Hank Johnston

Record Breaking Run Of The Scott Special:

Record Breaking Run of the Scott Special, 1917 *Record Breaking Run of the Scott Special* Frank Newton Holman, 1992 **Record Breaking Run of the Scott Special** Atchison, Topeka, and Santa Fe Railway Company, 1917

Death Valley and the Amargosa Richard E. Lingenfelter, 1988-01-11 This is the history of Death Valley where that bitter stream the Amargosa dies It embraces the whole basin of the Amargosa from the Panamints to the Spring Mountains from the Palmettos to the Avawatz And it spans a century from the earliest recollections and the oldest records to that day in 1933 when much of the valley was finally set aside as a National Monument This is the story of an illusory land of the people it attracted and of the dreams and delusions they pursued the story of the metals in its mountains and the salts in its sinks of its desiccating heat and its revitalizing springs and of all the riches of its scenery and lore the story of Indians and horse thieves lost argonauts and lost mine hunters prospectors and promoters miners and millionaires stockholders and stock sharps homesteaders and hermits writers and tourists But mostly this is the story of the illusions the illusions of a shortcut to the gold diggings that lured the forty niners of inescapable deadliness that hung in the name they left behind of lost bonanzas that grew out of the few nuggets they found of immeasurable riches spread by hopeful prospectors and calculating con men and of impenetrable mysteries concocted by the likes of Scotty These and many lesser illusions are the heart of its history

Railroad Men, 1907 **Scotty's Castle** Robert P. Palazzo, 2017 Scotty's Castle is a study in contrasts much like its setting in Death Valley While the castle is known worldwide and has been visited by hundreds of thousands of tourists many myths persist It is not a castle nor was it owned by Walter E Scott known as Death Valley Scotty But the Spanish style hacienda also known as Death Valley Ranch has always been linked to Scott This book explores the fascinating history of Death Valley Scotty Albert and Bessie Johnson the true owners and builders of the castle and the castle itself from construction to private living quarters to a tourist facility owned and operated by the National Park Service Scotty's Castle Linda W. Greene, 1991 New York Railroad Men, 1907 Death Valley Gold Rush Ted Faye, 2022-10 From the mid 19th century to the 1930s no place in America was more feared or mysterious than the stretch of desert on the California Nevada border known as Death Valley While today Death Valley National Park is seen as a place of natural beauty and scenic wonders there were once rumors of vaporous gases so toxic that birds flying overhead would drop dead instantly One of the first Americans to encounter this dreaded land was William Lewis Manly who left his Wisconsin home for California's 1849 Gold Rush and who heroically saved those lost pioneers who would give Death Valley its name Other pioneers in the early 20th century were Frank Shorty Harris who made Death Valley's biggest gold strike the Hoyt brothers who in 1908 struck it rich in a place called Skidoo and in the 1920s a con man named C C Julian who used the valley's reputation to scam naive investors There was a time when the entire country seemed to be consumed with news and tales of the Death Valley Gold Rush Ted Faye is a documentary filmmaker exhibit curator and historical researcher on stories and people of the Death

Valley region Faye has worked with tourism boards on both the state and local levels to develop materials that tell the stories of their communities He was a historian at US Borax and many images from this book are from the Borax collection at Death Valley National Park History of the Atchison, Topeka and Santa Fe Railway Keith L. Bryant Jr., Fred W. Frailey, 2020-09-01 If you want an interesting look at railroading plus the social financial and political times over 130 years of America consider this well researched and documented book Stan Moore Denver Posse of Westerners Cyrus K Holliday envisioned a railroad that would run from Kansas to the Pacific increasing the commerce and prosperity of the nation With farsighted investors and shrewd management the Atchison Topeka and Santa Fe Railway grew from Holliday s idea into a model of the modern rapid and efficient railroad There were many growing pains early on including rustlers thieves and desperadoes as well as the nineteenth century s economic and climatic hardships The railroad eventually extended from Chicago to San Francisco with substantial holdings in oil fields timber land uranium mines pipelines and real estate This is the first comprehensive history of the iconic Atchison Topeka and Santa Fe Railway from its birth in 1859 to its termination in 1996 This volume discusses the construction and operation of the railway the strategies of its leaders the evolution of its locomotive fleet and its famed passenger service with partner Fred Harvey The vast changes within the nation s railway system led to a merger with the Burlington Northern and the creation of the BNSF Railway An iconic railroad the Santa Fe at its peak operated thirteen thousand miles of routes and served the southwestern region of the nation with the corporate slogan Santa Fe All the Way This new edition covers almost twenty five more years of history including the merger of the Santa Fe and Burlington Northern railroads and new material on labor minorities and women on the carrier along with new and updated maps and photographs **Iron Horses** Walter R. Borneman, 2014-11-18 A masterly account of the origins of the transcontinental railroad Douglas Brinkley by the author of the bestselling *The Admirals* After the completion of the first transcontinental railroad in 1869 the rest of the United States was up for grabs and the race was on The prize a better shorter less snowy route through the American Southwest linking Los Angeles to Chicago In *Iron Horses* Borneman recounts the rivalries contested routes political posturing and business dealings that unfolded as an increasing number of lines pushed their way across the country Borneman brings to life the legendary robber barons behind it all and also captures the herculean efforts required to construct these roads the laborers who did the back breaking work the brakemen who ran atop moving cars the tracklayers crushed and killed by runaway trains From backroom deals in Washington DC to armed robberies of trains in the wild deserts from cattle cars to streamliners and Super Chiefs all the great incidents and innovations of a mighty American era are made vivid in *Iron Horses* **The Explorer's Guide to Death Valley National Park, Fourth Edition** T. Scott Bryan, Betty Tucker Bryan, 2021-02-08 Originally published in 1995 soon after Death Valley National Park became the fifty third park in the US park system *The Explorer s Guide to Death Valley National Park* was the first complete guidebook available for this spectacular area Now in its fourth edition this is still the only book that includes

all aspects of the park Much more than just a guidebook it covers the park s cultural history botany and zoology hiking and biking opportunities and more Information is provided for all of Death Valley s visitors from first time travelers just learning about the area to those who are returning for in depth explorations This new edition features a number of important changes including information on the boundary and wilderness changes that resulted from the Dingell Act of 2019 the reopened Keane Wonder Mine area the devastating flash flooding of Scotty s Castle scenic river designations the Inn and Ranch resorts renovated and now operated as the Oasis at Death Valley as well as new maps and updated color photos With extensive input from National Park Service resource management law enforcement and interpretive personnel as well as a thorough bibliography for suggested reading The Explorer s Guide to Death Valley National Park Fourth Edition is the most up to date accurate and comprehensive guide available for this national treasure

Tales From My Youth Richard L. Mauger, PhD, 2021-03-10 *Tales From My Youth* By Richard L Mauger PhD *Tales From My Youth* is a collection of short stories from author Richard L Mauger s life His tales of his youth revolve around the outdoors and trout fishing As he grew older his life was still dominated by the great outdoors turning geology and the environment into a career His parents sisters and brothers in law are important components to his life story and to the tales within these pages They showed him how to enjoy life have firm beliefs and principles and to have respect and compassion for all Mauger s insightful stories include a wide variety of topics such as history humor pets geology family and personal hindsight after over sixty years of life
