**Stuart J. Foster**

## **Red Scare:**

Red Scare Robert K. Murray, 1955-01-01 Red Scare was first published in 1955 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Few periods in American history have been so dramatic so fraught with mystery or so bristling with fear and hysteria as were the days of the great Red Scare that followed World War I For sheer excitement it would be difficult to find a more absorbing tale than the one told here The famous Palmer raids of that era are still remembered as one of the most fantastic miscarriages of justice ever perpetrated upon the nation The violent labor strife still makes those who lived through it shudder as they recall the Seattle general strike and Boston police strike the great coal and steel strikes and the bomb plots shootings and riots that accompanied these conflicts But exciting as the story may be it has far greater significance than merely that of a lively tale For just as American was swept by a wave of unreasoning fear and was swayed by sensational propaganda in those days so are we being tormented by similar tensions in the present climate of the cold war The objective analysis of the great Red Scare which Mr Murray provides should go a long way toward helping us to avert some of the tragic consequences that the nation suffered a generation ago before hysteria and fear had finally run their course The author traces the roots of the phenomenon relates the outstanding events of the Scare and evaluates the significant effects of the hysteria upon subsequent American life

**Red Scare** Don Carleton, 2014-04-15 A history of Houston during the McCarthy era and the community's response to the fear of communism Winner of the Texas State Historical Association Coral Horton Tullis Memorial Prize for Best Book on Texas History this authoritative study of red baiting in Texas reveals that what began as a coalition against communism became a fierce power struggle between conservative and liberal politics Praise for Red Scare A valuable and sometimes engrossing cautionary tale New York Times Book Review Judicious well written and reliable Red Scare ranks among the top dozen books in the field A splendid book that deserves the attention of everyone interested in the South and civil liberties American Historical Review This outstanding study of the McCarthy era in Houston is not only the definitive work on Scoundrel Time in that city but also present in microcosm a brilliant picture of the phenomenon that blighted the entire nation in the 1950s Publishers Weekly For those who still believe it didn't happen here or couldn't happen again Don Carleton's Red Scare is required reading In fact anyone who wants to understand modern Texas with all its wild contradictions should begin with Carleton's massively detailed book Dallas Morning News A permanently valuable addition to Texas history and to our understanding of the McCarthy period in the country Texas Observer Readers can fully experience the agony and terror of this unimaginably ugly period Red Scare will surely become a standard work on this important subject Southwest Review An important addition to the history of modern Houston and of Texas It is also a fascinating and timely contribution to the subject of extremism in American life Journal of Southern History

**Red Scare: Communists in America** Budd Bailey, 2016-12-15 The first half of the twentieth

century was a murderous period as political ideologies grew into wars that killed tens of millions of people. Fear of Communism sparked a hysteria in the United States that led to two red scares and the rise and fall of McCarthyism. This book looks at the events that created credible concerns about Communism and those that allowed baseless allegations to ruin the lives of innocent Americans. A timeline plots the history of anti-Communist feeling in the United States.

**The Red Scare** Andrew A. Kling, 2011-12-15 A creeping sense of panic and paranoia characterized the Red Scare as millions of Americans began to subscribe to the belief that communists and socialists were infiltrating American institutions. This compelling volume examines the Red Scare from diverse perspectives to facilitate discussions and research of relevant topics regarding this tense period of American history. Chapters examine topics such as the conditions that spawned radical movements, the response to communist activity including blacklists and FBI surveillance initiatives in congress to stamp out threats from the Left, and the downfall and aftermath of the Red Scare.

**Red Scare** Mitchell Newton-Matza, **McCarthyism and the Red Scare** William T. Walker, 2011-03-03 This book is a must read for anyone studying and researching the rise and fall of Senator Joseph R. McCarthy and McCarthyism in American political life. Intolerance in America that targets alleged internal subversives controlled by external agents has a storied history that stretches hundreds of years. While the post-World War II Red Scare and the emergence of McCarthyism during the 1950s is the era commonly associated with American anticommunism, there was also a First Red Scare that occurred in 1919-1920. In both time periods, many Americans feared the radicalism of the left, and some of the most outspoken, like McCarthy, used slander to denounce their political enemies. The result was an atmosphere in which individual rights and liberties were at risk, and hysteria prevailed. McCarthyism and the Red Scare: A Reference Guide tracks the rise and fall of Senator Joe McCarthy and the broad pursuit of domestic Red subversives in the post-World War II years and focuses on how American society responded to real and perceived threats from the left during the first decade of the Cold War.

Red Scare Regin Schmidt, 2000 The anticommunist crusade of the Federal Bureau of Investigation did not start with the Cold War. Based on research in the early files of the FBI's predecessor, the Bureau of Investigation, the author describes how the federal security officials played a decisive role in bringing about the first anticommunist hysteria in the US: the Red Scare in 1919 to 1920. The Bureau's political role; it is argued, originated in the attempt by the modern federal state during the early decades of the 20th century to regulate and control any organized opposition to the political, economic, and social order.

