Ryder Cup:

Miracle at Medinah: Europe's Amazing Ryder Cup Comeback Oliver Holt, 2012-11-22 Golf fans will not forget the 39th Ryder Cup in a hurry Staged at the Medinah Country Club just outside of Chicago the 2012 event has already gone down as the most remarkable competition in its 85 year history The American team had home advantage and a golf course unapologetically set up to suit its own players Supported by tens of thousands of loud and proud fans the USA's star studded line up dominated the first two days and ended the Saturday with a seemingly unassailable 10-6 advantage No away team had ever won the Ryder Cup from such an unpromising position Sunday was singles day traditionally the forte of American teams The situation looked bleak especially when European team member and number 1 golfer in the world Rory McIlroy very nearly missed his tee off time Yet slowly but surely the European team who had top loaded their line up in one last throw of the dice started to turn the scoreboard blue With inspirational captain Jose Maria Olazabal stirring European blood with thoughts of the late Ryder Cup magician Seve Ballesteros whose silhouette was emblazoned on the players sweaters and bags the tide turned and the previously dominant American players started to crumble in the face of the onslaught Suddenly European players were holing miraculous putts to win holes out of the blue Something very special was happening When German Martin Kaymer sank his putt on the eighteenth green to clinch the point that retained the Ryder Cup the most astonishing comeback in the event's long and distinguished history was complete Miracle at Medinah is the compelling narrative of those amazing three days in Illinois a fitting chronicle of an unbelievable sporting story *Ryder Cup - Player by Player* McCann Liam, 2014-08-18 The brainchild of Samuel Ryder a wealthy seed merchant from St Albans the Ryder Cup was a bi annual British American professional golf tournament that was first played for the trophy bearing his name in Worcester Massachusetts in 1927 America won the match and gradually became the dominant force in the competition During the 1960s the results were so one sided that the Ryder Cup was expanded so that players from Ireland could compete for the British team As the Americans continued to win comfortably Jack Nicklaus led the movement to alter the teams so that European players were also allowed to compete against them Since 1983 the contest has become one of the most competitive tournaments in the world with many players achieving sporting immortality for their exploits on green and fairway on both sides of the Atlantic This book examines the careers and Ryder Cup contributions of 50 of the greatest golfers in history from Tiger Woods and Arnold Palmer to Seve Ballesteros and Nick Faldo Lavishly illustrated throughout this book provides the perfect accompaniment to the upcoming tournament at Gleneagles in Scotland *Draw in the Dunes* Neil Sagebiel, 2014-09-09 Chronicles the events and incredible finish of the 1969 Ryder Cup a golf tournament that began a lifelong friendship between the two stars Jack Nicklaus and Tony Jacklin **The Ryder Cup** Bruce Critchley, Henry Lord, Peter Pugh, 2010-09 For those old enough to remember the Ryder Cups before the 1980s were often dispiriting affairs especially if you were British The Americans were simply too good and the British won only very occasionally At the end of

the 1970s the great American golfer Jack Nicklaus suggested that the British invite golfers from Europe to join their team Seve Ballesteros from Spain and Bernhard Langer from Germany were just coming to the peak of their careers and it was an inspired suggestion that fortunately the British accepted The contest became more even and the Europeans began to win as often as the Americans Indeed since 1981 Europe has won ten of the sixteen contests There have been many close and exciting contests with huge dramas developing on the last day Standing out are the matches at Brookline in 1999 when the Americans overturned a deficit of 10 6 going into the final day Celtic Manor in 2010 when the Americans nearly but not quite overturned a substantial European lead and finally at Medinah in 2012 when the Americans were cruising comfortably to victory on Saturday afternoon with a 10 4 lead only for the Europeans to fight back first by winning the last two fourballs on the Saturday and then winning 81 2 points out of 12 in the singles on Sunday The Ryder Cup captures all the glory of golf s greatest match

Ryder Cup Player by Player Liam McCann,2015-01-26 The brainchild of Samuel Ryder a wealthy seed merchant from St Albans the Ryder Cup was a bi annual British American professional golf tournament that was first played for the trophy bearing his name in Worcester Massachusetts in 1927 America won the match and gradually became the dominant force in the competition During the 1960s the results were so one sided that the Ryder Cup was expanded so that players from Ireland could compete for the British team As the Americans continued to win comfortably Jack Nicklaus led the movement to alter the teams so that European players were also allowed to compete against them Since 1983 the contest has become one of the most competitive tournaments in the world with many players achieving sporting immortality for their exploits on green and fairway on both sides of the Atlantic This book examines the careers and Ryder Cup contributions of 50 of the greatest golfers in history from Tiger Woods and Arnold Palmer to Steve Ballesteros and Nick Faldo Lavishly illustrated throughout this book provides the perfect accompaniment to the upcoming tournament at Gleneagles in Scotland

The Cup They Couldn't Lose Shane Ryan,2022-05-10 The definitive story of the Ryder Cup the event that pits the best golfers from America against the best from Europe exploring the modern history of the tournament that led to the showdown at Whistling Straits in 2021 The task facing Steve Stricker at the 2021 Ryder Cup was enormous It

was his job as the American captain to stare down almost 40 years of Ryder Cup history break a pattern of home losses that had persisted almost as long and reverse the tide of European dominance in one of golf's most tense and emotional events. This was the epitome of a must win but it was also something more in the entire 93 year history of the event no American side had ever faced this kind of pressure. Starting on the morning of September 24 those 12 players competed not just for a Cup or for pride but to save the reputation of the U.S. team itself. The great mystery of the Ryder Cup is that America loses despite having superior individual talent. The European renaissance began in the 1980s led by the brilliant Tony Jacklin and Seve Ballesteros and since then the U.S. has suffered a slew of embarrassing defeats abroad and at home. The signs in 2021 weren't good. Tiger Woods was out after his horrific car crash. Patrick Reed, Captain America to his supporters, was hospitalized with double pneumonia weeks before the event and America had to rely on its rising stars including Bryson DeChambeau and Brooks Koepka who spent most of the year immersed in an escalating feud to prove their mettle. Meanwhile the European team had a few major stars of its own like Jon Rahm the world no. 1 and the first Spanish player ever to win the U.S. Open and Rory McIlroy the four time major winner. Throw in the complications of a global pandemic and the stage was set for one of the strangest Ryder Cups ever. Following the drama in Wisconsin while deconstructing the rich history of the tournament **The Cup They Couldn't Lose** tells the story of how the U.S. defeated Europe in record fashion restored their status as golf's global superpower and transformed their entire way of thinking in order to truly understand the nature of the Ryder Cup.

How We Won the Ryder Cup Norman Dabell, 2011-07-15 The Ryder Cup battle between Europe and the USA is one of the biggest events in the golfing calendar and in 2006 the former underdogs showed they are now the dominant force in the biennial matches. It was another marvellous example of teamwork and the caddies have played no small part in Europe overcoming the odds. The players hit the shots their trusty caddies share the hopes the glory and occasionally the misery. What was it like being beside Sam Torrance when he holed the winning putt and shed his tears on that historic moment at The Belfry in 1985? Fast forward to 2006 and a highly emotional appearance by Darren Clarke. What was it like being by his
