Red Feminism

Walter L. Hixson

Red Feminism:

Red Feminism Kate Weigand, 2002-11-07 Drawing on substantial new research Red Feminism traces the development of a distinctive Communist strain of American feminism from its troubled beginnings in the 1930s through its rapid growth in the Congress of American Women during the early years of the Cold War to its culmination in Communist Party circles of the late 1940s and early 1950s The author argues persuasively that despite the devastating effects of anti Communism and Stalinism on the progressive Left of the 1950s Communist feminists such as Susan B Anthony II Betty Millard and Eleanor Flexner managed to sustain many important elements of their work into the 1960s when a new generation took up their cause and built an effective movement for women s liberation Red Feminism provides a more complex view of the history of the modern women s movement showing how key Communist activists came to understand gender sexism and race as central components of culture economics and politics in American society

Red Feminism Kate Weigand, 2021-04-27 The untold history of feminist activism in the American Communist Party from the 1930s 50s and its influence on the women s liberation movement Publishers Weekly Drawing on substantial new research historian and archivist Kate Weigand disproved the conventional wisdom that the American Communist Party disregarded women s issues Weigand argues that despite the devastating effects of anti Communism and Stalinism on the progressive Left of the 1950s Communist feminists such as Susan B Anthony II Betty Millard and Eleanor Flexner managed to sustain many important elements of their work into the 1960s when a new generation took up their cause and built an effective movement for women s liberation Red Feminism provides a more complex view of the history of the modern women s movement showing how key Communist activists came to understand gender sexism and race as central components of culture economics and politics in American society

Red Activists and Black Freedom David Levering Lewis, Michael H. Nash, Daniel J. Leab, 2013-09-13 This book deals with the forgotten history of the civil rights movement The American Left played a significant part in the origins of that movement whose history has traditionally been focused on the later 1940 s and early 1950 s This approach needs serious re thinking in light of what took place in the later 1930 s with the organization and activity of groups like the Southern Negro Youth Congress that brought both African American and white workers and students together in the fight for economic and social justice Thanks to the post World War II Red Scare such groups as well as Left African American leaders like Esther and James Jackson have been overlooked or excised from an exciting controversial and important story With all due credit to the churches which played such a pivotal role in finally winning Blacks their civil rights the early history involving the Left workers of both races and the labor unions must be assimilated into America s memory for there were important continuities between what they did and the later church based struggle This book was published as a special issue of American Communist History

The Red Thread Jacob A. Zumoff, 2021-07-16 Passaic New Jersey The strike begins The communist party and the start of the Passaic strike Bringing Passaic to the labor movement Enter the politicians Repression and class

struggle defense Building relief and solidarity Women the family and the Passaic strike The end of the strike After the strike

Red Pedagogy Sandy Grande,2015-09-28 This ground breaking text explores the intersection between dominant modes of critical educational theory and the socio political landscape of American Indian education Grande asserts that with few exceptions the matters of Indigenous people and Indian education have been either largely ignored or indiscriminately absorbed within critical theories of education Furthermore American Indian scholars and educators have largely resisted engagement with critical educational theory tending to concentrate instead on the production of historical monographs ethnographic studies tribally centered curricula and site based research Such a focus stems from the fact that most American Indian scholars feel compelled to address the socio economic urgencies of their own communities against which engagement in abstract theory appears to be a luxury of the academic elite While the author acknowledges the dire need for practical community based research she maintains that the global encroachment on Indigenous lands resources cultures and communities points to the equally urgent need to develop transcendent theories of decolonization and to build broad based coalitions

Red Scare Racism and Cold War Black Radicalism James Zeigler,2015-08-14 During the early years of the Cold War racial segregation in the American South became an embarrassing liability to the international reputation of the United States For America to present itself as a model of democracy in contrast to the Soviet Union s totalitarianism Jim Crow needed to end While the discourse of anticommunism added the leverage of national security to the moral claims of the civil rights movement the proliferation of Red Scare rhetoric also imposed limits on the socioeconomic changes necessary for real equality Describing the ways anticommunism impaired the struggle for civil rights James Zeigler reconstructs how Red Scare rhetoric during the Cold War assisted the black freedom struggle s demands for equal rights but labeled un American calls for reparations To track the power of this volatile discourse Zeigler investigates how radical black artists and intellectuals managed to answer anticommunism with critiques of Cold War culture Stubbornly addressed to an American public schooled in Red Scare hyperbole black radicalism insisted that antiracist politics require a leftist critique of capitalism Zeigler examines publicity campaigns against Dr Martin Luther King Jr s alleged Communist Party loyalties and the import of the Cold War in his oratory He documents a Central Intelligence Agency sponsored anthology of ex Communist testimonials He takes on the protest essays of Richard Wright and C L R James as well as Frank Marshall Davis s leftist journalism The uncanny return of Red Scare invective in reaction to President Obama s election further substantiates anticommunism s lasting rhetorical power as Zeigler discusses conspiracy theories that claim Davis groomed President Obama to become a secret Communist Long after playing a role in the demise of Jim Crow the Cold War Red Scare still contributes to the persistence of racism in America

