# Russian Discoveries Between Asia Ameri

**William Robertson**

## **Russian Discoveries Between Asia Ameri:**

**Account of the Russian Discoveries Between Asia and America** William Coxe, 1780      **Account of the Russian Discoveries between Asia and America** William Coxe, 2022-09-04

In *Account of the Russian Discoveries between Asia and America* William Coxe unfolds a meticulous narrative of the expansionist ventures of Russia in the critical juncture between the 16th and 18th centuries. His scrupulous account not just geographically descriptive but also richly contextual in the socio-political atmosphere of the time presents an engaging tale of exploration, conquest, and evolving commerce. The book melds travel literature with historical analysis pieced together through extensive research, reflecting the literary style of the Enlightenment period when new parts of the globe were being charted, offering insights into the conquest of Siberia as well as the nascent trade frameworks established with China. Coxe's work thus stands at the intersection of historical scholarship and adventurous exploration narratives, a style that enraptures scholars and armchair explorers alike. William Coxe, an English historian and priest, was well-placed to author such a comprehensive work on Russian exploration. His vantage point as a European intellectual of the 18th century, coupled with his access to first-hand accounts and official Russian documentation, allowed him to craft a narrative that is both authentic and enlightening. Coxe's scholarly pursuits, likely spurred by the intellectual curiosity that characterized the Age of Enlightenment, equipped him to delineate the intricacies of power dynamics and the commercial pursuits that drove these epoch-defining discoveries. His erudition and painstaking attention to detail breathe life into historical figures and events, offering readers a granular understanding of a pivotal era in European and Asian history. Coxe's *Account of the Russian Discoveries between Asia and America* is decidedly a seminal work for those interested in the historical connections between continents, the roots of global commerce, and the spirit of discovery. As DigiCat Publishing reintroduces this work in both print and digital formats, recognizing it as a formidable legacy of human culture and intellect, we invite readers to immerse themselves in a pivotal chapter of history. It is a must-read for scholars of exploration history, enthusiasts of Russian cultural and political ascendancy, and anyone captivated by the narrative of humankind's relentless pursuit of knowledge and expansion.

**Account of the Russian Discoveries between Asia commerce between Russia and China** William Coxe, 2016-09-06

The late Russian Discoveries between Asia and America have for some time engaged the attention of the curious, more especially since Dr. Robertson's admirable *History of America* has been in the hands of the public. In that valuable performance, the elegant and ingenious author has communicated to the world with an accuracy and judgement which so eminently distinguish all his writings, the most exact information at that time to be obtained concerning those important discoveries. During my stay at Petersburg, my inquiries were particularly directed to this interesting subject in order to learn if any new light had been thrown on an article of knowledge of such consequence to the history of mankind. For this purpose, I endeavoured to collect the respective journals of the several voyages subsequent to the expedition of Beering and Tschirikoff in 1741, with which the celebrated Muller concludes his account of the first

Russian navigations During the course of my researches I was informed that a treatise in the German language published at Hamburg and Leipsic in 1776 contained a full and exact narrative of the Russian voyages from 1745 to 1770 **Alaska and the Northwest Part of North America, 1588-1898** Library of Congress. Map Division, Philip Lee Phillips, 1898 **Alaska and the Northwest Part of North America 1588-1898. Maps in the Library of Congress** Philip Lee Phillips, 1898

**Living Our Cultures, Sharing Our Heritage** Aron A. Crowell, Rosita Worl, Paul C. Ongtooguk, Dawn D. Biddison, 2010-05-18 Living Our Cultures Sharing Our Heritage The First Peoples of Alaska features more than 200 objects representing the masterful artistry and design traditions of twenty Alaska Native peoples Based on a collaborative exhibition created by Alaska Native communities the Smithsonian s National Museum of Natural History the Smithsonian s National Museum of the American Indian and the Anchorage Museum at Rasmuson Center this richly illustrated volume celebrates both the long awaited return of ancestral treasures to their native homeland and the diverse cultures in which they were created Despite the North s transformation through globalizing change the objects shown in these pages are interpretable within ongoing cultural frames articulated in languages still spoken They were made for a way of life on the land that is carried on today throughout Alaska Dialogue with the region s First Peoples evokes past meanings but focuses equally on contemporary values practices and identities Objects and narratives show how each Alaska Native nation is unique and how all are connected After introductions to the history of the land and its people universal themes of Sea Land Rivers Family and Community and Ceremony and Celebration are explored referencing exquisite masks parkas beaded garments basketry weapons and carvings that embody the diverse environments and practices of their makers Accompanied by traditional stories and personal accounts by Alaska Native elders artists and scholars each piece featured in Living Our Cultures Sharing Our Heritage evokes both historical and contemporary meaning and breathes the life of its people **A General History of North and South America** , 1834 **Voyages from Montreal Through the Continent of North America (Vol. 1&2)** Alexander Mackenzie, 2023-12-26 In Voyages from Montreal Through the Continent of North America Vol 1 2 Alexander Mackenzie presents an enthralling account of his explorations and voyages across the largely uncharted terrain of North America at the turn of the 19th century His meticulous narrative blends travelogue with natural history and ethnography capturing not only the landscapes and waterways traversed but also the cultures and peoples encountered along the way Mackenzie s literary style is characterized by vivid descriptions and an adventurous spirit contextualizing his journeys

against the backdrop of the era's burgeoning exploration and imperial ambitions thus offering a unique perspective on the early encounters between European explorers and Indigenous communities Born in Scotland in 1764 Mackenzie was influenced by the Age of Enlightenment which emphasized knowledge and empirical observation Migrating to Canada in his youth he became a fur trader which provided him a practical entry into the rugged wilderness and patience to understand and document the complexities of North America's geography and its inhabitants Mackenzie's experiences along with his keen observations compelled him to document his voyages and serve as a bridge between different worlds *Voyages from Montreal Through the Continent of North America* is an essential read for anyone interested in early American history exploration and cultural encounters Mackenzie's insights provide not only historical significance but also timeless themes of adventure and discovery making it a valuable resource for both scholars and adventurous readers alike *The History of America ... A New Edition; to which is Added, a Continuation, Comprising the History of the Colonies from 1652 to the Present Time ... By David McIntosh, LL.D. [With Maps and Engraved Plates, Including a Portrait.] William Robertson, 1817*

*The History of America: Including the History of Virginia to the Year 1688, and New England to the Year 1652.
