The Red Sea Terror Triangle Shaul Shay, 2006-09-01 In the aftermath of the terror campaign launched on September 11 2001 the United States declared war against global terror It identified the al Qaida organization and Afghanistan under the Taliban regime as the initial targets of the offensive and Iraq as the next However aside from the countries included by President Bush in the Axis of Evil Iraq Iran and North Korea a triangle of countries in the Red Sea region are also potential targets in the war against terror Sudan Somalia and Yemen This assessment is based on the historical record Each of these countries has in one form or another provided refuge for Islamic terror organizations Sudan Somalia and Yemen are Muslim states situated at the periphery of the heart of Islam which is generally identified as the Arab Peninsula Egypt and the Fertile Crescent This area is of strategic significance to both sides of the vital shipping route that connects the Arabian Sea the Indian Ocean and the Red Sea Osama Bin Laden al Qaida and members of other radical Islamic organizations have found allies and safe havens in both the heart of Islam and its periphery The presence of radical Islamic entities in the region alongside local problems and conflicts rooted in national ethnic and tribal issues has turned the Red Sea countries into a nucleus of instability and dissension one that threatens the security and peace of both neighboring and more distant countries Shay examines the three countries designated as the Red Sea Terror Triangle and explores the ties each maintains with Islamic terror as well as the reciprocal links between them Understanding these countries is of critical importance since all or some of them may constitute a base for Islamic terror organizations in the future This interesting book offers a glimpse into a corner of the world as well as useful insight into the problems with failing states and what is needed to rehabilitate them Christopher E Bailey Military Review Shaul Shay is a research fellow at the International Policy Institute for Counter Terrorism at the Interdisciplinary Center in Herzliya and heads the Israel Defense Forces Department of History Among his books are Terror at the Command of the Imam The Endless Jihad The Shahids and with co author Yoram Schweitzer The Globalization of Terror available from Transaction

The Red Sea Terror Triangle Shaul Shay, 2017-07-28 In the aftermath of the terror campaign launched on September 11 2001 the United States declared war against global terror It identified the al Qaida organization and Afghanistan under the Taliban regime as the initial targets of the offensive and Iraq as the next However aside from the countries included by President Bush in the Axis of Evil Iraq Iran and North Korea a triangle of countries in the Red Sea region are also potential targets in the war against terror Sudan Somalia and Yemen This assessment is based on the historical record Each of these countries has in one form or another provided refuge for Islamic terror organizations Sudan Somalia and Yemen are Muslim states situated at the periphery of the heart of Islam which is generally identified as the Arab Peninsula Egypt and the Fertile Crescent This area is of strategic significance to both sides of the vital shipping route that connects the Arabian Sea the Indian Ocean and the Red Sea Osama Bin Laden al Qaida and members of other radical Islamic organizations have found allies and safe havens in both the heart of Islam and its periphery

The presence of radical Islamic entities in the region alongside local problems and conflicts rooted in national ethnic and tribal issues has turned the Red Sea countries into a nucleus of instability and dissension one that threatens the security and peace of both neighboring and more distant countries Shay examines the three countries designated as the Red Sea Terror Triangle and explores the ties each maintains with Islamic terror as well as the reciprocal links between them Understanding these countries is of critical importance since all or some of them may constitute a base for Islamic terror organizations in the future

Globalizing Somalia Emma Leonard, Gilbert Ramsay, 2013-11-07 This collection of essays demonstrates how chronic state failure and the inability of the international community to provide a solution to the conflict in Somalia has had transnational repercussions Following the failed humanitarian mission in 1992-93 most countries refrained from any direct involvement in Somalia but this changed in the 2000s with the growth of piracy and links to international terrorist organizations The deterritorialization of the conflict quickly became apparent as it became transnational in nature In part because of it lacked a government and was unable to work with the international community Somalia came to be seen as a testing ground by many international actors *Globalizing Somalia* demonstrates how China Japan and the EU among others have all used the conflict in Somalia to project power test the bounds of the national constitution and test their own military capabilities Contributed by international scholars and experts the work examines the impact of globalization on the internal and external dynamics of the conflict arguing that it is no longer geographically contained By bringing together the many actors and issues involved the book fills a gap in the literature as one of the most complete works on the conflict in Somalia to date It will be an essential text to any student interested in Somalia and the horn of Africa as well as in terrorism and conflict processes

Islamic Terror Abductions in the Middle East Shaul Shay, 2007-04-01 Investigates abductions hostage taking beheadings and global jihad influences in four theatres in the Middle East over the last 25 years 1980-2005 Israel Lebanon Yemen and Iraq This work includes discussion of the William Buckley William Higgins and Iran gate abductions

Guide to Islamist Movements Barry M. Rubin, **Somali Piracy and Terrorism in the Horn of Africa** Christopher L. Daniels, 2012-04-05 The first contribution to Global Flashpoints A Scarecrow Press Series Christopher Daniels *Somali Piracy and Terrorism in the Horn of Africa* provides readers with a comprehensive and in depth analysis of the spate of piracy and terrorism plaguing the waters of Somalia and the global threat posed by this activity Contesting the commonly held perception that the piracy and terrorism occurring in Somalia are two separate and unrelated activities Daniels reveals how the collapse of the Somali state and the chaos that has ensued created the environment for piracy and terrorism to flourish in combination He also notes how the failure to restore a functioning central government has allowed both to become dangerous threats not only to the people of Somalia but the entire world Underscoring Somalia's dire state *Somali Piracy and Terrorism in the Horn of Africa* lays out for readers such significant topics as the reasons behind the collapse of the Somali state and the secession of Somaliland Puntland and Jubaland the rise of internationally linked terrorist groups such as Al

Shabaab and Hizbul Islam and the dramatic spike in pirate attacks off the Somali coast Daniels concludes by critiquing the methods that have been used to help alleviate these global security challenges and gives policy recommendations for future consideration Designed to enhance readers grasp of this global flashpoint this volume includes a timeline a glossary of terms biographical entries on key individual and institutional actors in this conflict and selected primary sources It is the ideal introduction to students and scholars of international relations African history and politics terrorism and maritime studies

The Gulf States and the Horn of Africa Robert Mason, Simon Mabon, 2022-01-25 The Gulf States and the Horn of Africa takes a deep dive into the complexities of power projection political rivalry and conflict across the Red Sea and beyond Focusing on the nature of interregional connections between the Gulf and the Horn it explores the multifaceted nature of relations between states and the two increasingly important subregions Bringing together scholars working on and in both regions the book considers strategic competition between Saudi Arabia and Iran and between the UAE and both Qatar and Turkey along with other international engagement such as joint anti piracy operations counterterrorism cooperation security assistance base agreements and economic development Drawing on a range of subject expertise and field research across case study countries the volume adds to the sparse literature on the regional and international politics of the Horn of Africa and Red Sea gleaned specific insights from contemporary reflections across the book This is essential reading for students and researchers interested in the Horn of Africa and the evolving regional geopolitics of the Gulf

Global Jihad and the Tactic of Terror Abduction Shaul Shay, 2014-01-01 In recent decades the taking of hostages has proven to be a particularly effective tactic for Islamic terrorist organizations worldwide including al Qaeda The global jihad movement regards citizens of foreign mainly western countries as prime targets for abduction although in fact local residents have constituted the majority of kidnapping victims This book analyzes Islamic terror abductions over the last 30 years in the Middle East Lebanon Syria Iraq Iran Yemen and Saudi Arabia Asia Afghanistan Pakistan India and the Philippines Africa the Maghreb the Sahel regions and Somalia and in Russia as a part of the Russian Chechen conflict Discussion also focuses on the abduction by Hizballah of Israeli soldiers the Second Lebanon War of 2006 the Mumbai terror attack 2008 the Chechen hostage crisis in Moscow and Beslan 2002 and 2004 the kidnapping of employees of the Algerian In Amenas gas facility by al Qaeda of the Maghreb in January 2013 and the Nairobi Westgate Mall hostage crisis in September 2013 The role of Iran as a state sponsor of terrorism and its patronage of terror organizations that utilize the tactic of abduction to promote Iranian interests in Lebanon and Iraq is highlighted throughout Discussion focuses on the challenges faced by countries whose citizens have been abducted by Islamic terror organizations and their reactions to these challenges and provides theoretical classifications of the phenomenon of terrorism in general and terror abduction in particular

