Red House Kenneth Wishnia, 2014-03-01 First she was a beat cop then she was unemployed. Now Kenneth Wishnia's dynamic Filomena Buscarsela has apprenticed herself to a New York City PI firm to put in the three years necessary to get her own PI license which she needs to earn enough money to support herself and her daughter. Trouble is she often agrees to take on sticky neighborhood cases pro bono like the group of squatters restoring an abandoned building in the neighborhood rather than handle the big bucks clients her bosses would prefer. While helping out her more senior colleagues with her own superior investigative techniques bred from years on the beat, Fil agrees to look into the disappearance of a young immigrant. Then witnessing the arrest of a neighbor on marijuana possession charges that nearly turns into a shoot out with the police, Fil is roped into finding out what went wrong. Trying to balance charity cases like these with bread and butter cases not to mention single motherhood, Fil is quickly in over her head dodging bullish cops, aggressive businessmen, and corrupt landlords in their working class Queens neighborhood. After years of policing and backstreet bloodhounding, Filomena Buscarsela is apprenticing to earn her own private investigator's license. She pours on her Spanish, her clever tricks, and her battle-tested charms to uncover a labyrinth of deceit, racial prejudice, and impenetrable bureaucracy that not only rocks her neighborhood but also threatens the foundation of the big red house that is this PI's America.

Moral Story, Mystery Story And Science Fiction R.M.GANGA PAVANI, 2025-04-01 My book *Moral Story, Mystery Story and Science Fiction* is a collection of four stories. The first story is *The Most Beautiful Hands*. It is about a competition for children conducted by their uncle where a prize would be given for the most beautiful hands. One of the girls went to help an ailing vegetable vendor instead of beautifying her hands. To the astonishment of all, she received the prize. The second story is *The Secret of the Red House*. The Red House was a strange house where no one lived. A salt container came floating when the next-door children asked for salt. Once the sound of music was heard from the house. The third story is *Inhabiting Space*. A family of three children and their parents go on a space voyage. There they meet their grandfather. He says there is no aging in space. At once the family decides to stay in space. Thus they inhabited space. The fourth story is also based on science fiction. Two children with their father travelled in a time machine and reached the Jurassic Age. There they met different kinds of dinosaurs and talked with them. **Red House**
