Russian Peasant Women:

Russian Peasant Women Beatrice Farnsworth, Lynne Viola, 1992 Bringing together recent scholarship on Russian peasant women's history from the nineteenth and twentieth centuries this book covers such topics as family life in the countryside woman's work her sexuality her marital and family positions her experience of the Bolshevik Revolution and her role in collectivization of agriculture from its onset in the Stalin years through the Gorbachev era Placing the peasant woman within the context of the peasant household and integrating rather than separating out the female experience in Russian rural society these essays contribute to a greater understanding of the development of Russian peasant society as a whole A pioneering work of social history this collection is essential for all interested in Russian and women's history *Russian Peasant Women Who Refused to Marry* John Bushnell, 2017-10-09 John Bushnell's analysis of previously unstudied church records and provincial archives reveals surprising marriage patterns in Russian peasant villages in the 18th and 19th centuries For some villages the rate of unmarried women reached as high as 70 percent The religious group most closely identified with female peasant marriage aversion was the Old Believer Spasovite covenant and Bushnell argues that some of these women might have had more agency in the decision to marry than more common peasant tradition ordinarily allowed Bushnell explores the cataclysmic social and economic impacts these decisions had on the villages sometimes dragging entire households into poverty and ultimate dissolution In this act of defiance this group of socially politically and economically subordinated peasants went beyond traditional acts of resistance and reaction **Russian Peasant Women who Refused to Marry** John Bushnell, 2017 *Women in Nineteenth-Century Russia* Wendy Rosslyn, Alessandra Tosi, 2012 This collection of essays examines the lives of women across Russia from wealthy noblewomen in St Petersburg to desperately poor peasants in Siberia discussing their interaction with the Church and the law and their rich contribution to music art literature and theatre It shows how women struggled for greater autonomy and both individually and collectively developed a dynamic presence in Russia's culture and society Publisher's description **The Responses of Russian Peasant Women to the Collectivization of Agriculture** Siu-ha Wang, 2004 *Russian and West European Women, 1860-1939* Marcelline J. Hutton, 2001 This ambitious study provides a sweeping overview of the position of women in England France Germany and Russia USSR from 1860-1939 The book illustrates their struggles to realize their dreams and their resourcefulness in coping with often dreary hard even horrifying lives Deftly combining statistical data to underscore collective experiences and belles lettres to highlight the texture of individual women's lives the book assesses the significance of gender class nationality and religion This richly researched work traces common patterns and unique experiences in women's lives by showing how they defined themselves coped with daily life and confronted disaster with courage and resourcefulness **The World of the Russian Peasant** Ben Eklof, Stephen P. Frank, 2023-10-13 First published in 1990 The World of the Russian Peasant is designed to provide a wide ranging survey of new developments in Russian peasant studies Editors Eklof and Frank paint a

broad picture of what life was like for the vast majority of Russia's population before 1917. Individual authors treat the intricacies of the village community and peasant commune social structure, the everyday life and labour of peasant women, the impact of migration, the spread of education and peasant art, religion, justice and politics. The result is a portrait of a people greatly influenced by rapid and radical changes in the world yet seeking to maintain control over their lives and their communities. This is a must read for students of Russian history, Russian peasantry and rural sociology.

Women in Russian History Natalia Pushkareva, 2016-09-16. As the first survey of the history of women in Russia to be published in any language, this book is itself an historic event, the result of the collaboration of the leading Russian and American specialists on Russian women's history. The book is divided into four chronological parts corresponding to eras of Russian history: I Kievan Mongol 10th-15th centuries, II Muscovite 16th-17th centuries, III 18th century, and IV 19th-early 20th centuries. Each part gives coverage to four main topics: 1. The role of prominent women in public life with biographical sketches of women who attained prominence in political or cultural life; 2. Women's daily life and family roles; 3. Women's status under the law; 4. Material culture and in particular women's dress as an expression of their place in society.

Russian Peasant Bride Theft John Bushnell, 2021-03-15. This book explores the history of Russian peasant bride theft, abduction, capture from the adoption of Christianity in Kievan Rus in the late tenth century to the very early twentieth century. It argues that bride theft in eighteenth and nineteenth century Russia was practised in large part by but not exclusively by Old Believers, the schismatics who rejected the Church reforms of the mid-seventeenth century and shunned contact with the Orthodox Church, and that the point of bride theft where the bride was often a willing party, often married secretly at night by an Orthodox priest acting illegally, was to absolve the bride and her parents of the responsibility for engaging in a formal Orthodox ritual which Old Believers regarded as sinful. The book also considers how bride theft originated much earlier in Russia and was a continuing tradition in some places and how all this fitted into the Russian peasant economy. Throughout the book provides rich details of particular bride theft cases of Russian peasant life and of Russian folklore in particular, bridal laments.