Islamic Terror Avner Falk, 2008-07-30 Independent scholar Falk analyzes the genesis of Islamic terror from many standpoints including religious cultural historical political social economic and above all psychological Drawing on his training as a clinical psychologist Falk's writings

specialize in psychohistory and political psychology Here he examines topics including infantile experience and adult terrorism the meaning of terror terrorists and their mothers narcissistic rage and Islamic terror and whether terrorists are normal people as some scholars claim He also describes the infantile development of terrorist pathology non psychoanalytic theories of terrorism globalization s effect on terrorism and the notion of the clash of civilizations Other topics addressed in this reader friendly analysis include history s first Islamic terrorists and three important cases two recent deadly terrorists and a primary figure in our current war on terror Independent scholar Falk analyzes the genesis of Islamic terror from many standpoints including religious cultural historical political social economic and above all psychological Drawing on his training as a clinical psychologist Falk s writings specialize in psychohistory and political psychology Here he examines topics including infantile experience and adult terrorism the meaning of terror terrorists and their mothers narcissistic rage and Islamic terror and whether terrorists are normal people as some scholars claim He also describes the infantile development of terrorist pathology non psychoanalytic theories of terrorism globalization s effect on terrorism and the notion of the clash of civilizations Examining the emotional structure of traditional Muslim families Falk shows us the Muslim child s ambivalence toward his or her parents ways in which Muslims abuse women and children and the roots of Muslim rage and why all of that plays into the development of future terrorism Other topics addressed in this reader friendly analysis include history s first Islamic terrorists and three important cases two recent deadly terrorists and a primary figure in our current war on terror The central idea throughout the book is that a person s attitude toward terror and terrorism as well as whether he or she becomes a murderous terrorist or even who wages a global war on terror has much to do with that person s own terrifying experiences in infancy and childhood Such terror usually experienced first in the earliest interactions with the mother is symbolically expressed as Falk shows in fairy tales and myths about terrifying witches and female monsters Further terror may be experienced in the relationship with the father and also in various other traumatic ways It is these early terrors when extreme and uncontrollable that most often produce terrorists and wars on terror Falk argues Thus his book focuses on the conscious but also on the irrational and unconscious causes of terrorism

The Red Sea Region between War and Reconciliation Shaul Shay, 2019-08-02 The Red Sea is one of the worlds most important trade routes a theater of power struggle among local regional and global powers Military and political developments continue to impact on the geostrategic landscape of the region in the context of its trade thoroughfare for Europe China Japan and India freedom of navigation is a strategic interest for Egypt and essential for Israels economic ties with Asia Superpower confrontation is inevitable China the US France Japan and Saudi Arabia have military bases in Djibouti US strategy seeks to curb Chinese economic influence and Russian political interference in the region through diplomacy and investment And at the centre of US alliances is the war on terror still prevalent in the Middle East and East Africa Islamic terror groups Al Shabaab in Somalia and Kenya Al Qaeda of the Arab Peninsula in Yemen and the Islamic State in Egypt The civil war in Yemen has

become the arena for Iran and Saudi Arabias struggle for regional hegemony Saudi Arabias Sunni Arab coalition have been fighting Iranian backed Shiite Houthi rebels to a stalemate December 2018 In 2016 Egypt ceded Saudi Arabia the Tiran and Sanafir Islands the narrow sea passages between the Sinai and Arabian peninsulas giving control of the entire length of the Red Sea This and other perceived positive geostrategic developments have to be offset by the nuclearization of the Red Sea basin directed in part by Russian foreign policy and the dangers of multiple country military deployments in the hubs of radical Islam and terrorism potential A stable future for the region cannot be taken for granted And as alliances shift and change so will Israels foreign policy and strategic partnerships have to adjust

Africa and Fortress Europe Belachew Gebrewold, 2016-03-16 The number of African migrants attempting to enter Europe has increased Within Europe North African migrants are being accused of increased involvement in Islamic fundamentalism and terrorist activities after attacks on Madrid and London Such terrorist attacks have become an urgent security concern for the European Union forcing the EU to make migration a security policy This volume examines the extent to which the EU is threatened by patterns of African crisis alongside Africa s peace security and development initiatives The contributors analyze current migration flows from Africa to Europe and the challenges and prospects of a comprehensive EU strategy for Africa Intended for undergraduates graduates and lecturers the volume is ideal for courses that discuss the impact of African political developments on international politics
