

# REGGIE NADELSON

'A *Gorky Park* for the 1990s, as Dashiell Hammett might have done it'

***THE TIMES***

## RED MERCURY BLUES

An Artie Cohen novel

# Red Mercury Blues

**Reggie Nadelson**

## Red Mercury Blues:

Red Mercury Blues Reggie Nadelson, 1997      **Red Mercury Blues (kindle)** Reggie NADELSON, 2010-08-30      **Red mercury blues** Reggie Nadelson, 1999      **Red Mercury Blues** Reggie Nadelson, 2010-08-30 Presenting Artie Cohen Reggie Nadelson's streetsmart good looking New York cop with a supporting cast that includes Artie's glamorous girl Lily Hanes and his gnarly superior Sonny Lippert Russian by birth Artie has a taste for girls and jazz and a secret past In *Red Mercury Blues* he has scarcely returned from a month's leave and thoughts of quitting his job when he becomes involved with a case that drags him painfully back into that past His investigations take him first into the heart of the Brighton Beach Russian mafia and then deeper into the terrifying world of atomic smuggling and the secrets of the lethal but elusive substance known as Red Mercury      *Red Hot Blues* Reggie Nadelson, 1998-02-15 First published in Great Britain by Faber and Faber Limited under the title *Red Mercury blues* T p verso      **US Narratives of Nuclear Terrorism Since 9/11** David Seed, 2019-04-06 This study examines the US fiction and related films which makes a series of interventions in the cultural debate over the threat of nuclear terrorism It traces the beginnings of this anxiety from the 1970s which increased during the 1990s after the collapse of the Soviet Union The traumatic events of 9 11 became a major reference point for this fiction which expressed the fear that of a second and worse 9 11 The study examines narratives of conspiracies which are detected and forestalled and of others which lead to the worst of all outcomes nuclear detonations sometimes delivered by suitcase nukes In some of these narratives the very fate of the nation hangs in the balance in the face of nuclear apocalypse The discussion considers cases of attacks by electromagnetic pulse EMP cyberterrorism and even bioterrorism Some of the authors examined are present or former politicians members of the CIA and former president Bill Clinton      **Red Hook** Reggie Nadelson, 2009-05-26 Several months have passed since the tragedy enacted in *Disturbed Earth* Artie Cohen has just married Maxine and is about to take time out of the city with her when two events pull him back the apparent murder of a friend and the appearance of his former girlfriend Lily their break up never fully resolved Through her great skills as a storyteller and creator of memorable characters Reggie Nadelson weaves a thrilling tale of deception while bringing to ever greater life her protagonist Artie Cohen deeply flawed and deeply human      *Brooklyn Fictions* James Peacock, 2014-11-20 Vast and diverse Brooklyn is often portrayed in literature as a place of traditional community values and face to face relations distinct from anonymous capital driven Manhattan *Brooklyn Fictions* discovers what such representations of the New York borough can teach us about diversity and the individual the local and the global Combining analysis of popular texts such as Sister Souljah's *The Coldest Winter Ever* with more canonical novels such as Jonathan Lethem's *The Fortress of Solitude* this study draws on the work of a variety of theorists on community and globalization and uses Brooklyn as a case study for an exploration of the complex relationship between romantic ideals of community and global economic forces With cities often depicted as sites of conflict and fear this is a crucial contribution to our understanding of the contemporary urban community and the ethical issues

involved in conceptualizing and portraying it in literature      **Hot Poppies** Reggie Nadelson, 2010-08-30 A murder in New York's diamond district a dead Chinese girl with a photograph in her pocket a plastic bag of irradiated heroin lying on the mantelpiece in an empty apartment a fire in a sweatshop in the city's swarming Chinatown the worst blizzard in New York history These events conspire to bring ex cop Artie Cohen out of retirement and back into an obsessive world of murder and politics that nearly killed him Artie's struggles to link them take him from New York his own back yard to Hong Kong site of the last big grab on earth where everything and everyone is for sale      **Skin Trade** Reggie Nadelson, 2010-08-30 Artie Cohen's long time girlfriend Lily Hanes has been found beaten up raped and left for dead in an empty Parisian apartment In the wintry French capital where drugs are sold like fries at Macdonalds and the hookers are trucked in with the vegetables Artie goes after Lily's attackers and finds himself drawn in to a web of sex death and deceit struggling with the all too personal implications of the case as Lily lies in a coma A brilliantly conceived plot moves Artie from Paris through Europe to Vienna and then finally back to his native New York on a roller coaster ride where there is no return ticket      *Clues: A Journal of Detection, Vol. 34, No. 2 (Fall 2016)* Elizabeth Foxwell, 2016-09-20 For over two decades Clues has included the best scholarship on mystery and detective fiction With a combination of academic essays and nonfiction book reviews it covers all aspects of mystery and detective fiction material in print television and movies As the only American scholarly journal on mystery fiction Clues is essential reading for literature and film students and researchers popular culture aficionados librarians and mystery authors fans and critics around the globe      **Bloody London** Reggie Nadelson, 2010-08-30 As New York basks in a fine Indian summer no one notices the feral teenagers in Central Park or the homeless living by the river Certainly no one connects them to the Russian gangsters buying into respectability on the East Side or to the dead Englishman in the swimming pool Thomas Pascoe a super rich elderly investment banker is found gorily murdered on the day he was due to return to London floating in the pool of the most exclusive apartment block in town As head of the co op for the luxury apartments where the residents own the shares Pascoe had his say in who got to live in them and who didn't Could this be a motive for his murder The investigation takes Artie Cohen to London where the gripping plot unfolds with a series of murders an encounter with his longtime girlfriend and a meeting with a figure from the past The momentum of apparently tangential events builds to a trademark thrilling conclusion      **Fresh Kills** Reggie Nadelson, 2009-05-26 One of the best mysteries ever set in New York City the last in an archipelago trilogy following 9 11 by the acclaimed author of *Disturbed Earth* With his wife Maxine out of town Artie Cohen is alone in Manhattan when his nephew Billy Farone is released from the young offenders institution where he has been since he stabbed Heshey Shank to death Artie is the one Billy wants to come home to he's family and he's the only person Billy cares about Artie wants desperately to believe that Billy is OK As a plane crashes on Coney Island bombs go off in London and New York is shaken out of the sense that the bad times have passed Artie begins to wonder Over four days in Manhattan and on Staten Island there are signs that Shank's family wants Billy

