His confidence and charisma entranced her and she soon recruited two of her college roommates When the psychologist fired his assistant two years later Elizabeth and her mother followed Over the next decade this man a malevolent genius and master of manipulating metaphysical concepts to benefit a self serving agenda organized a small dedicated band of followers The Group evolved into an incestuous family a cult Their brainwashed minds became fused with a distinctive New Age doctrine A coterie of spiritual Navy Seals they scrambled in terror training to survive the inevitable cataclysm one man s divine vision of Armageddon Subsequent to a momentous event in August 1994 with the guru as high priest The Black Dog Religion was born Elizabeth sank into a pit of despair darker than she ever could have imagined was possible From the adolescent gullibility which seduced her astray to the enlightenment which led her to freedom you will travel an incredible journey For anyone who has ever been trapped by a person who would not let them go within this book lies a message of hope
