

Russias War In Afghanistan

Gregory Feifer

Russias War In Afghanistan:

The Soviet-Afghan War Russia (Federation). General'nyĭ shtab, 2002 Offers a candid view of a war that played a significant role in the ultimate demise of the Soviet Union Presents analysis absolutely vital to Western policymakers as well as to political diplomatic and military historians and anyone interested in Russian and Soviet history Provides insights regarding current and future Russian struggles in ethnic conflicts both at and within their borders struggles that could potentially destroy the Russian Federation Russia's War in Afghanistan David Isby, 2013-02-20 Text by David Isby Colour plates by Ron Volstad This book examines Soviet forces in Afghanistan The origins and conduct of the war and the operational organisation of Soviet forces are discussed Afghan resistance and weaponry is also examined A comprehensive study of both sides in the Afghan war Due to popular demand strictly limited quantities of Osprey's most wanted out of print Men at Arms Vanguard and Elite titles are back in stock Many of these books have been out of print for 5 years or more so don't miss this one off opportunity to buy them hot off the press at regular series prices while stocks last Orders will be processed on a strictly first come first served basis so hurry Order your books today *The Soviet War in Afghanistan* Milan Hauner, 1991-08-05 In this volume historian Milan Hauner brilliantly links the lessons of the Soviet invasion of Afghanistan with the East West political struggles of today Masterfully he demonstrates the geographical and historical predicates of Russian imperialism in Asia His analysis focuses on the failed military campaign in Afghanistan and Soviet diplomacy in Southwest Asia as a whole The results are impressive The reader is given the advantage of a fuller historical spectrum and can better grasp the true shape of the present More importantly the reader can look into the future From this vantage point the constraints possibilities and obligations of U S diplomacy become more clear Co published with the Foreign Policy Research Institute **The Soviet War in Afghanistan 1979-1989** Ilya Milyukov, 2024-03-31 In December 1979 the USSR's 40th Army crossed the border into Afghanistan Special forces troops the infamous GRU Spetsnaz and KGB agents had already entered the country and in a fierce gun battle assassinated Afghanistan's President Hafizullah Amin in Tajbeg Palace so that he could be replaced by rival Babrak Karmal The official explanation provided to officers non commissioned officers and other ranks of the Soviet Armed Forces was that they were carrying out an international duty in Afghanistan What exactly that was none of the participants knew The reasoning of Brezhnev's Politburo was that their intervention would bring stability to a country slipping into anarchy as its government failed to deal with political conflict within its own ranks and widespread armed rebellion outside the major urban centres Thus began the Soviet military intervention that was to last for nearly ten years The Soviet War in Afghanistan 1979 1989 provides a detailed order of battle for the Soviet ground and air forces deployed to Afghanistan officially referred to as The Limited Contingent of Soviet Forces in Afghanistan and a detailed account of every operation undertaken there by the Soviet Armed Forces from December 1979 until February 1989 The work provides details of all the involved units their combat losses and estimates of Mujahidin losses This work does not shy away

from the commonplace atrocities committed against the Afghan population The Soviet War in Afghanistan 1979 1989 is richly illustrated with original photographs many never published before in the West and the War series signature colour artworks showing the men vehicles and aircraft involved in this conflict This book is an indispensable source of reference for enthusiasts and professionals alike

The Great Gamble Gregory Feifer, 2009-01-06 The Soviet war in Afghanistan was a grueling debacle that has striking lessons for the twenty first century In The Great Gamble Gregory Feifer examines the conflict from the perspective of the soldiers on the ground During the last years of the Cold War the Soviet Union sent some of its most elite troops to unfamiliar lands in Central Asia to fight a vaguely defined enemy which eventually defeated their superior numbers with unconventional tactics Although the Soviet leadership initially saw the invasion as a victory many Russian soldiers came to view the war as a demoralizing and devastating defeat the consequences of which had a substantial impact on the Soviet Union and its collapse Feifer s extensive research includes eye opening interviews with participants from both sides of the conflict In gripping detail he vividly depicts the invasion of a volatile country that no power has ever successfully conquered Parallels between the Soviet invasion of Afghanistan and the U S invasions of Afghanistan and Iraq are impossible to ignore both conflicts were waged amid vague ideological rhetoric about freedom Both were roundly condemned by the outside world for trying to impose their favored forms of government on countries with very different ways of life And both seem destined to end on uncertain terms A groundbreaking account seen through the eyes of the men who fought it The Great Gamble tells an unforgettable story full of drama action and political intrigue whose relevance in our own time is greater than ever

[Russia's War](#) Jade McGlynn, 2023-02-27 In the early hours of 24 February 2022 Russian forces attacked Ukraine The brutality of the Russian assault has horrified the world But Russians themselves appear to be watching an entirely different war one in which they are the courageous underdogs and kind hearted heroes successfully battling a malign Ukrainian foe Russia analyst Jade McGlynn takes us on a journey into this parallel military and political universe to reveal the sometimes monstrous sometimes misconstrued attitudes behind Russian majority backing for the invasion Drawing on media analysis and interviews with ordinary citizens officials and foreign policy elites in Russia and Ukraine McGlynn explores the grievances lies and half truths that pervade the Russian worldview She also exposes the complicity of many Russians who have invested too deeply in the Kremlin s alternative narratives to regard the war as Putin s foolhardy mission In their eyes this is Russia s war against Ukraine against the West against evil and there can be no turning back Also available as an audiobook narrated by the author

