Greetings with Love, 2003 Pretty Girl Gone David Housewright, 2007-04-01 Rushmore Mac McKenzie has a lot of old girlfriends but only one went on to marry the current governor of the state of Minnesota And only one is calling him with a desperate request to meet in secret First Lady Lindsay Barrett is carrying an anonymous e mail that contains the makings of an ugly rumor about her husband the man about to run for higher office perhaps even the highest office Someone says they have evidence that Jack Barrett killed his high school sweetheart Lindsay says it's an outright lie but the truth lies buried decades in the past in the small town where the governor grew up Of course Mac who's richer than he needs to be and always has plenty of time on his hands is in the business of handling such matters for his friends So he packs up and drives straight into the governor's past with the brilliantly conceived plan to poke around and see if he can stir up a little information He's soon got goons of all sorts poking him back including a nasty little group of political movers and shakers who aren't above kidnapping and murder to protect their interests It's clear that his little plan has stirred up nothing but trouble With no choice but to stick to it he continues shifting through a complex web of interlocking secrets and lies some decades old and some rooted violently in the present day It's up to Mac to sort truth from untruth before a vicious rumor becomes a political nightmare or worse before the outright lie is proved a solid irrefutable fact **The Advertising**