Red Chicago Randi Storch,2007 Realities of the street level American Communist experience during the worst years of the Depression

Red Feminism Linn Shapiro,1996

The Red and the Black

David Featherstone,Christian Høgsbjerg,2021-08-10 The Russian Revolution of 1917 was not just a world historical event in

its own right but also struck powerful blows against racism and imperialism and so inspired many black radicals internationally This edited collection explores the implications of the creation of the Soviet Union and the Communist International for black and colonial liberation struggles across the African diaspora It examines the critical intellectual influence of Marxism and Bolshevism on the current of revolutionary black internationalism and analyses how Red October was viewed within the contested articulations of different struggles against racism and colonialism Challenging European centred understandings of the Russian Revolution and the global left *The Red and the Black* offers new insights on the relations between Communism various lefts and anti colonialisms across the Black Atlantic including Garveyism and various other strands of Pan Africanism The volume makes a major and original intellectual contribution by making the relations between the Russian Revolution and the Black Atlantic central to debates on questions relating to racism resistance and social change

The Second Red Scare and the Unmaking of the New Deal Left Landon R.Y. Storrs, 2013 The loyalty investigations triggered by the Red Scare of the 1940s and 1950s marginalised many talented women and men who had entered government service during the Great Depression seeking to promote social democracy as a means to economic reform Their influence over New Deal policymaking and their alliances with progressive labour and consumer movements elicited a powerful reaction from conservatives who accused them of being subversives Landon Storrs draws on newly declassified records of the federal employee loyalty program created in response to fears that Communists were infiltrating the U S government to reveal how disloyalty charges were used to silence these New Dealers and discredit their policies Because loyalty investigators rarely distinguished between Communists and other leftists many noncommunist leftists were forced to leave government or deny their political views Storrs finds that loyalty defendants were more numerous at higher ranks of the civil service than previously thought and that many were women or men with accomplished leftist wives Uncovering a forceful left feminist presence in the New Deal she shows how opponents on the Right exploited popular hostility to powerful women and their effeminate spouses The loyalty program not only destroyed many promising careers it prohibited discussion of social democratic policy ideas in government circles narrowing the scope of political discourse to this day Through a gripping narrative based on remarkable new sources Storrs demonstrates how the Second Red Scare undermined the reform potential of the New Deal and crippled the American welfare state Jacket

Wives, Mothers & the Red Menace Mary Brennan, 2011-05-18 In *Wives Mothers and the Red Menace* Mary Brennan examines conservative women s anti communist activism in the years immediately after World War II Brennan details the actions and experiences of prominent anti communists Jean Kerr McCarthy Margaret Chase Smith Freda Utey Doloris Thauwald Bridges Elizabeth Churchill Brown and Phyllis Stewart Schlafly She describes the Cold War context in which these women functioned and the ways in which women saw communism as a very real danger to domestic security and American families Millions of women Brennan notes expanded their notions of household responsibilities to include the crusade against communism From writing

letters and hosting teas to publishing books and running for political office they campaigned against communism and incidentally discovered the power they had to effect change through activism Brennan reveals how the willingness of these deeply conservative women to leave the domestic sphere and engage publicly in politics evinces the depth of America's postwar fear of communism She further argues that these conservative anti communist women pushed the boundaries of traditional gender roles and challenged assumptions about women as political players by entering political life to publicly promote their ideals *Wives Mothers and the Red Menace* offers a fascinating analysis of gender and politics at a critical point in American history Brennan's work will instigate discussions among historians political scientists and scholars of women's studies