Little 'Red Scares' Robert Justin Goldstein, 2016-05-13 Anti-communism has long been a potent force in American politics, capable of gripping both government and popular attention. Nowhere is this more evident than in the two great red scares of 1919-20 and 1946-54, the latter generally (if somewhat inaccurately) termed McCarthyism. The interlude between these two major scares has tended to garner less attention, but as this volume makes clear, the lingering effects of 1919-20 and the gathering storm clouds of McCarthyism were clearly visible throughout the 20s and 30s, even if in a more low-key way. Indeed, the period between the two great red scares was marked by

frequent instances of political repression often justified on anti communist grounds at local state and federal levels Yet these events have been curiously neglected in the history of American political repression and anti communism perhaps because much of the material deals with events scattered in time and space which never reached the intensity of the two great scares By focusing on this twenty five year interim period the essays in this collection bridge the gap between the two high profile red scares thus offering a much more contextualised and fluid narrative for American anti communism In so doing the rationale and motivations for the red scares can be seen as part of an evolving political landscape rather than as isolated bouts of hysteria exploding onto and then vanishing from the political scene Instead a much more nuanced appreciation of the conflicting interests and fears of government politicians organised labour free speech advocates employers and the press is offered which will be of interest to anyone wishing to better understand the political history of modern America

*The Great Red Scare* R. Conrad Stein,1998 Examines America s fear of Communist subversion during the late 1940 s and early 1950 s and the exploitation of this fear by Senator Joseph McCarthy

**McCarthy's Americans** M. J. Heale,1998 Was the communist witch hunt unleashed by Senator Joe McCarthy an aberration or has red scare politics been an intrinsic part of American political life since the 1930s Was McCarthyism a populist or an elitist phenomenon Was Senator McCarthy virtually irrelevant to the phenomenon McCarthy s Americans shows that some of the contending interpretations of McCarthyism are mutually compatible and reveals the importance of pressures usually overlooked M J Heale s deeply probing study of McCarthy s hinterland in the American states demonstrates that what is usually called McCarthyism was part of a political cycle that emerged in the 1930s and took two decades to run its course Heale also argues that much of the red scare dynamic came from the big cities and the white South It was here that a range of interests exhibiting a fundamentalist fury with the changing times that the political order had fashioned during the New Deal years rested on fragile foundations Defying the consensus liberalism of the 1950s McCarthy and more important the many little McCarthys in the states kept alive a brand of right wing politics preparing the way for George Wallace in the 1960s and the revitalized conservatism of Richard Nixon in the 1970s and Ronald Reagan in the 1980s

*The Cold War at Home* Philip Jenkins,1999 One of the most significant industrial states in the country with a powerful radical tradition Pennsylvania was by the early 1950s the scene of some of the fiercest anti Communist activism in the United States Philip Jenkins examines the political an

**The so-called 'Red Scare' as McCarthyism** Patricia Schneider,2014-08-02 Essay from the year 2010 in the subject Didactics for the subject English Applied Geography grade 1-3 University of Ulster language English abstract February 9 1950 Wheeling West Virginia Joseph R McCarthy senator of Wisconsin gives a speech at a meeting of the Republican Women s Club claiming that he owns a list of 205 names of members of the Communist party who are employed in the State Department Although the number of the names changes with the place where the speech is given the press is electrified by his claims and the senator soon personifies American anti Communism In order to explain the circumstances under which it was possible to persecute

and harass American citizens in the way McCarthy did after his speech had been successful a closer look at the decades previous to McCarthy's appearance is necessary Therefore this essay will first focus on the Red Scare of 1919-20 since it can serve both as an analogy and a legacy for the events to come Afterwards the little red scare of the thirties will be examined since anti-Communist sentiments aroused again under Franklin D. Roosevelt's New Deal programme During the little red scare anti-Communism was rather a domestic issue Therefore it could easily be ended by the 2nd World War since foreign affairs dominated American politics then However the following section will focus on the aftermath of the 2nd World War since several events in America's foreign policy transferred the anti-Communist sentiments to being international concerns Thus the years directly preceding McCarthy's speech will be examined in detail Particular attention will be paid to McCarthy himself and the reasons for his success Finally the essay will conclude by answering the question whether or not it is accurate to describe the so-called Red Scare as McCarthyism

Red Scare Michael Davis, AI, 2025-03-21 Red Scare explores the intense period of anti-communism in the United States examining how a nation founded on freedom became gripped by fear The book delves into the rise of McCarthyism the policies implemented to combat perceived communist threats and their enduring impact on American life It reveals how fear was weaponized in political arenas leading to the suppression of individual rights in the name of national security A key insight is how the Red Scare fueled by genuine security concerns and political opportunism significantly infringed upon civil liberties and stifled dissent The book's structure provides a clear narrative starting with the historical context and ideological underpinnings of communism and anti-communism It progresses by detailing McCarthy's tactics and the impact of his accusations analyzing legislative actions like the Smith Act and assessing the Red Scare's lasting legacy on political discourse By drawing upon government documents congressional records and personal papers Red Scare adopts a balanced approach to provide a comprehensive understanding of this pivotal period in American history