Russian Peasants Go to Court Jane Burbank, 2004-09-16. Will challenge and should transform existing interpretations of late Imperial Russian governance, peasant studies and Russian legal history. Cathy A. Frierson: a major contribution to our understanding both of the dynamic of change within the peasantry and of legal development in late Imperial Russia. William G. Wagner: *Russian Peasants Go to Court* brings into focus the legal practice of Russian peasants in the township courts of the Russian empire from 1905 through 1917. Contrary to prevailing conceptions of peasants as backward, drunken and ignorant and as mistrustful of the state, Jane Burbank's study of court records reveals engaged rural citizens who valued order in their communities and made use of state courts to seek justice and to enforce and protect order. Through narrative studies of individual cases and statistical analysis of a large body of court records, Burbank demonstrates that Russian peasants made effective use of legal opportunities to settle disputes over economic resources, to assert personal dignity and to address the

bane of small crimes in their communities The text is enhanced by contemporary photographs and lively accounts of individual court cases

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes

The Russian Peasantry 1600-1930 David Moon, 2014-07-16 This impressive work set to become the standard history on the subject offers a definitive survey of peasant society in Russia from the consolidation of serfdom and tsarist autocracy in the 17th century through to the destruction of the peasant's traditional world under Stalin Over three quarters of Russian society were peasants in these years and David Moon explores all aspects of their life xxx including the rural economy peasant households village communities xxx and their political role including protest against the landowning elites In the process he presents a fresh perspective on the history of Russia itself A big book in every way xxx and compellingly readable

Remarkable Russian Women in Pictures, Prose and Poetry Marcelline Hutton, 2013 Many Russian women of the late 19th and early 20th centuries tried to find authentic religious marital professional and political experiences Some very remarkable ones found these things in varying degrees while others sought unsuccessfully but no less desperately to transcend the generations old restrictions imposed by church state village class and gender Like a Slavic Downton Abbey this book tells the stories not just of their outward lives but of their hearts and minds their voices and dreams their amazing accomplishments against overwhelming odds and their roles as feminists and avant gardists in shaping modern Russia and indeed the twentieth century in the West In their own words and images and each in their own unique way these remarkable Russian women construct a fascinating tapestry of a culture at the crossroads of modernity and on the brink of catastrophe

Russian Factory Women Rose L. Glickman, 1984 A Sophisticated detailed account of the lives of Russian factory women during the formative years of Russian industrial capitalism Glickman examines the interaction of class and gender that shaped the lives of women during this period of great often tumultuous social political and economic change Following women from the countryside into Russia's workshops and factories and describing their daily lives at work in the family and in society the author suggests that women's habits aspirations and expectations were scarcely altered in the transition from agrarian to industrial life Back cover

Women and Russian Culture

Rosalind Marsh, 1998-11-01 The image of women in Russian culture has undergone profound changes from the origins of modern Russian literature in the eighteenth century until the Revolution of 1917 when women were a source of fascination for Russian writers to the socialist realism period during which public discussion of the representation of women in literature rapidly declined and the woman question was declared to have been resolved to a reappraisal of the position of women since the 1980s This collection of essays by leading western and Russian specialists contains new insights and updates previous research into the role of women in Russian culture in the last two centuries and contributes to two exciting and growing research areas the feminist critique of work by Russian male authors and the study of Russian women writers Moreover whereas most previous studies have concentrated on the aesthetic qualities of works by women writers this collection includes both close textual analysis and the discussion of biographical historical and political questions relating both to the representation of women and women s culture The aim is not to present a unified manifesto but rather to bring together a spectrum of approaches and positions within their common focus on the relationship between women and culture in Russia Contributors R Marsh A Barker J Andrew D Greene I Kazakova C Schuler S Graham K Hodgson N Kolchevska N Cornwell J Curtis M Katz M Ledkovsky P I Barta A Darmodekhina D Gillespie N Zhuravkina B Lanin S Carsten A Tait **Marriage, Household and Home in Modern Russia** Barbara Alpern Engel, 2021-08-12 Barbara Alpern Engel s *Marriage Household and Home in Modern Russia* is the first book to explore the intricacies of domestic life in Russia across the modern period Surveying the period from 1700 right up to the present day the book explores the marital and domestic arrangements of Russians at multiple levels of society and the impact of broader historical developments including war and revolution upon them It also traces the evolution of marriage household and home as institutions over three centuries whilst also highlighting the inter relationship between public policy and private life in what is a wholly original historical assessment of domesticity in modern Russia In the process the author expertly synthesizes the key works arguments and discussions in the field mapping out the historiographical landscape of this compelling aspect of Russian social history *Marriage Household and Home in Modern Russia* is crucial reading for any student or scholar of modern Russian history *Mobilizing Soviet Peasants* Mary Buckley, 2006-04-27 Exploring the story of rural shock work and Stakhanovism in the Soviet countryside in the late 1930s this book tries to contextualise Stakhanovism considering historical context changing party priorities propaganda the press the nature of farm leaderships shortages peasant attitudes gender purges and local organisations Russian Peasant Women's Resistance Against the State During the Antireligious Campaigns of 1928-1932 Callie Anne Millier, 2016 This study seeks to explore the role of peasant women in resistance to the antireligious campaigns during collectivization and analyze how the interplay of the state and resisters formed a new culture of religion in the countryside I argue that while the state s succeeded in controlling most of the public sphere peasant women engaging in subversive activities and exploiting the state s ideology succeeded in preserving a strong peasant adherence to religion prior to World War II It was peasant women

s determination and adaptation that thwarted the party's goal of nation-wide atheism The Russian Revolution, 1905-1921
Mark D. Steinberg, 2017 A new history of the Russian Revolution exploring how people experienced it in their own lives from
Bloody Sunday in 1905 to the final shots of the civil war in 1921 The Russian Revolution 1905-1921 focuses on human
experience to address key issues of inequality, power and violence and ideas of justice and freedom **Dostoevsky's**
