Recreation For Older Adults Individuals And Group Activities:

Recreation for Older Adults Judith A. Sorg-Elliott, Jerold E. Elliott, 1999 This book has been written for the recreation professional and anyone else who works with older adults in the field of recreation It provides low cost client intensive recreation programming ideas for older adults regardless of the level at which they are able to function Anyone working with people with disabilities may utilize these ideas but they have been designed and tested for use with older adults A majority of the activities in this book are designed for use with clients who must have individual attention from a staff member in order to participate The activities are designed for older adults who may or may not be physically frail but who exhibit many signs of confusion memory loss and or disorientation The authors philosophy evident throughout the book is that any recreational activity can and should benefit the client and even those programs that are designed simply to provide a fun filled afternoon or evening should have a goal and carry equal weight in the overall programming schedule

Working with Older Adults: Group Process and Technique Barbara Haight, Faith Gibson, 2005-03-30 Beginning with an overview of the changing world of aging this book goes on to address practical principles and guidelines for group work

Introduction to Recreation and Leisure Human Kinetics (Organization), 2013 Introduction to Recreation and Leisure Second Edition is a textbook designed for an initial undergraduate course in a recreation and leisure program With its 21st century views of recreation and leisure services it incorporates indicators for future directions in the field and presents international perspectives as well as career opportunities in recreation and leisure A new web resource is included