locked up for good and that Billy's mother doesn't want him coming home either. The bodies begin to appear and Artie up against a brick wall of his own hope and despair doesn't know what or whom to believe. Reggie Nadelson has created in Artie Cohen one of mystery fiction's most interesting and complex characters: tough, unusually sensitive, deeply flawed and human.

*Disturbed Earth* Reggie Nadelson, 2009-05-26. Winter 2003. Still reeling from 9/11, New York City is hit by the worst blizzard in years. On the verge of making peace with his own turbulent life, Artie Cohen, Reggie Nadelson's Russian-born angst-ridden detective, is called to investigate a pile of blood-soaked children's clothes found on a Brooklyn beach. Artie is reluctantly drawn into a case that involves the death of one child, the strange disappearance of another, and growing anxiety about the fate of his own godson, all against the backdrop of a city already on edge. In his increasingly obsessive search for the missing child, Artie veers from posh parties on the Lower West Side of Manhattan to the remote coastal suburbs of Brooklyn, among the Russian community he thought he had left behind, only to discover truths that will haunt him in more ways than one. Like Sara Paretsky in Chicago and George Pelecanos in Washington D.C., Nadelson, a native New Yorker, captures the character of New York City and its outer boroughs. *Disturbed Earth* is both a riveting thriller and an insightful portrait of a post-9/11 New York. *Detroit Blues*, 1997. **Fingerpicking Acoustic (Songbook)** Hal Leonard Corp., 2003-10-01. Guitar Solo. The arrangements in this book are carefully written for intermediate-level guitarists. Each song combines melody and harmony in one superb fingerpicking arrangement. The book also includes an easy introduction to basic fingerstyle guitar. Songs include: Behind Blue Eyes, Best of My Love, Blowin' in the Wind, The Boxer, Dust in the Wind, Helplessly Hoping, Hey Jude, Learning to Fly, Leaving on a Jet Plane, Tears in Heaven, You've Got a Friend, and more. *Waterstone's Guide to Crime Fiction* Nick Rennison, Richard Shephard, 1997. *Irrwitziges aus der Wissenschaft* Heinrich Zankl, 2012-03-08. Ernst ist das Leben, heiter die Kunst, wie Friedrich Schiller treffend zu formulieren wusste. Aber wie verhält es sich mit der Wissenschaft? Darauf gibt dieser Band eine eindeutige Antwort: Sie kann nicht nur amüsant, sie kann mitunter sogar zum Schreien komisch sein. Das Buch präsentiert Kuriositäten aus verschiedensten Wissensgebieten: skurrile Begebenheiten, unfreiwillig Komisches oder Fakten, die im Laufe der Jahre verdreht und falsch wiedergegeben wurden. Zu den dargebrachten Merkwürdigkeiten zählen unter anderem: Das Phänomen der verschwindenden Teelöffel, Sir Herschels angebliche Mondstudien und die Methode Mittelstress. Aber auch der Haschischkonsum von Schiller und Goethe ist ein Thema des Buches. Die Geschichten und Anekdoten aus Natur und Geisteswissenschaften lassen sich in einem Rutsch oder auch abschnittsweise gleichsam zwischendurch lesen und wollen vor allem eines: ihre Leser, ob Wissenschaftler oder Laien, zum Lachen bringen, denn das Leben ist ernst genug. **The Jewish Quarterly**, 1996. *Catalog of Copyright Entries* Library of Congress, Copyright Office, 1971.
