Russian American Relations Islamic And Turkic Dimensions In The Volga Ural Basin:

Russian-American Relations H. Malik, 2000-07-14 This is a collective endeavour to highlight the role of Islam in the emerging pattern of relations between Russia and the United States It highlights particularly the role that the two autonomous republics within the Russian Federation Tatarstan and Bashkortostan play in Eurasia Some analysts have described them as the soft underbelly of the Russian Federation Future trends are also indicated which delineate the dilemmas of the Russian state for its territorial integrity and national self determination of Tatarstan and Bashkortostan within the Russian Federation This book also analyses Russian US relations with Turkey Iran Afghanistan and Pakistan These states indeed play according to these analyses a crucial role in Eurasia and also compete against each other **IBSS** Compiled by the British Library of Political and Economic Science, 2001 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences *Historical Dictionary of the Russian Federation* Robert A. Saunders, 2019-09-20 Straddling Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist Buryats Over the past 40 years Russia has experienced the most dramatic transformation of any modern state The second edition of *Historical Dictionary of the Russian Federation* provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985 1991 and contemporary Russia 1991 present This second edition of *Historical Dictionary of the Russian Federation* contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia

Index Islamicus , 2000 **Historical Dictionary of the Chechen Conflict** Ali Askerov, 2015-04-22 Since the escalation of the war in the North Caucasus in the eighteenth century the political map of the world has changed repeatedly and dramatically and many major wars and bloody revolutions ripped through the world But the nature of the struggle between Russia and Chechnya is still the same The former wants to dominate Chechnya coercively while the latter wants to win its freedom from Russia by force Due to the power asymmetry of the sides to the violent conflicts history has witnessed splendid tactics of guerrilla warfare developed by the fighting people of the region The *Historical Dictionary of the Chechen Conflict* covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Chechen conflict **The Chechens** Amjad M.