Class in Culture Teresa L. Ebert, Mas'ud Zavarzadeh, 2015-12-03 A gem of a book Its topics are timely and provocative for cultural studies sociology English literary theory and education classes The authors are brilliant thinkers and clear penetrating writers Peter McLaren UCLA author of *Capitalists and Conquerors A Critical Pedagogy Against Empire* *Class in Culture* demonstrates the power of moving beyond cultural politics to a deeper class critique of contemporary life Making a persuasive case for class as the material logic of culture the book is written in a double register of short critiques of life practices from food and education to race stem cell research and abortion as well as sustained critiques of such theoretical discourses as ideology consumption globalization and 9 11 Surpassing the orthodoxies of cultural studies *Class in Culture* makes surprising connections among seemingly unrelated cultural events and practices and offers a groundbreaking and complex understanding of the contemporary world

Radical Housewives Julie Guard, 2019-03-14 *Radical Housewives* is a history of Canada's Housewives Consumers Association This association was a community based women's organization with ties to the communist and social democratic left that from 1937 until the early 1950s led a broadly based popular movement for state control of prices and made other far reaching demands on the state As radical consumer activists the Housewives engaged in gender transgressive political activism that challenged the government to protect consumers interests rather than just those of business while popularizing socialist solutions to the economic crises of the Great Depression and the immediate postwar years Julie Guard's exhaustive research including archival research and interviews with twelve former Housewives recovers a history of women's social justice activism in an era often considered dormant and adds a Canadian dimension to the history of politicized consumerism and of politicized materialism *Radical Housewives* reinterprets the view of postwar Canada as economically prosperous and reveals the left's role in the origins of the food security movement

Red Spy Queen Kathryn S. Olmsted, 2003-11-03 When Elizabeth Bentley slunk into an FBI field office in 1945 she was thinking only of saving herself from NKGB assassins who were hot on her trail She had no idea that she was about to start the greatest Red Scare in U S history Bentley 1908-1963 was a Connecticut Yankee and Vassar graduate who spied for the Soviet Union for seven years She met with dozens of highly placed American agents who worked for the Soviets gathering their secrets and stuffing sensitive documents into her knitting bag But her Soviet spymasters suspected her of

disloyalty and even began plotting to silence her forever To save her own life Bentley decided to betray her friends and comrades to the FBI Her defection effectively shut down Soviet espionage in the United States for years Despite her crucial role in the cultural and political history of the early Cold War Bentley has long been overlooked or underestimated by historians Now new documents from Russian and American archives make it possible to assess the veracity of her allegations This long overdue biography rescues Elizabeth Bentley from obscurity and tells her dramatic life story

A Jewish Feminine Mystique? Hasia Diner, Shira Kohn, Rachel Kranson, 2010-09-10 In *The Feminine Mystique* Jewish raised Betty Friedan struck out against a postwar American culture that pressured women to play the role of subservient housewives However Friedan never acknowledged that many American women refused to retreat from public life during these years Now *A Jewish Feminine Mystique* examines how Jewish women sought opportunities and created images that defied the stereotypes and prescriptive ideology of the feminine mystique As workers with or without pay social justice activists community builders entertainers and businesswomen most Jewish women championed responsibilities outside their homes Jewishness played a role in shaping their choices shattering Friedan's assumptions about how middle class women lived in the postwar years Focusing on ordinary Jewish women as well as prominent figures such as Judy Holliday Jennie Grossinger and Herman Wouk's fictional Marjorie Morningstar leading scholars explore the wide canvas upon which American Jewish women made their mark after the Second World War

The Red and the Black Robert Miklitsch, 2016-12-07 Critical wisdom has it that we said a long goodbye to film noir in the 1950s Robert Miklitsch begs to differ Pursuing leads down the back streets and alleyways of cultural history *The Red and the Black* proposes that the received rise and fall narrative about the genre radically undervalues the formal and thematic complexity of 50s noir and the dynamic segue it effected between the spectacular expressionism of 40s noir and early modernist neo noir Mixing scholarship with a fan's devotion to the crooked roads of critique Miklitsch autopsies marquee films like *D O A Niagara* and *Kiss Me Deadly* plus a number of lesser known classics Throughout he addresses the social and technological factors that dealt deuce after deuce to the genre its celebrated style threatened by new media and technologies such as TV and 3 D color and widescreen its born losers replaced like zombies by All American heroes the nation rocked by the red menace and nightmares of nuclear annihilation But against all odds the author argues inventive filmmakers continued to make formally daring and socially compelling pictures that remain surprisingly startlingly alive Cutting edge and entertaining *The Red and the Black* reconsiders a lost period in the history of American movies

