Red Geranium:

Haunted Naperville Diane A. Ladley, 2009 Established in 1831 Naperville is one of the oldest settlements in the Greater Chicago area The city's rich and fascinating heritage has been carefully passed down from one proud generation to the next however nowhere has Naperville's ghostly oral tradition and haunted history been preserved until now Most of Naperville's unique legends compiled for the first time ever in these pages arose from accounts of actual historic events and from the lives of notable personages in the city's long history As the tragic events and persons faded from living memory all that might remain of them would be ghost stories whispered by firelight and later by flashlight tucked under a teenager's chin at slumber parties Some eerie legends in these pages have origins that are lost in time and still other hair raising ghost stories included in this work are chilling contemporary firsthand accounts of paranormal encounters within Naperville's sprawling boundaries perhaps from even just down the street

corrosive eye On a recuperative trip in Italy after a car accident reporter and novelist James Compton is witness to the discovery of a murder victim a woman who had been vacationing at the same hotel Lucy Dawson seemed like a gentle old lady and so the motive for her death appeared to be unmeditated assault But when he returns to England and makes a benign inquiry into her background Compton receives a note warning him to leave the past alone a note clearly written on his own typewriter though his apartment shows no sign of a break in Unable to resist pursuing the unfinished story Compton s own investigation reveals a sinister side to Lucy Dawson and a cold blooded conspiracy she may have helped to perpetrate while alive Suddenly Compton finds a dangerous net closing in around him threatening phone calls terrifying invasions of privacy and no way of proving to the police that anyone is responsible but himself In the tradition of Agatha Christie and Patricia Highsmith John Bingham s writing has earned him a place amongst the great suspense writers of the twentieth century With taut compelling prose A Fragment of Fear is a captivating thriller by a master storyteller at the height of his powers
