Russian Thinkers

Andrei P. Tsygankov

Russian Thinkers:

Russian Thinkers Isaiah Berlin, 2013-03-07 Few if any English language critics have written as perceptively as Isaiah Berlin about Russian thought and culture Russian Thinkers is his unique meditation on the impact that Russia's outstanding writers and philosophers had on its culture In addition to Tolstoy's philosophy of history which he addresses in his most famous essay The Hedgehog and the Fox Berlin considers the social and political circumstances that produced such men as Herzen Bakunin Turgenev Belinsky and others of the Russian intelligentsia who made up as Berlin describes the largest single Russian contribution to social change in the world Anton Chekhov Through the Eyes of Russian Thinkers Olga Tabachnikova, 2012 The collection is comprised of twelve scholarly essays written by leading Chekhov specialists from around the world each analysing an interpretation of Chekhov by one of three Russian thinkers of the Silver Age of Russian culture Vasilii Rozanov Dmitrii Merezhkovskii and Lev Shestov It thus examines the hitherto under researched relationship between the origins and the results of the cultural phase that came to be known as the Silver Age and focuses specifically on the complex connections between Chekhov's legacy and the Russian culture of that period **Russian Thinkers** Sir Isaiah Berlin, 2003 Russian Thinkers Andrei Vladimirovich Anikin, 1988 **Toward Another Shore** Aileen Kelly, Reader in the Department of Slavonic Studies Aileen M Kelly, 1998-01-01 In this thought provoking book an internationally acclaimed scholar writes about the passion for ideology among nineteenth and twentieth century Russian intellectuals and about the development of sophisticated critiques of ideology by a continuing minority of Russian thinkers inspired by libertarian humanism Aileen Kelly sets the conflict between utopian and anti utopian traditions in Russian thought within the context of the shift in European thought away from faith in universal systems and grand narratives of progress toward an acceptance of the role of chance and contingency in nature and history In the current age as we face the dilemma of how to prevent the erosion of faith in absolutes and final solutions from ending in moral nihilism we have much to learn from the struggles failures and insights of Russian thinkers Kelly says Her essays some of them tours de force that have appeared before as well as substantial new studies of Turgenev Herzen and the Signposts debate illuminate the insights of Russian intellectuals into the social and political consequences of ideas of such seminal Western thinkers as Schopenhauer Nietzsche and Darwin Russian Literature and Thought Series **William James in Russian Culture** Joan Delaney Grossman, Ruth Rischin, 2003-01-01 Editors Joan Grossman and Ruth Rischin pose to their contributors an intriguing question What happens when the ideas of a thinker like William James who despite his originality was deeply rooted in American traditions are refracted through a culture that draws on a heritage profoundly different from his own Including studies of reception and interpretation of James's major works and analyses of the impact of his own philosophy on certain Russian writers and thinkers William James in Russian Culture reveals striking parallels among and divergences between the intellectual and the spiritual realms **Russian Modernization** Markku Kivinen, Brendan G. Humphreys, 2020-11-29 Building on an original

interpretation of social theory and an interdisciplinary approach this book creates a new paradigm in the Russian studies Taking a fresh view of Russia's multiple experiences of modernization it seeks to explain the Putin era in a completely new way This book explores the paradoxical and contradictory aspects of Russia analyzing the energy dependent economy and hybrid political regime but also religion welfare and culture and their often complex interrelations Written by a community of both Western and Russian scholars this book reaffirms the value of social science when confronting a society that has undergone enormous and costly systematic changes The Russian elites see modernization narrowly as economic and technological competitiveness The contributors to this volume see contemporary Russia facing a series of antinomies which are macro level dilemmas that cannot be abolished either by philosophical mediation or by immediate political decisions As such they are the tension fields that constitute choices for various competing agencies This book will be of interest to scholars and students of Russian studies transition studies sociology social policy political science energy policy cultural studies and stratification studies Professionals involved in energy ecology and security policy will also find this publication a rich source

Russian Thought After Communism: The Rediscovery of a Philosophical Heritage James P. Scanlan, 2016-09-16

An examination of Russia's philosophical heritage It extends from the Slavophiles to the philosophers of the Silver Age from emigre religious thinkers to Losev and Bakhtin and assesses the meaning for Russian culture as a whole

History Russian Philosophy V1 V. Zenkovsky, 2014-07-10 This Volume I of a History of Russian Philosophy originally published in 1953 based on the authors lectures to the Theological Institute in Paris They also explore Russian philosophic thought and how they relate to the theoretical constructions of Russian life

