The Red Man's Continent a Chronicle of Aboriginal America Ellsworth Huntington,2018-08-14

The Red Man s Continent a chronicle of aboriginal America by Ellsworth Huntington Across the twilight lawn at Hampton Institute straggles a group of sturdy young men with copper hued complexions Their day has been devoted to farming carpentry blacksmithing or some other trade Their evening will be given to study Those silent dignified Indians with straight black hair and broad strong features are training their hands and minds in the hope that some day they may stand beside the white man as equals Behind them laughing gayly and chattering as if without a care in the world comes a larger group of kinky haired thick lipped youths with black skins and African features They too have been working with the hands to train the mind Those two diverse races red and black sit down together in a classroom and to them comes another race The faces that were expressionless or merely mirthful a minute ago light up with serious interest as the teacher comes into the room She stands there a slender golden haired blue eyed Anglo Saxon girl just out of college a mere child compared with the score of swarthy stalwart men as old as herself who sit before her Her mobile features seem to mirror a hundred thoughts while their impassive faces are moved by only one Her quick speech almost trips in its eagerness not to waste the short precious hour Only a strong effort holds her back while she waits for the slow answers of the young men whom she drills over and over again in simple problems of arithmetic The class and the teacher are an epitome of American history They are more than that They are an epitome of all history We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our
