**Song Of Silver Lake** Rod Mills,2013-04 *Song of Silver Lake* Book 1 Ruth A young woman searching a way out

of an abusive home in Seattle agreed to become the surrogate mother to a wealthy childless couple. A change of heart compelled the woman to keep the infant and escape to Silver Lake, Idaho. Still six years later, racked with consuming guilt over her monetary theft and fearful of the legal reprisals of abducting her own child, the young mother resigned herself to being a fugitive the rest of her life. Then she met the truck driver Clay Song of Silver Lake. Book 2: Audrey, Frustrated with her life as a single 28-year-old woman, Audrey joined a Christian online dating service in Silver Lake, Idaho. Using the e-name Flower Girl, she met White Knight. White Knight was the man she'd been looking for like forever. He shared her religious and family values, and when Audrey poured out her heart, he seemed to listen with all of his heart. I love you, White Knight, Audrey met another man, Dan Echo, a clerk at the local Ace Hardware. Everything went wrong when she needed to buy a simple chair bolt for her broken desk chair. Poorly versed in hardware terminology, Audrey tried describing the bolt, which only confused Dan. Ma'am, sounds like you really need a nipple. Does your bolt have male or female threads? Audrey concluded that Dan Echo was crude, rude, and condescending. She learned later that Dan Echo was pastor of a small church and suspected he had a problem with pornography. Dan Echo was definitely bad news. Best to steer clear, Audrey, and Dan didn't know that Flower Girl and White Knight were the same persons. Song of Silver Lake. Book 3: Grace, 17-year-old Grace only knew one profession: prostitution. Her mother, Veronica, taught her well. After Veronica was arrested on drug charges, Grace and her 21-year-old, mentally retarded sister, Fanny, were taken to the Pocatello Juvenile Detention Unit. Fearful the authorities would split up the sisters, they escaped to Silver Lake, Idaho, hiding in their grandparents' abandoned travel trailer at the lake. Grace provided for her and Fanny by soliciting drivers at the truck stop. Hi, like some company, Providence changed the sister's lives forever when Grace knocked on Clay's truck.

**Away from My Mother's Watchful Eye**, Jesse A. Mayfield, 2009-12-16. This is a coming-of-age story that chronicles my early years growing up in inner-city Brooklyn, New York, amidst the turbulent, racially and socially explosive 1960s. The Civil Rights Movement was in full swing, and while many older Negroes supported Dr. Martin Luther King Jr. and his calls for peaceful protests, many young Negroes gravitated to a more militant and confrontational approach to

winning freedom and equal treatment under the law for all Negroes Young people were constantly being called upon to be down with the revolution and encouraged to hate Whitey and to fear the Police in particular who were looked upon as an occupying force within the Negro community All of this was swirling around me as I struggled to just be a kid I certainly didn't hate anyone and my being bussed to a White school only served to complicate things as I found myself eventually feeling trapped in my own community and walking a tightrope between two diverse cultures Surprisingly I found peace friendship and acceptance in the most unlikely of places My years in Sheepshead Bay Brooklyn were both character building and life changing and laid the foundation for my becoming the man that I am today This story is told through the eyes of a precocious and intelligent little boy and it's told with humor and love It is my hope that while you're reading this book you will get a strong sense of the love I had for my family my community and the new world of friendships that embraced me Being away from my mother's watchful eye offered me a newfound freedom but it also demanded that I grow up quickly keep my wits about me and utilize everything I'd ever learned