The "Russian Idea" in International Relations Andrei P. Tsygankov, 2023-06-16 The Russian Idea in International Relations identifies different approaches within Russian Civilizational tradition Russia's nationally distinctive way of thinking by situating them within IR literature and connecting them to practices of the country's international relations Civilizational ideas in IR theory express states cultural identification and stress religious traditions social customs and economic and political values This book defines Russian civilizational ideas by two criteria the values they stress and their global ambitions The author identifies leading voices among those positioning Russia as an exceptional and globally significant system of values and traces their arguments across several centuries of the country's development In addition the author explains how and why Russian civilizational ideas rise fall and are replaced by alternative ideas The book identifies three schools of Russian civilizational thinking about international relations Slavophiles Communists and Eurasianists Each school focuses on Russia's distinctive spiritual social and geographic roots respectively Each one is internally divided between those claiming Russia's exceptionalism potentially resulting in regional autarchy or imperial expansion and those advocating the Russian Idea as global in its appeal Those favoring the latter perspective have stressed Russia's unique capacity for understanding different cultures and guarding the world against extremes of nationalism and hegemony in international relations This book will be of interest to students and scholars of Russian foreign

policy Russia Western relations IR theory diplomatic studies political science and European history including the history of ideas

The Palgrave Handbook of Russian Thought Marina F. Bykova, Michael N. Forster, Lina Steiner, 2021-05-22 This volume is a comprehensive Handbook of Russian thought that provides an in depth survey of major figures currents and developments in Russian intellectual history spanning the period from the late eighteenth century to the late twentieth century Written by a group of distinguished scholars as well as some younger ones from Russia Europe the United States and Canada this Handbook reconstructs a vibrant picture of the intellectual and cultural life in Russia and the Soviet Union during the most buoyant period in the country s history Contrary to the widespread view of Russian modernity as a product of intellectual borrowing and imitation the essays collected in this volume reveal the creative spirit of Russian thought which produced a range of original philosophical and social ideas as well as great literature art and criticism While rejecting reductive interpretations the Handbook employs a unifying approach to its subject matter presenting Russian thought in the context of the country s changing historical landscape This Handbook will open up a new intellectual world to many readers and provide a secure base for its further exploration

Faith and Science in Russian Religious Thought Teresa Obolovitch, 2019-05-09 Faith and Science in Russian Religious Thought provides a comprehensive analysis of the relationship between science and faith in Russian religious thought Teresa Obolovitch offers a synthetic approach on the development of the problem throughout the whole history of Russian thought starting from the medieval period and arriving in contemporary times She considers the relationship between science and religion in the eighteenth century the so called academic philosophy of the 19th and 20th century the thought of Peter Chaadaev the Slavophiles and in the most influential literature figures such as Fedor Dostoevsky and Lev Tolstoy The volume also analyses two channels of the formation of philosophy in the context of the relationship between theology and science in Russia The first is connected with the attempt to rationalize the truths of faith and is exemplified by Vladimir Soloviev and Nikolai Lossky the second with the apophatic tradition is presented by Pavel Florensky and Semen Frank The book then describes the relation to scientific knowledge in the thought of Lev Shestov Nikolai Berdyaev Sergius Bulgakov and Alexei Losev as well as the original project of Russian Cosmism on the examples of Nikolai Fedorov Konstantin Tsiolkovsky and Vladimir Vernadsky Obolovitch presents the current state of the discussion on this topic by paying attention to the Neoplatonic synthesis of Georges Florovsky and his followers and offers the brief comparative analysis of the relationship between science and religion from the Western and Russian perspectives

The End of Russian Philosophy A. DeBlasio, Alyssa DeBlasio, 2014-11-27 The End of Russian Philosophy describes and evaluates the troubled state of Russian philosophical thought in the post Soviet decades The book suggests that in order to revive philosophy as a universal professional discipline in Russia it may be necessary for Russian philosophy to first do away with the messianic traditions of the 19th century

Russian Philosophy, Volume 1 James M. Edie, 2025-03-14 Russian philosophy begins through the impregnation of the ancient Byzantine tradition of Old Russia by the Western thought of the

French Enlightenment and then by German Romanticism The first original Russian philosopher Gregory Skovoroda the Russian Socrates was followed by the early philosophy of history and culture Alexander Radishchev and Peter Chasadayev The fateful break of Russian philosophers into two opposed camps of the Slavophiles was accomplished by the middle of the nineteenth century *A History of Russian Economic Thought* Vincent Barnett, 2013-03-07 The collapse of the Union of Soviet Socialist Republic at the end of the 1980 s was conceived as a victory for capitalist democracy Here Vincent Barnett provides the first comprehensive account of the historical development of Russian and Soviet economic thought across the nineteenth and twentieth centuries and considers its future in the twenty first century Utilizing an extensive range of historical sources Barnett examines the different strands of thought including classical neoclassical historical socialist liberal and Marxian schools He traces their influence and the impact their ideas had on shaping policies An excellent addition to the Routledge History of Economic Thought series this book covers pre 1870 Tsarist economics the late Tsarist period the impact of the war Bolshevik economics Stalinist economics Russian economics after 1940 Incorporating a detailed timeline of the most significant Russian economists work and analyzing the effects of historical discontinuities on the institutional structure of Russian economics as a discipline Barnett delivers an essential text for postgraduates and professionals interested in economic history and the evolution of Russian economic thought *A History of Russian Thought* William

