## **Russian Political Institutions:**

Russian Political Institutions Maksim Kovalevski, 1966      **Russian Political Institutions** Maksim Maksimovich Kovalevskii, 1902      *Russian Political Institutions* Derek J. R. Scott, 2024-02-29 First published in 1958 Russian Political Institutions is intended primarily to meet the need of university students for a good account of the political institutions of the Soviet Union in terms similar to those used in their study of other countries Though the unique comprehensiveness of the Soviet state s concerns to which the book draws attention precludes a formally comparative approach the ways in which its business is done can be explained as elsewhere by the country s circumstances and historical experience The first chapter indicates something of these circumstances and experience and of the motives of the Soviet state The second explains the way the distinctive institutional form of the Soviet state came into being and the process by which it assumed some of the conventional state machinery The third examines this conventional state and its unconventional functions in a Russian Communist setting The fourth concerns the structure and operation of the complex device called the Party The fifth in turn examines the means evolved for the fulfillment of the state s main task the management of the fully nationalized economy as a single concern and the other main systems of control including the judicial system The sixth chapter suggests briefly how priorities of tasks are decided upon obligations determined and their performance secured This is a must read for students and scholars of Russian history and Soviet politics      *Russian Political Institutions* Maxime Kovalevsky, 2015-08-09 Excerpt from *Russian Political Institutions* The Growth and Development of These Institutions From the Beginnings of Russian History to the Present Time Some time ago meeting occasionally with Professor Bryce author of *The American Commonwealth* I heard him say he was astonished not to see the appearance of a book on the history and present state of political institutions in Russia Of course Englishmen have the excellent work of Mackenzie Wallace rich in personal information collected by that author during a long stay in Russia and the French the profound and pleasantly written treatise of A Leroy Beaulieu *The Empire of the Czars* But neither of these authors has seen fit to call the attention of the public to the special question of the evolution of the Russian political regime I was obliged therefore to share in Professor Bryce s astonishment and even to take his remark as an indirect hint for me to supply the lack in sources of information for Europeans on this subject by a short sketch of Russia s institutional development There are of course in the Russian language several excellent treatises written to serve this purpose but even the best of them the works of Professor Gradovsky and of Professor Korkounov are quite too voluminous to be translated into a foreign tongue and if they were translated too technical to be well understood by the general reader Furthermore these books fail to cover the whole field of investigation into the origin of Russian institutions And though Russian legal historians have treated this last subject at length in many valuable and suggestive monographs these are too highly specialized for the foreign reader About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction

of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Politics in Russia* Thomas F. Remington,1999 Focusing on institutions and processes while paying rigorous attention to scholarship *Politics in Russia* Fourth Edition provides an authoritative overview of the Russian political system Book jacket

**Presidential Power in Russia** Eugene Huskey,2016-09-16 This is the first major assessment of the role of the presidency in Russia s difficult transition from communist rule Huskey analyzes the establishment and functioning of the Russian presidency as an institution and in relation to the other leading institutions of state the government parliament courts and regional authorities Although this is not a biography of the first president Boris Yeltsin his allies and his rivals loom large in the study of a critical phase in the creation of a new Russian political system **Russian Political Institutions** Maksim Maksimovich Kovalevskii,1902 **Building The Russian State** Valerie Sperling,2018-02-13 Has the Russian state managed to lay the institutional groundwork for long term stability and democratic governance In *Building the Russian State* Valerie Sperling assembles a group of cutting edge scholars to critically assess the crises in Russia s transitional institutions Part I of the book shows that Russia s political elites are less focused on serving public interests than on enriching themselves and examines how these elites are ruling Russia Part II focuses on the growth of organized crime the decay of the military the precariousness of the Russian Federation the weakness of the labor movement the corruption of the courts the challenges facing international reformers and the authoritarianism of the super presidential political system By focusing on the challenges failures and occasional successes of the Russian political system this volume offers upper level undergraduates and other scholars valuable insight into post Soviet politics state building and transitions to democracy

*Institutions, Ideas and Leadership in Russian Politics* Julie Newton,William Thompson,2010-06-23 A stimulating and thought provoking collection that challenges some of the emerging conventional wisdom about contemporary Russia It examines the role of leadership institutions and ideas and the interactions among them in shaping Russia s post Soviet transformation **Russian Political Institutions** Maksim Maksimovich Kovalevski,2016-05-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages

poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **Absolutism and Ruling Class** John P. LeDonne,1991 This is the first comprehensive examination of the Russian ruling elite and its political institutions during an important period of state building from the emergence of Russia on the stage of world politics around 1700 to the consolidation of its position after the victory over Napoleon Instead of focusing on the great rulers of the period Peter Catherine and Alexander the work examines the nobility which alone could make their power effective LeDonne not only gives a full chronological account of the development of bureaucratic military economic and political institutions in Russia during this period but also skillfully analyzes the ways in which local agencies and the ruling class exercised control and shared power with the absolute monarchs      Russian Politics Today Michael Waller,2005-07-22 This introductory text written by an established authority on communist and post communist politics describes how Vladimir Putin has turned to those with backgrounds in the military and security structures to provide stability in today s Russian Federation following the democratising reforms of Gorbachev and the ensuing instability of the Yeltsin presidency Against the background of an increasing authoritarianism which has restored features of the Soviet political system it examines the attempts by social and economic groups to assert themselves against the state using embryonic democratic forms that fall far short of pluralism The book s fourteen chapters offer an exceptionally broad coverage It will appeal to first and second year students in higher education but its deliberately accessible style will also make it attractive to the general reader      *Routledge Handbook of Russian Politics and Society* Graeme Gill,James Young,2013-03-01 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations      Russian Politics Today Susanne A. Wengle,2022-10-27 *Russian Politics Today* Stability and Fragility provides an accessible and nuanced introduction to contemporary Russian

politics at a time of increasing uncertainty Using the theme of stability versus fragility as its overarching framework this innovative textbook explores the forces that shape Russia's politics economy and society The volume provides up to date coverage of core themes Russia's strong presidency its weak party system the role of civil society and its dependence on oil and gas revenues alongside path breaking chapters on the politics of race class gender sexuality and the environment An international and diverse team of experts presents the most comprehensive available account of the evolution of Russian politics in the post Soviet era providing the tools for interpreting the past and the present while also offering a template for understanding future developments

**New Trends in Russian Political Mentality** Elena Shestopal, 2015-12-17 This book examines recent political and psychological changes in Russian society during Vladimir Putin's third term Instability in 2011 2012 and new domestic and international contexts make this a unique period in the post Soviet political history of Russia This volume focuses on popular perceptions of Russian politics during a new electoral cycle in particular views of political power institutions and leaders The contributors to this collection describe and interpret recent political trends in Russian society by utilizing unique methodologies used for over twenty years allowing results to be compared over time

**Out of Order** Ellen Carnaghan, 2007-03-08 One common explanation for the failure of democracy to take root in Russia more quickly and more thoroughly than it has points to inherited cultural values that predispose Russian citizens to favor an autocratic type of governance Ellen Carnaghan takes aim at this cultural determinist thesis in her study of Russian attitudes based on intensive interviews with more than sixty citizens from all walks of life and a variety of political orientations What she finds is that rather than being influenced by an antidemocratic and anticapitalist ideology these ordinary citizens view the economic and political system in Russia today very critically because it simply does not function well for them in meeting their everyday needs They long for order not because they eschew democracy and free markets in any fundamental way but because they experience them currently as chaotic and unpredictable leading to constant frustration As a result there is reason to be optimistic about further progress in democratization it depends on improving the functioning of existing institutions not transforming deep rooted cultural norms In the Conclusion Carnaghan applies her argument to elucidating the reasons why Russians have responded favorably to what Westerners see as moves in an antidemocratic direction by Vladimir Putin's government

*Russian Government and Politics* Eric Shiraev, 2025-02-20 This new edition covers everything students need to know about the key institutions people parties and policies in Russian government and politics as well as covering political behaviour participation and communication Revised to offer coverage and analysis of recent events this new edition offers Discussion of new developments related to the war in Ukraine and its consequences geopolitical political economic social psychological etc for Russia Europe Eurasia and the world Expanded critical discussion of the Russian political system and its pivot toward authoritarianism Detailed discussion of social and cultural issues and their interaction with politics to further underline the role of individual personalities and the political impact of informal political and business arrangements in

Russia New research and statistical updates including opinion polls expert opinions and other sources relevant to Russian government and politics This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly Russian Government and Politics Eric Shiraev, 2025-02-20 This new edition covers everything students need to know about the key institutions people parties and policies in Russian government and politics as well as covering political behaviour participation and communication Revised to offer coverage and analysis of recent events this new edition offers Discussion of new developments related to the war in Ukraine and its consequences geopolitical political economic social psychological etc for Russia Europe Eurasia and the world Expanded critical discussion of the Russian political system and its pivot toward authoritarianism Detailed discussion of social and cultural issues and their interaction with politics to further underline the role of individual personalities and the political impact of informal political and business arrangements in Russia New research and statistical updates including opinion polls expert opinions and other sources relevant to Russian government and politics This is the ideal text for upper level undergraduate and postgraduate students studying Russian politics or comparative government and politics more broadly

The Soldier in Russian Politics 1988-1996 Robert V. Barylski, **Russian Politics Under Putin** Cameron Ross, 2004-08-21 In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin s radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia s external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia s past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy

### **Russian Political Institutions Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Political Institutions PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Political Institutions PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Political Institutions free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Russian Political Institutions Books**
