authorities and monitoring anti Bolshevik movements throughout the Soviet Union is now fully accessible Through Poole s perspective a key figure in U S Soviet relations this book sheds new light on the Russian Revolution and World War I

Spies and Commissars Robert Service,2012-05-08 The early years of Bolshevik rule were marked by dynamic interaction between Russia and the West These years of civil war in Russia were years when the West strove to understand the new communist regime while also seeking to undermine it Meanwhile the Bolsheviks tried to spread their revolution across Europe at the same time they were seeking trade agreements that might revive their collapsing economy This book tells the story of these complex interactions in detail revealing that revolutionary Russia was shaped not only by Lenin and Trotsky but by an extraordinary miscellany of people spies and commissars certainly but also diplomats reporters and dissidents as well as intellectuals opportunistic businessmen and casual travelers This is the story of these characters everyone from the ineffectual but perfectly positioned Somerset Maugham to vain writers and revolutionary sympathizers whose love affairs were as dangerous as their politics Through this sharply observed expos e of conflicting loyalties we get a very vivid sense of how diverse the shades of Western and Eastern political opinion were during these years Russia Leaves the War. Vol. 1 of Soviet-American Relations George Frost Kennan,2014-07-14 This absorbing volume explores the complexities of the Soviet American relationship between the November Revolution of 1917 and Russia s final departure in March 1918 from the ranks of the warring powers Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

When the United States Invaded Russia Carl J. Richard,2013 One of the earliest U S counterinsurgency campaigns outside the Western Hemisphere the Siberian intervention was a harbinger of policies to come At the height of World War I President Woodrow Wilson dispatched thousands of American soldiers to Siberia and continued the intervention for a year and a half after the armistice in order to overthrow the Bolsheviks and to prevent the Japanese from absorbing eastern Siberia Its tragic legacy can be found in the seeds of World War II and in the Cold War The War of 1898, and U.S. Interventions, 1898-1934 Benjamin R. Beede,1994 A fascinating encyclopedic survey of the Spanish Cuban American War the Philippine War and the small wars between 1899 and the end of the occupation of Haiti in 1934 The name changes themselves are instructive The usage of Spanish American War ignores the fact that the war in Cuba had been largely won by the Cuban revolutionaries before US intervention hence the new title Spanish Cuban American War The use of Philippine Insurrection is replaced by Philippine War since the Philippine forces had taken much of the islands from Spain before US ground forces arrived And guerillas or revolutionaries have replaced bandits the term used by the US to discredit

oppositional forces Annotation copyright by Book News Inc Portland OR *Historical Dictionary of the Russian Civil Wars, 1916-1926* Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The *Historical Dictionary of the Russian Civil Wars 1916 1926* covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War *Russia and Eastern Europe, 1789-1985* Raymond Pearson, 1989