*Red Scare: Communists in America* Budd Bailey, 2016-12-15 The first half of the twentieth century was a murderous period as political ideologies grew into wars that killed tens of millions of people Fear of Communism sparked a hysteria in the United States that led to two red scares and the rise and fall of McCarthyism This book looks at the events that created credible concerns about Communism and those that allowed baseless allegations to ruin the lives of innocent Americans A timeline plots the history of anti-Communist feeling in the United States

**Why are Nations Afraid of Red? The Red Scare - History Book of Facts | Children's History** Baby Professor, 2017-12-01 You know red as a color so why were nations afraid of it several years ago Well this book will provide the historic background of the reason why As you will discover in the pages the Red Scare actually pertained to the widespread fear of the possible rise of radical leftism communism and anarchism Know the facts before you react Grab a copy today

American Anti-Communism M. J. Heale, 1990-10 In *American Anticommunism* Heale examines the various forms American reactions to this perceived threat have taken from the attacks on workers in the Haymarket Riot to the widespread witch hunts of Senator Joe McCarthy

**The Red Scare: Roots and Hysteria** Pasquale De Marco, 2025-07-25 The Red Scare was a period of anti communist hysteria in the United States that began in the early 20th century and reached its peak during the Cold War This book examines the origins impact and legacy of the Red Scare shedding light on one of the darkest chapters in American history The Red Scare was fueled by a variety of factors including the Cold War rivalry between the United States and the Soviet Union the rise of communist movements in other parts of the world and the perceived threat of espionage and sabotage It led to the creation of loyalty oaths security screenings and other measures designed to root out communists and their sympathizers It also resulted in the blacklisting of individuals and organizations suspected of communist ties The most notorious example of the Red Scare was the McCarthy hearings which were conducted by Senator Joseph McCarthy in the early 1950s McCarthy made unsubstantiated accusations of communist infiltration at all levels of American society including the government the military and the entertainment industry His hearings led to the destruction of many lives and careers The Red Scare eventually subsided in the late 1950s but its legacy continues to resonate today The fear of communism and the measures taken to combat it left a lasting impact on American democracy and civil liberties This book provides a comprehensive overview of the Red Scare drawing on a wide range of sources including government documents congressional hearings and personal accounts It is a valuable resource for anyone interested in American history the Cold War or the history of civil liberties If you like this book write a review

**Red Scare** Clay Risen, 2025-03-18 From an award winning historian and New York Times reporter comes the timely story about McCarthyism that both lays out the many mechanisms of repression that made the Red Scare possible and describes how something that once seemed so terrifying and interminable did in fact come to an end The New Yorker based in part on newly declassified sources Now for the first time in a generation Clay Risen delivers a narrative history of the anti Communist witch hunt that gripped America in the decade following World War II This period known as the Red Scare was an outgrowth of the conflict between social conservatives and New Deal progressives and the terrifying onset of the Cold War Marked by an unprecedented degree of political hysteria this was a defining moment in American history completely unlike any that preceded it Drawing upon newly declassified documents and with scenes are so vivid that you can almost feel yourself sweating along with the witnesses The New York Times Book Review journalist Clay Risen recounts how politicians like Joseph McCarthy with the help of an extended network of other government officials and organizations systematically ruined thousands of lives in their deluded pursuit of alleged Communist conspiracies Beginning with the origins of the era after WWI through to its conclusion in 1957 Risen brings to life the politics patriotism courage and delirium of those years Red Scare takes us beyond the familiar story of McCarthyism and the Hollywood blacklists and toward a fuller understanding of what the country went through at a time of moral questioning and perceived threat from the Left and what we were capable of doing to each other as a result Thorough impassioned detailed and tension packed Los Angeles Times Red Scare reveals an all too familiar pattern of illiberal conspiracy mongering

and political and cultural backlash that speaks directly to the antagonism and divisiveness of our contemporary moment

**Living Through the Red Scare** Derek C. Maus, 2006 Provides a history of the American anticommunist hysteria fueled by the Russian Revolution of 1917 as well as by the Cold War during the McCarthy era      **Red Alert!** Stuart J. Foster, 2000 Typically referred to as the red scare or McCarthy era the period from 1947 to 1954 proved particularly exacting for educators in America's public schools Red Alert details the profound impact that the red scare had on educational policy and practice as well as examines professional educators cautious response to anti communist repression In particular Red Alert focuses on the work of the National Education Association's Defense Commission and its singular and often fruitless efforts to thwart red scare attack

### **Red Scare Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Red Scare has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Red Scare has opened up a world of possibilities. Downloading Red Scare provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Red Scare has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Red Scare. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Red Scare. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Red Scare, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Red Scare has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Red Scare Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Red Scare is one of the best book in our library for free trial. We provide copy of Red Scare in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Red Scare. Where to download Red Scare online for free? Are you looking for Red Scare PDF? This is definitely going to save you time and cash in something you should think about.
