Health and Social Welfare  
during the Transition

EDITED BY MARK G. FIELD  
AND JUDYTH L. TWIGG

# Russias Torn Safety Nets

**Michele Rivkin-Fish**

## **Russias Torn Safety Nets:**

**Russia's Torn Safety Nets** NA NA,2016-04-30 Russia s attempt to replace the failed Soviet system and its command economy with a capitalist democratic society has produced a health and social welfare crisis at considerable human cost Russia s Torn Safety Nets presents a series of essays by distinguished Russian and American scholars which describe and analyze the consequences of the collapsed socialist system focusing on issues of health and demography HIV AIDS drug addiction and abuse the disabled aging and pensions education women and sexism and social issues in the military The essays conclude with a section on the private and public efforts to ease the impact of the ongoing transition on the Russia people

**Russia's Torn Safety Nets** NA NA,2000-06-03 Russia s attempt to replace the failed Soviet system and its command economy with a capitalist democratic society has produced a health and social welfare crisis at considerable human cost Russia s Torn Safety Nets presents a series of essays by distinguished Russian and American scholars which describe and analyze the consequences of the collapsed socialist system focusing on issues of health and demography HIV AIDS drug addiction and abuse the disabled aging and pensions education women and sexism and social issues in the military The essays conclude with a section on the private and public efforts to ease the impact of the ongoing transition on the Russia people

**Russia's Torn Safety Nets** Na Na,2000 *Russia's Torn Safety Nets* NA NA,2014-01-14 Russia s attempt to replace the failed Soviet system and its command economy with a capitalist democratic society has produced a health and social welfare crisis at considerable human cost Russia s Torn Safety Nets presents a series of essays by distinguished Russian and American scholars which describe and analyze the consequences of the collapsed socialist system focusing on issues of health and demography HIV AIDS drug addiction and abuse the disabled aging and pensions education women and sexism and social issues in the military The essays conclude with a section on the private and public efforts to ease the impact of the ongoing transition on the Russia people

**Russia Since 1980** Steven Rosefielde,Stefan Hedlund,2009 Russia since 1980 recounts the epochal political economic and social changes that destroyed the Soviet Union ushering in a perplexing new order Two decades after Mikhail Gorbachev initiated his regime wrecking radical reforms Russia has reemerged as a superpower It has survived a hyperdepression modernized restored private property and business adopted a liberal democratic persona and asserted claims to global leadership Many in the West perceive these developments as proof of a better globalized tomorrow while others foresee a new cold war Globalizers contend that Russia is speedily democratizing marketizing and humanizing creating a regime based on the rule of law and respect for civil rights Opponents counterclaim that Russia before and during the Soviet period was similarly misportrayed and insist that Medvedev s Russia is just another variation of an authoritarian Muscovite model that has prevailed for more than five centuries The cases for both positions are explored while chronicling events since 1980 and a verdict is rendered in favor of Muscovite continuity Russia will continue challenging the West until it breaks with its cultural legacy

**Shocking Mother Russia** Andrea M.

Chandler,2004-01-01 Examining the reform process of the old age pension system in Russia from its Soviet origins to the Putin era Shocking Mother Russia adds significantly to the growing body of literature on comparative social policy and the political challenges of pension reform Andrea Chandler explains why Russia s old age pension system went into decline after the collapse of the Soviet Union in 1991 even though it was a prominent issue in the political arena at the outset of the post communist transition While tracing the roots of the system s difficulties to the Soviet Union s first efforts to establish a national social welfare system after 1917 Chandler nonetheless devotes the bulk of her study to the period from 1990 to 2001 While political factors impeded reform for much of this eleven year period ultimately Russia s striking policy reversals provide a case study for developing nations In 1990 a new Russian pension law was adopted during the Soviet reform process of perestroika The system was again significantly altered in 2001 when a market reform oriented package of pension legislation was passed Shocking Mother Russia places the Russian experience in comparative perspective and suggests lessons for pension reform derived from analysis of the Russian case      **Small-Town Russia** Anne White,2004-08-12 This book examines a number of key questions about social change in contemporary Russia issues such as how people survive when they are not paid for months on end the New Poor the falling birth rate why so many Russian men die in middle age whether regional identities are becoming stronger and how people s sense of Russianness has developed since the creation of the Russian Federation in 1992 It examines these issues by looking at actual experiences in three small Russian towns It includes a great deal of original ethnographic research and by looking at real places overall provides a good sense of how different aspects of social change are interlinked and how they actually affect real people s lives      **Truck Drivers and Casual Sex** Marzena Kulis,2004-01-01 This publication is based on a survey which examined the practice of casual sex among truck drivers and commercial sex workers in the border areas of Poland and Lithuania and uses this evidence to extrapolate the potential impact of these practices on the spread of HIV AIDS in the countries of the Baltic region