The Women's Rights Movement since 1945 Christina G. Larocco, 2022-11-11 Documenting the history of the American women's rights movement from 1945 through the 2016 election this reference offers a crucial and objective look at the changing strategies goals and challenges of American feminists Many aspects of women's lives in the mid twentieth century including legal subjugation to their husbands limitations in education and employment and restrictions on sexual and reproductive autonomy are unthinkable today Women's lives improved only through the concerted action of

several generations of activists whose work lies at the center of this volume This book traces women s changing relationships to family work education government and sexuality from 1945 through the 2016 election The book begins with an overview essay that places the women s rights movement in its historical context This is followed by a chronology offering concise profiles of key events A series of chapters then discusses the history of the women s rights movement since 1945 and what the movement has accomplished Biographical entries profile key figures involved in the movement and a selection of primary source documents gives first hand accounts of the movement An annotated bibliography directs readers to additional sources of information

Recasting Red Culture in Proletarian Japan Samuel Perry,2014-01-31 Recasting Red Culture turns a critical eye on the influential proletarian cultural movement that flourished in 1920s and 1930s Japan This was a diverse cosmopolitan and highly contested moment in Japanese history when notions of political egalitarianism were being translated into cultural practices specific to the Japanese experience Both a political and historiographical intervention the book offers a fascinating account of the passions and antinomies that animated one of the most admirable intellectual and cultural movements of Japan s twentieth century and argues that proletarian literature cultural workers and institutions fundamentally enrich our understanding of Japanese culture What sustained the proletarian movement s faith in the idea that art and literature were indispensable to the task of revolution How did the movement manage to enlist artists teachers and scientist into its ranks and what sorts of contradictions arose in the merging of working class and bourgeois cultures Recasting Red Culture asks these and other questions as it historicizes proletarian Japan at the intersection of bourgeois aesthetics radical politics and a flourishing modern print culture Drawing parallels with the experiences of European revolutionaries the book vividly details how cultural activists recast forms of modern culture into practices commensurate with the goals of revolution Weaving over a dozen translated fairytales poems and short stories into his narrative Samuel Perry offers a fundamentally new approach to studying revolutionary culture By examining the margins of the proletarian cultural movement Perry effectively redefines its center as he closely reads and historicizes proletarian children s culture avant garde wall fiction and a literature that bears witness to Japan s fraught relationship with its Korean colony Along the way he shows how proletarian culture opened up new critical spaces in the intersections of class popular culture childhood gender and ethnicity

The Many Worlds of American Communism Joshua Morris,2022-09-08 This book explores the multifaceted dimensions that make up the American communist movement from its early years in the 1920s to its peak in the years leading up to World War II The author argues that in order to effectively understand a social movement it is necessary to take an approach that differentiates between the political social and labor oriented motivations taken by the movement s participants By exploring the political community and labor dimensions of American communism the author helps convey the complex nature of social movements and the various ways they attempted to create agency in their society

The Myth of American Diplomacy Walter L. Hixson,2008-10-01 In this major reconceptualization of the history of U S foreign policy

Walter Hixson engages with the entire sweep of that history from its Puritan beginnings to the twenty first century's war on terror. He contends that a mythical national identity which includes the notion of American moral superiority and the duty to protect all of humanity has had remarkable continuity through the centuries repeatedly propelling America into war against an endless series of external enemies. As this myth has supported violence, violence in turn has supported the myth. *The Myth of American Diplomacy* shows the deep connections between American foreign policy and the domestic culture from which it springs. Hixson investigates the national narratives that help to explain ethnic cleansing of Indians, nineteenth century imperial thrusts in Mexico and the Philippines, the two World Wars, the Cold War, the Iraq War, and today's war on terror. He examines the discourses within America that have continuously inspired what he calls our pathologically violent foreign policy. The presumption that as an exceptionally virtuous nation the United States possesses a special right to exert power only encourages violence. Hixson concludes and he suggests some fruitful ways to redirect foreign policy toward a more just and peaceful world.

Red Feminism: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. Red Feminism : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Red Feminism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Red Feminism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Red Feminism has opened up a world of possibilities. Downloading Red Feminism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Red Feminism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Red Feminism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Red Feminism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Red Feminism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Red Feminism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Red Feminism Books

1. Where can I buy Red Feminism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or

software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Red Feminism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Red Feminism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Red Feminism audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
