Recordando A Kennedy:

Los democristianos y el proyecto político de «Cuadernos para el diálogo», 1963-1969 PANDO BALLESTEROS, María de la Paz, 2005-03-01 Este trabajo sobre Cuadernos para el Diálogo no agota el estudio de esta riquísima fuente sino que la utiliza para abordar una cuestión mal conocida como es el papel socializador desempeñado por la oposición democristiana en el mesofranquismo y los detalles de su programa o modelo político entre los años 1963 y 1969 en que Cuadernos fue la más significativa y completa aunque no la única tribuna de expresión de los democristianos. La oposición representada por estos en la etapa estudiada no está suficientemente investigada lo que resulta tanto más llamativo cuanto que a la altura de los años 60 los democristianos parecían según las encuestas disponibles una alternativa política plausible a la Dictadura. *Kennedy: His Life and Legacy* Ben Nussbaum, 2014-03-25 Commemorating the fiftieth anniversary of the untimely death of America's most popular president Kennedy His Life during his brief presidency his approval rating of 70.1 was the highest of any post World War II chief executive A handsome young Boston native from one of America's wealthiest and most influential families JFK declared on the day of his inauguration that the country was now a new generation of Americans and citizens responded enthusiastically to the new president's positive outlook charisma and confidence By 1960 the United States of America had emerged as the world's only superpower and JFK as the first president born in the twentieth century represented hope prosperity and strength to the world at large He used the country's new popular medium television to his great advantage appearing in ninety percent of the country's living room as a charming well educated worldly world leader The book presents JFK as the nation's first Hollywood president a celebrity who braced the nation for changes and challenges of the New Frontier encouraging Americans to dream about stars far off planets and a moon that an American would soon be the first to walk upon In Kennedy His Life his younger brother Robert his wife Jacqueline his Vice President Lyndon B Johnson as well as various world leaders and how the devotion of his wife and family helped to shield his political and personal image from disgrace The head of the Kennedy family a self made tycoon and a foreign ambassador Joseph P Kennedy Sr **Investigation of the Assassination of President John F. LBJ and Mexican Americans Julie Leininger Pycior, 2010-07-05 Masterfully researched There is no book like this either in the field of LBJ literature or in the field of Chicano history Mario T García author of *Mexican Americans Leadership Ideology and Identity 1930-1960* As he worked to build his Great Society Lyndon Johnson often harkened back to his teaching days in the segregated Mexican school at Cotulla Texas Recalling the poverty and prejudice that blighted his students' lives Johnson declared It never occurred to me in my fondest dreams that I might have the chance to help the sons and daughters of those students and to help people like them all over this country But now I do have that chance and I'll let you in on a secret I mean to use it This book explores the complex and sometimes contradictory relations between LBJ and Mexican Americans Julie Pycior shows that Johnson's genuine desire to help Mexican Americans and reap the political dividends did not prevent him from allying himself with individuals and groups intent on thwarting Mexican Americans organizing efforts Not surprisingly these actions elicited a wide range of response from grateful loyalty to in some cases outright opposition Mexican Americans' complicated relationship with LBJ influenced both their political