Women's Health in Post-Soviet Russia Michele Rivkin-Fish,2005-08-04 Russia s maternal health crisis and postsocialist transition examined through ethnographic observation in clinics and hospitals      **Developments in Russian Politics 5** Stephen White,Alex Pravda,Zvi Y. Gitelman,2001 Russia has a new parliament and a new president and the shape of its future political life remains uncertain Taking the elections of 1999 and 2000 as their starting point the contributors to Developments in Russian Politics 5 describe the institutional framework of the post Yeltsin system and examine the policy choices that confront the Putin administration This completely revised edition includes new discussions of such topics as media and political communication crime and corruption and Russia s continuing search for a national idea Other sections cover elections and electoral procedures parties and organized interests as well as economic social and foreign policy Written by leading scholars from both sides of the Atlantic Developments in Russian Politics 5 will replace earlier editions as the leading text for students of Russia and for a wider group of readers seeking a reliable and up to date introduction to the

politics of the world's largest country      **The Palgrave Handbook of Women and Gender in Twentieth-Century Russia and the Soviet Union** Melanie Ilic, 2017-11-30 This handbook brings together recent and emerging research in the broad areas of women and gender studies focusing on pre-revolutionary Russia, the Soviet Union and the post-Soviet Russian Federation. For the Soviet period, in particular, individual chapters extend the geographic coverage of the book beyond Russia itself to examine women and gender relations in the Soviet East: Tatarstan, Central Asia, Kazakhstan, Tajikistan and Uzbekistan, and the Baltic States: Estonia, Latvia and Lithuania. Within the boundaries of the Russian Federation, the scope moves beyond the typically studied urban centres of Moscow and St. Petersburg to examine the regions: Krasnodar, Novosibirsk, rural societies and village life. Its chapters examine the construction of gender identities and shifts in gender roles during the twentieth century, as well as the changing status and roles of women vis-à-vis men in Soviet political institutions, the workplace and society more generally. This volume draws on a broad range of disciplinary and methodological approaches currently being employed in the academic field of Russian studies. The origins of the individual contributions can be identified in a range of conventional subject disciplines: history, literature, sociology, political science, cultural studies, but the chapters also adopt a cross and inter-disciplinary approach to the topic of study. This handbook therefore builds on and extends the foundations of Russian women's and gender studies as it has emerged and developed in recent decades and demonstrates the international, indeed global, reach of such research.

**Encyclopedia of Contemporary Russian Culture** Tatiana Smorodinskaya, Karen Evans-Romaine, Helena Goscilo, 2013-10-28 This addition to the highly successful Contemporary Cultures series covers the period from 1953 with the death of Stalin to the present day. Both Russian and Culture are defined broadly. Russian refers to the Soviet Union until 1991 and the Russian Federation after 1991. Given the diversity of the Federation in its ethnic composition and regional characteristics, questions of national, regional and ethnic identity are given special attention. There is also coverage of Russian-speaking immigrant communities. Culture embraces all aspects of culture and lifestyle: high and popular, artistic and material, art, fashion, literature, music, cooking, transport, politics and economics. Film, crime and much else are covered in order to give a full picture of the Russian way of life and experience throughout the extraordinary changes undergone since the middle of the twentieth century. The Encyclopedia of Contemporary Russian Culture is an unbeatable resource on recent and contemporary Russian culture and history for students, teachers and researchers across the disciplines. Apart from academic libraries, the book will also be a valuable acquisition for public libraries. Entries include cross-references and the larger ones carry short bibliographies. There is a full index.

***Social Capital and Social Cohesion in Post-Soviet Russia*** Judyth L. Twigg, Kate Schecter, 2016-09-16 This work shows that the collapse of socialist employment and social service systems and of the USSR itself has had profoundly damaging effects, manifested in dislocation and homelessness, ethnic strife, family breakdown, declining life expectancy and soaring rates of violence and crime.

**The Politics of HIV/AIDS in Russia** Ulla Pape, 2013-10-01 This book studies the role of

civil society organisations in the fight against HIV AIDS in Russia It looks at how Russia's HIV AIDS epidemic has developed into a serious social economic and political problem and how according to the United Nations Programme on HIV AIDS UNAIDS Russia is currently facing the biggest HIV AIDS epidemic in all of Europe with an estimated number of 980 000 people living with HIV in 2009 The book investigates civil society organisations contribution to social change and civil society development in post Soviet Russia and thus situates a specific type of civil society actors into a broader socio political context and questions their ability to represent civic interests particularly in the field of social policy making and health This allows for a better understanding of the dynamics of state society relations in present day Russia and gives insight into the ways HIV AIDS NGOs in Russia have used transnational ties in order to exert influence on domestic policy making in the field of HIV AIDS