Leatherbarrow, Derek Offord, 2010-04-01 The history of ideas has played a central role in Russia s political and social history Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the Russia of today This history examines important intellectual and cultural currents the Enlightenment nationalism nihilism and religious revival and key themes conceptions of the West and East the common people and attitudes to capitalism and natural science in Russian intellectual history Concentrating on the Golden Age of Russian thought in the mid nineteenth century the contributors also look back to its eighteenth century origins in the flowering of culture following the reign of Peter the Great and forward to the continuing vitality of Russia s classical intellectual tradition in the Soviet and post Soviet eras With brief biographical details of over fifty key thinkers and an extensive bibliography this book provides a fresh comprehensive overview of Russian intellectual history **The French Revolution in Russian Intellectual Life**, 2009

Russian intellectual discourse on the French Revolution as a representation of the West rather than a symbol of revolution

The French Revolution in Russian Intellectual Life James O'Connor, 2017-07-12 Sandwiched between the East and West Russian intellectuals have for centuries been divided geographically politically and culturally into two distinct groups the Slavophiles who rejected Western style democracy preferring a more holistic and abstract vision and the more rational and scientific minded Westernizers These two ideologies cut across the political spectrum of late nineteenth century Russia and competed for dominance in the country s intellectual life The tension created between these two opposing groups caused the feeling that violent upheaval was Russia s future In turn many began to think that Russia was possibly following the path of

France and that a French style revolution might be possible on Russian soil In The French Revolution in Russian Intellectual Life Dmitry Shlapentokh describes the role that the French democratic revolution played in Russia's intellectual development by the end of the nineteenth century The revolutionary upheaval in Russia at the beginning of twentieth century and the continuous expansion of the West convinced most Russian intellectuals that the French Revolution in its democratic reading was indeed the pathway of history Yet the rise of totalitarian regimes and their expansion proved the validity of the sober vision of nineteenth century Russian intellectuals Some conservative Russian intellectuals believed that not only would Russia preserve its authoritarian regime but it would spread this regime all over the world In this context Shlapentokh argues the French Revolution with its democratic tradition was only a phenomenon of Western civilization and hence transitory The flirtation with Western ideology with its democratic polity and market economy that followed in the wake of the collapse of the communist regime culminated in an increasing push for corporate authoritarianism and nationalism This work helps explain why Russia turned away from democratic to autocratic stylesi 1

The Routledge Companion to Russian Literature Neil Cornwell,2002-06-01 The Routledge Companion to Russian Literature is an engaging and accessible guide to Russian writing of the past thousand years The volume covers the entire span of Russian literature from the Middle Ages to the post Soviet period and explores all the forms that have made it so famous poetry drama and of course the Russian novel A particular emphasis is given to the nineteenth and twentieth centuries when Russian literature achieved world wide recognition through the works of writers such as Pushkin Dostoevsky Tolstoy Chekhov Nabokov and Solzhenitsyn Covering a range of subjects including women's writing Russian literary theory socialist realism and migr writing leading international scholars open up the wonderful diversity of Russian literature With recommended lists of further reading and an excellent up to date general bibliography The Routledge Companion to Russian Literature is the perfect guide for students and general readers alike

[Russian Philosophy, Volume 2](#) James M. Edie,2025-03-14 The second half of the nineteenth century in Russian philosophy sees it more or less definitive triumph of Westernizing currents over the Slavophiles There is no doubt that both Nihilism and Populism as successive schools of Russian philosophy are the authentic progeny of the senior Westernizers though in the development of their philosophical doctrine they owe much less to German Romanticism than to British utilitarianism French positivism and the socialism of left wing Hegelians Toward the end of the century these philosopher come increasingly under the influence of the scientific socialism of Karl Marx

Russian Thinkers Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Thinkers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Thinkers has opened up a world of possibilities. Downloading Russian Thinkers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Thinkers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Thinkers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Thinkers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Thinkers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Thinkers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About Russian Thinkers Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Thinkers is one of the best book in our library for free trial. We provide copy of Russian Thinkers in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Thinkers. Where to download Russian Thinkers online for free? Are you looking for Russian Thinkers PDF? This is definitely going to save you time and cash in something you should think about.
