the United Nations Convention on the Rights of Persons with Disabilities Gaps Between Law and Practice Review Processes and the Role of Tribunals Access to Mental Health Services Many of the chapters in this collection emphasise the importance of moving away from the limitations of a negative rights approach to mental health laws towards more positive rights of social participation While the law may not always be the best way through which to alleviate social and personal predicaments legislation is paramount for the functioning of the mental health system The aim of this collection is to encourage the enactment of legal provisions governing treatment detention and care that are workable and conform to international human rights documents      **Moffat's Trusts Law** Jonathan

Garton,Graham Moffat,Gerard M. D. Bean,Rebecca Probert,2015-08-13 Detailed thorough and authoritative new edition of Moffat s Trusts Law      **Housing Law and Policy** David Cowan,2011-09-29 An innovative and timely guide to housing law that integrates the disciplines of law and public policy so that readers see how the subject fits together both the letter of the law and the way it is practised The innovative three part structure covers all the topics of a typical Housing Law module and it is written in a clear and conversational style with a wide range of source material to show how the law is created interpreted and used in real life Students are expertly guided through the complexities of housing law by a leading academic who has taught the subject for more than 20 years Where relevant chapters end with a section on the future that discusses proposed changes to the law and the impact of those changes It also discusses the conceptual issues raised by the Human Rights Act      Law and Administration Carol Harlow,Richard Rawlings,2021-07-22 Contains a full account of administrative law in the context of social political and economic forces shaping the law      *Recentring the World* Ryan Martínez

Mitchell,2022-11-03 *Recentering the World* recovers a richly contextual detailed history of Western imposed legal structures in China as well as engagements with international law by Chinese officials jurists and citizens Beginning in the Late Qing era it shows how international law functioned as a channel for power relations techniques of economic domination as well as novel forms of resistance The book also radically diversifies traditionally Eurocentric accounts of modern international law s origins demonstrating how by the mid twentieth century Chinese jurists had made major contributions to international organizations and the UN system the international judiciary the laws of armed conflict and more Drawing on extensive archival research this book is a valuable guide to China s often conflicted role in international law its reception and contention of concepts of sovereignty property obligation and autonomy and its gradual move from the periphery to a shared spot at the center of global legal order

*Medical Law* Emily Jackson,2022 Providing a clear and accessible guide to medical law this work contains extracts from a wide variety of academic materials so that students can acquire a good understanding of a range of different perspectives

**Making Commercial Law Through Practice 1830-1970** Ross Cranston,2021-05-27 *Making Commercial Law Through Practice 1830 1970* adds a new dimension to the history of Britain s commerce trade manufacturing and financial services by showing how they have operated in law over the last one hundred and forty years In the main law and lawyers were not the driving force regulation was largely absent and judges tended to accommodate commercial needs so that market actors were able to shape the law through their practices Using legal and historical scholarship the author draws on archival sources previously unexploited for the study of commercial practice and the law s role in it This book will stimulate parallel research in other subject areas of law Modern commercial lawyers will learn a great deal about the current law from the story of its evolution and economic and business historians will see how the world of commerce and trade operated in a legal context

*Dispute Processes* Michael Palmer,Simon Roberts,2020-07-09 This new edition considers a wide range of materials dealing with dispute processes and current debates on civil justice

*The Abortion Act 1967* Sally Sheldon,Gayle Davis,Jane O'Neill,Clare Parker,2022-11-17 The Abortion Act 1967 may be the most contested law in UK history sitting on a fault line between the shifting tectonic plates of a rapidly transforming society While it has survived repeated calls for its reform with its text barely altered for over five decades women s experiences of accessing abortion services under it have evolved considerably Drawing on extensive archival research and interviews this book explores how the Abortion Act was given meaning by a diverse cast of actors including women seeking access to services doctors and service providers campaigners judges lawyers and policy makers By adopting an innovative biographical approach to the law the book shows that the Abortion Act is a living law Using this historically grounded socio legal approach this enlightening book demonstrates how the Abortion Act both shaped and was shaped by a constantly changing society