The Soviet-Afghan War Gregory Fremont-Barnes, 2024-02-15 A fully illustrated overview of the USSR s bloody conflict in Afghanistan and its long legacy The Soviet invasion of its neighbour Afghanistan in December 1979 sparked a nine year conflict until Soviet forces withdrew in 1988 89 dooming the communist Afghanistan government to defeat at the hands of the mujahideen the Afghan popular resistance backed by the USA and other powers Gregory Fremont Barnes reveals how the Soviet invasion had enormous implications on the global stage it

prompted the US Senate to refuse to ratify the hard won SALT II arms limitation treaty and the USA and 64 other countries boycotted the 1980 Moscow Summer Olympics For Afghanistan the invasion served to prolong the interminable civil war that pitted central government against the regions and faction against faction Updated and revised for the new edition with full colour maps and new images throughout this succinct account explains the origins events and consequences of the Soviet intervention in Afghanistan shedding new light on the more recent history and prospects of that troubled country The A to Z of Afghan Wars, Revolutions and Insurgencies Ludwig W. Adamec,2010-04-07 Since its foundation in 1747 Afghanistan has seen seemingly limitless wars waged by the central government to consolidate its control over the country as well as rampant tribal warfare There have been three Anglo Afghan Wars 1839 42 1878 79 and 1919 a Russian backed Marxist government in Kabul battled a coalition of tribal armies which was soon followed by the Taliban takeover Now in the midst of a war against terrorism the United States is backing another central government in yet another sporadic struggle All the information currently available on the endless chain of wars stretching over two and a half centuries is traced in The A to Z of Afghan Wars Revolutions and Insurgencies It consists of the American involvement in Afghanistan since October 2001 as well as individual campaigns including tactics and logistics of skirmishes the weapons used and biographical entries on the significant leaders involved in the battles Extensive analysis of regional and ideological divisions within the country and the external forces that have brought around conflict in this remote mountainous region in addition to a chronology of the encounters an extensive bibliography and numerous maps and illustrations make this crucial volume indispensable

Russia's War in Afghanistan ,1990 **Russian War Films** Denise Jeanne Youngblood,2007 A panoramic survey of nearly a century of Russian films on wars and wartime from World War I to more recent conflicts in Afghanistan and Chechnya with heavy emphasis on films pertaining to World War II **The to Z of Afghan Wars, Revolutions and Insurgencies** Ludwig W. Adamec,2010-04-07 All the information currently available on the endless chain of wars stretching over two and a half centuries is traced in The A to Z of Afghan Wars Revolutions and Insurgencies It consists of the American involvement in Afghanistan since October 2001 as well as individual c **Afghanistan's Endless War** Larry P. Goodson,2011-07-01 Going beyond the stereotypes of Kalashnikov wielding Afghan mujahideen and black turbaned Taliban fundamentalists Larry Goodson explains in this concise analysis of the Afghan war what has really been happening in Afghanistan in the last twenty years Beginning with the reasons behind Afghanistan s inability to forge a strong state its myriad cleavages along ethnic religious social and geographical fault lines Goodson then examines the devastating course of the war itself He charts its utter destruction of the country from the deaths of more than 2 million Afghans and the dispersal of some six million others as refugees to the complete collapse of its economy which today has been replaced by monoagriculture in opium poppies and heroin production The Taliban some of whose leaders Goodson interviewed as recently as 1997 have controlled roughly 80 percent of the country but themselves have shown increasing discord along

ethnic and political lines Historical Dictionary of Afghanistan Thomas H. Johnson, Ludwig W. Adamec, 2021-05-15
Afghanistan is an extremely complex and nuanced country that has been one of the centers of imperial conflict at least for 150 years From the Czarist Russia's march south in the 19th Century threatening British India three Anglo Afghan Wars the Soviet Invasion and occupation of Afghanistan starting in December 1979 and the resulting anti Soviet Jihad by the Afghan Mujahideen to Kabul's and their allies U S and NATO conflict with the Taliban Afghanistan has been one of the centers of important international and regional conflicts and events Historical Dictionary of Afghanistan Fifth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Afghanistan *Russia's Wars in Chechnya* Mark Galeotti, 2024-01-18 Written by a leading expert on modern Russia this is an illustrated introduction to the bitter campaigns in Chechnya In this new edition of his popular 2014 work Mark Galeotti traces the progress of the wars in Chechnya from the initial Russian advance through to urban battles such as Grozny and the prolonged guerrilla warfare in the mountainous regions Bringing the book up to date including a revised introduction and new content on the Kadyrovtsy's role in Russia's other conflicts Galeotti assesses how the wars have torn apart the fabric of Chechen society and their impact on Russia itself Featuring full colour maps and 50 new images and drawing upon a wide range of sources this succinct account explains the origins history and consequences of Russia's wars in Chechnya shedding new light on the history and prospects of the troubled region *Afghanistan and the Anglo-Russian Dispute* Theophilus F. Rodenbough, 1885