**The Russian Adoption Handbook** John H. Maclean, 2004 For Stephen Mary Perch **Men in**

**Contemporary Russia** Rebecca Kay, 2016-12-05 Rebecca Kay assesses how men in post Soviet Russia are represented through media and popular discourses Using case studies she explores the challenges which have arisen for men since 1991 and the ways in which their responses are shaped by and viewed through the prism of widely accepted attitudes towards gender The lives and concerns of men in provincial Russia are examined through ethnographic fieldwork combining extensive participant observation with in depth interviews The book reveals how individual men strive to maintain a sense of equilibrium between the activities in which they are engaged and the ways in which they are perceived both by others and by themselves The findings of the research have produced significant areas of contrast and comparison with the author's earlier work on women This is drawn out throughout the book placing the study of Russian men in a broader gendered context The issues raised by the men mirror concerns discussed in men's studies literature and popular discourse beyond Russia The book is therefore of interest to a wider international audience as well as contributing to ongoing interdisciplinary debates in Russian Studies Anthropology Sociology and Human Geography addressing the need for new approaches to understanding post Socialist change

*Russia After the Fall* Andrew Kuchins, 2013-01-25 Russia's first decade after the collapse of the Soviet Union has been simultaneously tumultuous and transformative For most of the 1990s the Russian economy was in free fall the legal system in absentia and the majority of citizens engaged primarily in survival efforts Not surprisingly the former superpower also struggled to adapt to its greatly diminished means and status Russia after the Fall is a collection of essays by internationally renowned experts on Russian politics economics society and foreign and security policy The volume is comprehensive in its coverage of key topics as well as reflective of contemporary debates on developments in Russia The essays provide retrospective analyses on how Russia has fared in its reform efforts and a prospective look at the challenges ahead This book will be of interest to scholars students and to a general audience seeking to better understand where Russia has been and where it is going Contributors include Anders slund Carnegie Endowment Harley Balzer Georgetown University Clifford Gaddy Brookings Institution James Goldgeier George Washington University Rose Gottemoeller Carnegie Endowment

Thomas E Graham Jr Carnegie Endowment Joel Hellman World Bank Stephen Holmes New York University Andrew C Kuchins Carnegie Endowment Anatol Lieven Carnegie Endowment Michael McFaul Carnegie Endowment Martha Brill Olcott Carnegie Endowment Dmitri Trenin Carnegie Moscow Center and Judyth Twigg Virginia Commonwealth University Andrew C Kuchins is the director of the Russian and Eurasian Program at the Carnegie Endowment where he specializes in Russian policy and security issues He is coeditor of *Russia and Japan An Unresolved Dilemma between Distant Neighbors* Berkeley Public Policy Press 1993

**Everyday Life in Russia** Choi Chatterjee, David L. Ransel, Mary Cavender, Karen Petrone, 2015-01-29 A panoramic interdisciplinary survey of Russian lives and a must read for any scholar engaging with Russian culture *The Russian Review* In this interdisciplinary collection of essays distinguished scholars survey the cultural practices power relations and behaviors that characterized Russian daily life from pre revolutionary times through the post Soviet present Microanalyses and transnational perspectives shed new light on the formation and elaboration of gender ethnicity class nationalism and subjectivity Changes in consumption and communication patterns the restructuring of familial and social relations systems of cultural meanings and evolving practices in the home at the workplace and at sites of leisure are among the topics explored Offers readers a richly theoretical and empirical consideration of the state of play of everyday life as it applies to the interdisciplinary study of Russia *Slavic Review* An engaging look at a vibrant area of research Highly recommended Choice Volumes of such diversity frequently miss the mark but this one represents a welcomed introduction to and a must read for anyone seriously interested in the subject *Cahiers du Monde russe*

**Russian Women and the End of Soviet Socialism** Judith McKinney, 2019-08-17 Initially expected to bring efficiency to the Russian economy and prosperity to Russian society the shock therapy of price liberalization privatization and macroeconomic stabilization introduced under Boris Yeltsin was quickly condemned as having worsened the lives of most Russians Based on conversations with more than two dozen women in a provincial Russian capital this book takes a retrospective look at these economic policies and explores how they transformed the trajectory of the lives of these women both positively and negatively in the family and in the workplace McKinney considers the everyday experiences of the women as they provided for their families established businesses travelled abroad and adjusted to the new economic political and social environment of the Late Soviet and Post Soviet era Through their divergent experiences *Russian Women and the End of Soviet Socialism* casts light on how these women view issues of gender ethnicity domestic and international politics and the end of the Soviet experiment Students and scholars across a range of disciplines including gender studies sociology economics and history will find this book of interest

**Lesbian Lives in Soviet and Post-Soviet Russia** F. Stella, 2016-04-30 This book explores the everyday lives of lesbian women in urban Russia It explores changes and continuities by examining generational differences and attends to regional variation by considering what lesbian life looks like in different locations problematising essentialist accounts of Russian sexualities and western centric theorizations
