Meeting, 2011 While religion can be a source of healing peace and reconciliation it can also be a trigger if not an underlying cause for conflict between peoples of varying beliefs With that awareness the International Academy of Practical Theology convened its 2007 meeting around the theme of Religion Diversity and Conflict From the multiple seminars lectures and studies presented at that meeting a selection was chosen for this book Representing contributions from four continents and drawing upon perspectives from African traditional religions Judaism Islam and Christianity the book offers a rich introduction to the problems and promises of religion in dialogue with 21st century diversity Religion Diversity and Conflict will serve as a veritable primer on the field of practical theology Series International Practical Theology Vol 15 Sacred Time Christine Valters Paintner, 2021-02-19 We live in a world where there never seems to be enough time for all we want and need to do In *Sacred Time Embracing an Intentional Way of Life* Christine Valters Paintner guides us as we move beyond our own lives and embrace a world that urges us toward rest reflection and growth In *Sacred Time* Paintner abbess of the online Abbey of the Arts shows us how by becoming in tune with the rhythms of the natural world we can live more intentionally and experience a conversion toward a more expansive way of being Paintner introduces us to the eight cycles of sacred time that exist in our everyday lives These cycles that can ground us through our busy lives are breath rhythms of the day weekly rhythms and Sabbath rest waxing and waning lunar cycles seasons of the year seasons of a lifetime ancestral time and cosmic time Each cycle encourages us to mindfully

consider the time that passes as quickly as each breath and as slowly as the passing of generations Within each cycle we find wisdom from sacred tradition and the saints including St Benedict St Ignatius of Loyola and St Hildegard of Bingen room for growth and the presence of the Divine Along the way we are also given scriptural guidance and we are invited to spiritual practices and creative explorations that will help deepen our understanding of each cycle allow that understanding to take root in our lives and expand our lives beyond the pressures of each day **Planning Sabbaticals** Robert C.

Saler,2019-11-01 Sabbaticals are becoming increasingly common practice in congregations and while there are many books on helping pastors prepare for their time away there are no texts that approach the experience with the congregation in mind from start to finish This guide for congregations and their pastors draws on nearly two decades of wisdom from the Lily Endowment Clergy Renewal Program and helps draw the conversation away from a pastor centric model and towards a holistic congregational framework for thinking about how the entire community can benefit from a pastor s sabbatical

Blessed Connections Judith Schwanz, 2008-01-15 No pastor sets out to fail but statistics say 15 to 20 percent of pastors leave pastoral ministry within the first five years One seminary administrator said that every person he had heard of leaving the ministry had done so because of a relationship failure We cannot escape relationships in ministry yet few seminaries offer courses in how to build healthy relationships The assumption is that the type of person who is called to ministry will have all the people skills they need which sadly is not always true In *Blessed Connections* seminary professor Judith Schwanz focuses on the person of the minister and the relational system of the minister's life She spotlights three areas of connection relationship with self relationships with other people and relationship with God Attending to these three primary connections will strengthen the pastor and cushion her or him against the pressures and stresses of daily ministry *Blessed Connections* is ideal for seminary students and new pastors and includes Assessment Journal questions at the end of each chapter for personal application

Leadership Paradigms in Chaplaincy, Joel Graves, 2007. This dissertation argues that business people, clergy, lay persons, and many chaplains do not understand the leadership and management dynamics of chaplaincy, and this lack of knowledge has a direct impact on how chaplaincy is done and not done in certain areas. In chaplaincy, and many churches, leadership, management, and ministry have a synergistic effect when they come together in response to a problem or crisis. An understanding of chaplaincy dynamics, scope, methods, possibilities, and issues in relation to this effect is vital to this growing field in four areas: Helps prepare people for ministry as chaplains; whether clergy or lay, benefits those already in chaplaincy; ministry helps clergy reexamine their ministry to determine if they are where God wants them; serves to teach everyone, including upper-level management and senior church leaders, of the roles, actual or potential, that chaplains can fill in response to the growing needs of people.

Sharing Possessions, Luke Timothy Johnson, 2011-01-24. This book is written as an exercise in theological reflection on one of the knottiest questions imaginable: the connection between being a Christian and the way we own and use things. When we turn to thinking about money and possessions, we find ourselves in murky waters. The things we own and use, like our sexuality, lie close to the bone of our individual and collective sense of identity. So writes respected scholar Luke Timothy Johnson in his introduction to *Sharing Possessions*. What Faith Demands: Stepping purposefully into the murky waters of owning and sharing. Johnson endeavors to clarify and define the ambiguous concept of human possession, especially in relation to God's divine ownership and to discern the Bible's teaching on the mystery of human possessing and possessiveness. This second edition, reflecting thirty years of Johnson's further thinking on the subject, features chapters expanded with fresh insights, helpful new study questions for each chapter, and a substantial epilogue updating the work. All who found in Luke Johnson's treatment of possessions as part of the mystery of human existence a deeper and more fruitful approach to the problems of wealth and poverty will find in this new edition continued critical reflection and fresh insight. Those for whom this is a first encounter will find out what made it worth reissuing after thirty

A Path to Belonging Mary Kay DuChene, Mark Sundby, 2022-07-12 Loneliness or the feeling of being cut off from others is an epidemic among people in America Studies have shown that up to half of Americans are lonely While some may think that clergy have a strong built in community this is not often the case According to leadership development consultants Mary Kay DuChene and Mark Sundby clergy are as lonely as the general population In *A Path to Belonging Overcoming Clergy Loneliness* DuChene and Sundby argue that clergy need to address their experience of loneliness First loneliness can interfere with leadership effectiveness Second it offers a ministry opportunity to connect with people around the topic of loneliness But clergy must first deal with their own loneliness and begin to experience the healing balm of social connection Each chapter begins with a case study that illustrates an aspect of clergy loneliness DuChene and Sundby draw on original research on loneliness among clergy across denominations first administering the state of the art inventory to measure loneliness and then following up with qualitative interviews They also draw on years of experience working directly with clergy and congregations The authors then offer tools and remedies for the path toward a healthy sense of contentment and belonging The book also explores what judicatory leaders congregations and friends and family of clergy can do to support clergy By normalizing and reframing loneliness however *A Path to Belonging* not only suggests ways to overcome the loneliness present in ministry DuChene and Sundby propose an even larger vision Perhaps clergy can also help the congregations they serve become social connectors in their communities and thereby begin to solve the epidemic of loneliness in the United States [Finding Your Voice in the Psalms](#) Elizabeth J.