*Caring for Cultural Heritage* Charlotte Woodhead,2023-11-23 This book explores how cultural heritage and its care are translated in UK law and non law instruments It analyses how communities of care look after cultural heritage because they

care about it These communities include the international and national community national and local governments courts professional bodies institutions such as museums as well as community groups Care refers to the varied ways in which communities engage with cultural heritage to maintain it sustain relationships about it and with it use it and provide access to it with a view to passing it on to future generations The book also assesses how far these nested practices of care assist communities of care in providing respectful empathetic and dialogical care to navigate harm to cultural heritage It will be of interest to scholars of cultural heritage studies across disciplines including law sociology and anthropology as well as policymakers and practitioners in cultural heritage management

Tax and Government in the 21st Century Miranda Stewart, 2022-09-08 A broad accessible evidence based analysis of tax law and how democratic tax states are confronting today's global digital challenges

The Reasonable Person Valentin Jeutner, 2024-05-31 Jeutner argues that the reasonable person is at heart an empathetic perspective taking device by tracing the standard of the reasonable person across time legal fields and countries Beginning with a review of imaginary legal figures in the legal systems of ancient Egypt Greece and Rome the book explains why the common law's reasonable person emerged amidst the British industrialisation under the influence of Scottish Enlightenment thinking Following the figure into colonial courts onto battlefields and into self driving cars the book contends that the reasonable person invites judges jury members and lawyers to take another person's perspective when assessing their own or another person's conduct The perspective of another is taken by means of empathy by feeling what others might feel in a particular situation Thus construed the figure of the reasonable person can help us make more accurate judgments in a diverse world

*Electrified Democracy* Andrew Blick, 2021-07-01 The story of how the UK Parliament came to use the Internet from the 1960s onwards has never been told *Electrified Democracy* places the impact of technology on parliamentary workings in its longer term historical context The author identifies repeating patterns of perception and analysis and cultural tendencies in the perception of inventions dating back over centuries that have reasserted themselves in connection with the parliamentary response to networked computers He uncovers evidence and makes new connections while situating all this within the wider global debates on connections between communication and democracy in the age of the Internet constitutional law and history and law and technology This book will be of interest to a wide readership including policy makers researchers and all those interested in contemporary controversies about the role of the Internet in modern societies

*A Philosophical Introduction to Human Rights* Thomas Mertens, 2020-09-24 While almost everyone has heard of human rights few will have reflected in depth on what human rights are where they originate from and what they mean *A Philosophical Introduction to Human Rights* accessibly written without being superficial addresses these questions and provides a multifaceted introduction to legal philosophy The point of departure is the famous 1948 Universal Declaration of Human Rights which provides a frame for engagement with western legal philosophy Thomas Mertens sketches the philosophical and historical background of the Declaration discusses the ten most important human rights with

the help of key philosophers and ends by reflecting on the relationship between rights and duties The basso continuo of the book is a particular world view derived from Immanuel Kant Unsocial sociability is what characterises humans i e the tension between man s individual and social nature Some human rights emphasize the first others the second aspect The tension between these two aspects plays a fundamental role in how human rights are interpreted and applied     *Jurisdictional Exceptionalisms* Anver M. Emon,Urfan Khaliq,2021-08-12 Examines a complex global legal problem to demonstrate a compelling method for comparative legal cultural and social understanding     **Self, Others and the State** Arlie Loughnan,2019-12-12 An original analysis and in depth historical examination of criminal responsibility in the context of Australian criminal law     **Law's Families** Alison Diduck,2003-07 Examining the diversity of perspectives and approaches in family law scholarship and drawing upon this work this book provides an analysis of recent trends in family law from a socio legal and feminist perspective and questions the nature of the nuclear family     **The Law of Contract** Hugh Collins,2003-07 This volume provides an advanced analysis of the law of contract for undergraduate courses covering the law of contract and the law of obligations
