Hussein Rassool,2025-08-18 Working with Crisis and Trauma from an Isl mic Perspective provides a holistic framework and treatment methods for working with trauma and crises framed within an Isl mic Psychology paradigm This book begins by conceptualising trauma and existing models of understanding treatment and

then places trauma and crises within an Islamic viewpoint. The authors focus on the Qur'an, the Sunnah and Islamic Psychology to rationalise and explain the effects of trauma and how it presents while proposing treatment methods within this context. The final chapter uses case studies to illustrate practical applications and includes coping strategies directly from authentic Islamic sources and the sixth chapter focuses on the legacy of trauma in terms of post-traumatic growth. This book will be essential reading for professionals in the fields of psychology and mental health looking to understand how Islamic Psychology practices can be presented as a treatment intervention for patients experiencing trauma and gain insight into how to incorporate these protocols into their own practice.

Individual and Community Responses to Trauma and Disaster Robert J. Ursano, Brian G. McCaughey, Carol S. Fullerton, 1995-08-24. The aims of this book are twofold: to improve understanding of the human experience of trauma, whether at the level of the individual or the community, and to help those who are its victims. The range of issues covered is impressive, from the biological basis of post-traumatic stress reactions through practical strategies for prevention and treatment to the psychosocial and fictional construction of terror. Wherever possible, the editors have sought to impart understanding, order, and predictability to the experience of trauma and disasters in the belief that the way to recovery is through the mastery of chaotic events. This book will serve and inform clinicians, administrators, and research workers in psychiatry, psychology, public health, and related areas.

Endgame: Envisioning the Devastation and Recovery in a Nuclear War Scenario Pete Lucero, 2025-04-16.
