Rye Man:

The Rye Man David Park, 2015-05-07 To write well about Ulster while keeping terrorism from monopolising the foreground is infinitely hard This wise sincere troubling novel shows how it should be done The Times To pull off this sort of story satisfactorily demands a skill in timing and a clarity in presentation which are beyond most novelists but Park doesn't put a foot wrong Sunday Telegraph _____ Returning to rural Northern Ireland for a fresh start John Cameron takes on the role of headmaster at his old primary school But as dark memories are disturbed and his marriage falters Cameron is left feeling powerless in this fractured community Driven by unresolved grief and tormented by his waking dreams he is forced to confront his past as he struggles to prevent history from repeating itself *The Federal Calculator, Or, American Schoolmaster's Assistant and Young Man's Companion* Daniel Hawley, 1811 *The Real St. Nicholas* Louise Carus, 2002-10-01 A collection of folktales and stories from throughout Europe reveals that the generosity and kindness attributed to Saint Nicholas goes beyond delivering toys to children **Eden Awakening** Adrian Kent, 2021-12-15 A fast paced and action packed Science Fiction thriller A definite page turner in the tradition of Blade Runner Elysium and Minority Report Military action with a twist of genetic manipulation and fast paced action Like Jack Ryan on steroids with more action and set in the future GRIPPING FROM START TO FINISH DIFFICULT TO PUT DOWN Rye Braden always knew he was different even faster and stronger than the other special forces soldiers he had worked with over the years Now that he was working as a private military contractor fighting conflicts across the globe he was becoming acutely aware that his capabilities may be more than just what he was born with In 2054 the world had changed The United Continents now controlled most of the planet and had meant to rid the world of conflict However there would always be those that were opposed to change With Sky Zone One being commissioned high above the Earth it meant the privileged had an opportunity to leave the Earth's surface and live in luxury Anger rose quickly as those not worthy are excluded from any chance of ever being considered to live their lives on the first Sky Zone No longer would people stand by and bow down to the United Continents Something spectacular had to occur to effect change What begins as a simple question may turn out to be a dangerous road for Rye and his colleagues The very answers he is searching for may even become his deadliest enemy in a battle to save millions of lives Can Rye find the truth about himself in time to fully harness the power he may have THE FIRST BOOK FROM THE RYE BRADEN TRILOGY **Rich Man's War, Poor Man's Fight** Jeanette Keith, 2005-10-12 During World War I thousands of rural southern men black and white refused to serve in the military Some failed to register for the draft while others deserted after being inducted In the countryside armed bands of deserters defied local authorities capturing them required the dispatch of federal troops into three southern states Jeanette Keith traces southern draft resistance to several sources including whites long term political opposition to militarism southern blacks reluctance to serve a nation that refused to respect their rights the peace witness of southern churches and above all anger at class bias in

federal conscription policies Keith shows how draft dodgers success in avoiding service resulted from the failure of southern states to create effective mechanisms for identifying and classifying individuals Lacking local level data on draft evaders the federal government used agencies of surveillance both to find reluctant conscripts and to squelch antiwar dissent in rural areas Drawing upon rarely used local draft board reports Selective Service archives Bureau of Investigation reports and southern political leaders constituent files Keith offers new insights into rural southern politics and society as well as the growing power of the nation state in early twentieth century America **South of South Beach** Keith G.

Laufenberg,2014-07-05 South of South Beach takes the reader back in time to the 60 s and 70 s during a time when South Beach was nothing like the glitzy Art Deco district it is today but more of a dilapidated run down section of real estate where Chris Dundee runs the 5th Street Gym and many transplanted prizefighters Muhammad Ali among them roam the streets looking for something to while away the hours while they prepare their bodies for the task of fighting another highly trained boxer who wants to beat their brains out even as they wish to do much the same to them The girls stroll parts of South Beach in bikinis and the Beatles have even visited the 5th Street Gym recently the beat generation is giving way to the hippie free love generation so come back in time and visit what today is one of the world s great vacation centers but at this time during the 1960 s was more of a slum or a ghetto to avoid at your own peril especially a small stretch of beach just south of South Beach

