garner her mother's approval. But it was her success in another sphere that finally gained Lily's attention. After falling in love with a Harvard educated lawyer and having children, Tovah found it was easier to understand her mother and the sacrifices she had made during the era of the women's movement, the sexual revolution and the subsequent mandate for women to have it all. Beloved as he had been by both women, Sidney's passing made room for the love that had failed to take root during his life. In her new independence, Lily became outspoken, witty and profane. Don't tell Daddy this, Lily whispered to Tovah, but these are the best years of my life. She lived until 103. In this insightful, compelling, often hilarious and always illuminating memoir, Tovah shares the highs and lows of a remarkable career that has spanned five decades and shares the lessons that she has learned, often the hard way, about how to live a life in the spotlight, strive for excellence and still get along with your mother. Through their evolving relationship, we see how expectations for women changed with a daughter performing her heart out to gain her mother's approval and a mother becoming liberated from her confining roles of wife and mother to become her full self. A great gift for Mother's Day or any day when women want a joyous and meaningful way to celebrate each other.

How to Fall in Love Dalma Heyn, Richard Marek, 2019-02-05. Can Great Love be coaxed into existence? Is true romance a matter of happenstance or does it derive from some kind of magic? These are the questions at the heart of this enchanting, endearing and life-affirming novel. Cupid is on notice. His boss Jove has just announced that he's downsizing the heavens and has deemed Cupid's job expendable. After all, in these wired days, a love god seems quaint and pointless. Cupid manages to buy a little bit of time by asking for one more chance to show that he can orchestrate a love for the ages, but the clock is ticking. Down on Earth, former ballerina Eve Golyakovsky is living a quiet life in Vermont, tending to her maple sugar business. She dearly loved her late husband, a famed choreographer, but more as a mentor than as a spouse. She's never been truly touched by romance and she's okay with that. Evan Cameron is a well-known anthologist with a penchant for fine automobiles and commitment-free affairs. Love has threatened to visit him on occasion, but he's always managed to keep it from taking up residence. When Eve and Evan meet, there's something almost otherworldly about their connection and they reach each other as none ever has before. But Great Love is about more than attraction, compatibility and fascination. And when their budding romance is tested, old habits and new fears seem likely to choke this flower off at the roots. A love this intense might be more than either of them can handle and more than even Cupid can nurture. At once heartwarming and wise, funny and touching, *How to Fall in Love* is a love story for the ages and one uniquely suited to our times.