Historical Dictionary of Afghanistan Ludwig W. Adamec, 2012 This new fourth edition has been substantially expanded because so much has taken place in such a short period of time The most important changes however have been made to the dictionary section with hundreds of added or substantially revised entries on important people places events institutions practices ethnic and religious groups political parties and Islamist movements as well as significant aspects of Afghanistan's politics economy society and culture A Concise History of Afghanistan in 25 Volumes Hamid Wahed Alikuzai, 2013-10-11 For 35 000 years ancient Afghanistan was called Aryana the Light of God has existed Then in 747 AD what is today called Afghanistan became Khorasan which means Sunrise in Dari which was a much larger geographical area In the middle of the nineteenth century the name Afghanistan which means home of the united tribes was applied originally by the Saxons present day British and the Russians During the Great Games in the middle of nineteenth century the Durand Line was created in 1893 and was in place until 1993 Saxons created the state of Afghanistan out of a geographical area roughly the size of Texas in 1893 before which there were 10 million square kilometers larger than the size of Canada as means to act as a buffer zone between the Saxon India Tsarist Russia and the Chinese **A Slow Reckoning** Vassily Klimentov, 2024-02-15 A Slow Reckoning examines the Soviet Union's and the Afghan communists views of and policies

toward Islam and Islamism during the Soviet Afghan War 1979 1989 As Vassily Klimentov demonstrates the Soviet and communist Afghan disregard for Islam was telling of the overall communist approach to reforming Afghanistan and helps explain the failure of their modernization project A Slow Reckoning reveals how during most of the conflict Babrak Karmal the ruler installed by the Soviets instrumentalized Islam in support of his rule while retaining a Marxist Leninist platform Similarly the Soviets at all levels failed to give Islam its due importance as communist ideology and military considerations dominated their decision making This approach to Islam only changed after Mikhail Gorbachev replaced Karmal by Mohammad Najibullah and prepared to withdraw Soviet forces Discarding Marxism Leninism for Islam proved the correct approach but it came too late to salvage the Soviet nation building project A Slow Reckoning also shows how Soviet leaders only started seriously paying attention to an Islamist threat from Afghanistan to Central Asia after 1986 While the Soviets had concerns related to Islamism in 1979 only the KGB believed the threat to be potent The Soviet elites never fully conceptualized Islamism continuing to see it as an ideology the United States Iran or Pakistan could instrumentalize at will They believed the Islamists had little agency and that their retrograde ideology could not find massive appeal among progressive Soviet Muslims In this they were only partly right

Conflict in Afghanistan Frank A. Clements, Ludwig W. Adamec, 2003-12-02 A comprehensive A Z study of the history of conflict in Afghanistan from 1747 to the present This authoritative clearly written volume covers all aspects of the conflicts that have taken place in Afghanistan from 1747 to the present Conflict in Afghanistan provides the reader with a historical overview of hostilities in Afghanistan and discusses their causes history and impact on Afghan society and on regional and international relations A single A Z section covers the three main eras in Afghanistan s history the period from 1747 when Afghanistan first emerged as a unified state the Soviet era 1979 1989 which saw the overthrow of the monarchy the declaration of the Republic and the rise of the Mujahideen and the post Soviet period which brought civil war the rise of the Taliban and finally the events of September 11 and the War on Terrorism both of which receive special attention

Afgantsy Rodric Braithwaite, 2013-09-11 The story of the Soviet occupation of Afghanistan is well known the expansionist Communists overwhelmed a poor country as a means of reaching a warm water port on the Persian Gulf Afghan mujahideen upset their plans holding on with little more than natural fighting skills until CIA agents came to the rescue with American arms Humiliated in battle the Soviets hastily retreated It s a great story writes Rodric Braithwaite But it never happened The Russian conscripts suffered badly from mismanagement and strategic errors but they were never defeated on the battlefield and withdrew in good order In this brilliant myth busting account Braithwaite the former British ambassador to Moscow challenges much of what we know about the Soviets in Afghanistan He provides an inside look at this little understood episode using first hand accounts and piercing analysis to show the war as it was fought and experienced by the Russians The invasion he writes was a defensive response to a chaotic situation in the Soviets immediate neighbor They intended to establish a stable friendly government secure the major towns

and train the police and armed forces before making a rapid exit But the mission escalated as did casualties In fact the Soviet leadership decided to pull out a year before the first Stinger missile was used in combat Braithwaite does not of course paint the occupation as a Russian triumph To the contrary he illustrates the searing effect of the brutal conflict on soldiers their families and the broader public as returning veterans the Afgansty of the title struggled to regain their footing back home A fine writer as well as an expert Braithwaite carries readers through these complex and momentous events capturing those violent and tragic days as no one has done before
