**Emancipations** Jim Powell,2008-06-24 The Astonishing Story of How Slavery Was Abolished in a Single Century Freeing Over Seven Million Slaves For millennia slavery went unchallenged in principle Then in a remarkable turn of events slavery was eradicated in the span of just one century Greatest Emancipations tells this incredible story focusing on the countries that accounted for the vast majority of slaves in the west Haiti the British Caribbean the United States Cuba and Brazil Author Jim Powell offers surprising insights into the process and tremendous influence that slavery s abolition had on individual societies He reveals that while the eradication of slavery was essential for any free society it wasn t the sole determining factor as some societies that abolished slavery later embraced dictatorships Discover the historical abolition movements and the evolution of democracy that led to the emancipation of over seven million slaves Greatest Emancipations is a compelling look at a pivotal moment in western history exploring the end of slavery and its impact on civil rights equal rights and capitalist developments

*Colonialism* Melvin E. Page,2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism s bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered
