ministers the appointment of church wardens issues related to indentured servants lists of tithables payment of salaries and other obligations the formation of parish precincts with the names of the families apportioned therein the warding of children and so on In each case these four scarce collections of colonial church records establish the existence of thousands of Virginia inhabitants each of whom is easily found in the index or indexes at the back of the book *Colonial Churches in the Original Colony of Virginia*, 1908 *The 1997 Genealogy Annual* Thomas Jay Kemp, 1999 The Genealogy Annual is a comprehensive bibliography of the year's genealogies handbooks and source materials It is divided into three main sections p liFAMILY HISTORIES licites American and international single and multifamily genealogies listed alphabetically by major surnames included in each book p liGUIDES AND HANDBOOKS liincludes reference and how to books for doing research on specific record groups or areas of the U S or the world p liGENEALOGICAL SOURCES BY STATE liconsists of entries for genealogical data organized alphabetically by state and then by city or county p The Genealogy Annual the core reference book of published local histories and genealogies makes finding the latest information easy Because the information is compiled annually it is always up to date No other book offers as many citations as The Genealogy Annual all works are included You can be assured that fees were not required to be listed **Colonial Churches** William M.