A Dictionary of Slang, Jargon & Cant Albert Barrère,Charles Godfrey Leland,1890 Sparky and the Waarheid Camera Stephen DeLuca,2008-11 Sparky and the Waarheid Camera is a darkly comic tale of oddballs subterfuge selfishness and disappointment which contrast with the title character s charming innocence The novel follows Sparky Donnelly a ten year old boy whose superficially idyllic home life is about to shatter Sparky is aware that something is wrong a feeling which he experiences as a vague indefinable dissatisfaction and naively attributes to his television fueled perception that other people are living far more fun and exciting lives than he is This idea obsesses Sparky and triggers an extraordinary dream of an entire day Armed with several hundred dollars and a special camera that purportedly reveals the true essence of things rather than their outward appearance Sparky gets a taste of a wide spectrum of dysfunctional and perverse adults in his travels The conversations that ensue from these surreal encounters serve up slyly ironic and raunchy humor including some unwittingly sardonic observations by Sparky himself

OMSCWP,2011-12-10 Welcome to the third instalment book three on the journey to a million stories but of course it is about more than just the numbers It is about the creative spirit that has given us the drive to write the energy to express what we think feel or desire This year has been a year of innovation and new ideas at millionstories net The 52 Shorts Challenge invited writers to respond to weekly writing prompts As an experiment it helped some authors achieve some incredible results with fantastic leaps of the imagination combined with terrific industry It was devised as a way to coach writers into a regular writing habit over the course of a year Some of these stories are right here in this collection Within these pages you will discover commentary on the London riots the monsoon living with HIV celebrity the perils of invisibility environmental vandalism ghosts monsters and a nice cup of tea *Streetlife* Keith G. Laufenberg Laufenberg,2014-07-18 *Streetlife* is a collection of stories that focuses on and vividly reveals the harsh realities of life on the streets in America It shows the edges of those streets and how we can easily fall through the cracks in the so called free market Capitalist system to end up there with little more than one unfortunate circumstance Here then is an offering of stories that interweave humor with the all too often coincidental and sometimes pathetic circumstances that land so many of these characters down a dark road to oblivion These offerings as well as the rest will keep the reader on edge until the story and book are finished [Code of Federal Regulations](#) ,1961 **The Manly Art** Keith G. Laufenberg,2014-05-19 The Manly Art is another collection of writer Keith G Laufenberg s short stories only this time with the defining factor being that they all involve the sport of boxing Having been in the sport himself beginning at age 17 when he entered Marine Corps boot camp and ending after seven years fought as a professional he is afforded a closer more intimate look into the boxers lives In Sonny Liston s Eyes the reader is taken into the Underworld of the sport when a writer interviews an ex mobster who is dying of lung cancer and claims to have killed Sonny Liston as well as JFK and Martin Luther King Jr He tells an incredible story but backs it up by saying he has absolutely verifiable evidence that he will produce for the writer In Frankenstein we see why a young amateur boxer should have picked boxing over football He has little say in the matter though as his father and uncle have trained him his entire life for football and it along with the other stories will keep you glued to the page **Cottage Economy, to Which is Added The Poor Man's Friend** William Cobbett,2022-08-01 In *Cottage Economy to Which is Added The Poor Man's Friend* William Cobbett presents a groundbreaking exploration of rural life and self sufficiency in early 19th century England This treatise rich in practical advice and straightforward prose advocates for the benefits of cottage industries and agrarian practices that empower the working class Cobbett employs a didactic yet engaging literary style interspersing personal anecdotes with statistical data to illustrate the economic advantages of local food production and the importance of self reliance The book serves as both a manual and a manifesto urging the lower classes to reclaim their dignity and independence through agricultural knowledge and skillful economy Cobbett a prominent social reformer and political writer was profoundly influenced by his own modest upbringing and experiences as a farmer His discontent with the industrial revolution s impact

on rural communities fueled his passion to advocate for the rights of the laboring poor With an extensive background in journalism and a keen interest in agricultural practices Cobbett was uniquely positioned to address the struggles of his contemporaries while providing practical solutions for their socio economic challenges Readers seeking a profound understanding of early 19th century agrarian issues and a blueprint for sustainable living will find Cottage Economy invaluable Cobbett s insightful observations and practical guidance resonate beyond their historical context making this work a vital resource for anyone interested in the intersections of economy agriculture and social justice **Hansard's**
