

A large, leafy tree stands in a field of tall grass. The scene is set at sunset or sunrise, with a warm, golden light illuminating the landscape. In the background, a body of water and distant hills are visible under a clear sky. A simple wooden bench is positioned to the right of the tree's base.

our nation can return to our foundation and regain our lost dignity security and well being Embracing Our Roots Paul J. Palma,2021-03-31 America has provided a platform for countless migrant peoples who have in turn contributed to the nation's landscape as a multicultural land of opportunity Still the waves of assimilation can obscure the distinctive customs and beliefs of immigrants many feeling coerced to conform to American attitudes towards race the economy and politics Others inundated with American media consumerism and secularity have forgotten those aspects about their family heritage that make them unique Drawing from Palma's background as an Italian American evangelical *Embracing Our Roots* considers the significance of rediscovering our ancestral history in a society where many are forced to repress ignore or reject their heritage A nation of immigrants every American is in some sense an ethnic American and stands to gain from considering how the people and places they come from make them unique In addition to using genealogy databases and social networks Palma maintains the rich value of thumbing through the family archives hearty conversations with loved ones and building one's family tree This book is for scholars and laypersons alike with interest in the themes of biblical living faith based traditions food culture immigration social class race family dynamics and mental health *Real Followers* Rev. Dr. Mike Slaughter,2010-09-01 Many Christians disillusioned with lives of spiritual mediocrity that have been dampened by today's rampant materialism and cafeteria spirituality are asking the same question Where is the substance that can move our church beyond humdrum Christianity Today's public fascination with angels New Age spirituality and the paranormal is likewise spurring Christ's followers to look for greater and deeper life transformation through their faith *Real Followers* Beyond Virtual Christianity shows how an ordinary church can be transformed into a radical community a fellowship of everyday people who began looking for meaning and searching for authenticity Michael Slaughter describes a movement that is hooked in various generations from buster to boomer to builder This resource also includes discussion questions Key Features Readers examine culturally relevant concepts to ask the age old question Will you give up your right to yourself take up the cross and radically follow Jesus Readers are presented with a workable example of how to grow their church with examples from Ginghamburg Church Contains case studies of real people who have begun a migration in the wrong direction Includes discussion questions Key Benefits Readers learn what it really means to find their destiny as Christ's followers Readers are inspired to take doable steps toward becoming authentic Christ followers **A Curious Student's Guide to the Book of Deuteronomy** Reuven Travis,2022-06-13 One of the most common phrases in the Torah is And the LORD spoke to Moses saying So many of the Torah's commandments are introduced in this way These words represent God speaking to Moses and instructing him what to repeat or teach to the Jewish people Yet this phrase is not found at all in Deuteronomy and this helps explain why this book is so very different from the other books of the Torah Deuteronomy is Moses's book It is the record of Moses's final speech to the Jewish people before his death But this leads to a very basic and very fundamental question Why are the words of man even a man as great as Moses part of God's holy Torah A very good

question a powerful one indeed And while we may not come up with a good or satisfying answer this book examines and presents life lessons just as important as those found in any other biblical text **Primary Bible Lessons** My Bible First, Creation to Abraham *Christian Statesman* ,1906 Mensch-Marks Joshua Hammerman,2019-04-02 The Talmud states In a world that lacks humanity be human In a world as untethered as ours has become simply being human a good person is a measure of heroism At a time when norms of civility are being routinely overwhelmed it may be the only measure that matters Mensch Marks represents Rabbi Joshua Hammerman s personal Torah scroll the sacred text of his experiences the life lessons he has learned along his winding circuitous journey Mirroring 42 steps Israel wandered in the Wilderness Hammerman offers 42 brief essays several of which first appeared in The New York Times Magazine organized into categories of character or mensch marks each one a stepping stone toward spiritual maturation These essays span most of Rabbi Hammerman s life revealing how he has striven to be a mensch a human of character through every challenge Mensch Marks creates a brand new genre It is memoir as sacred story as how to book a series of personal vignettes in dialogue with one another over the span of decades resonating with eternal ideas that span centuries It traces the author s own personal growth while providing a road map for people of all backgrounds seeking a life of moral vision The wisdom is shared not from a pulpit on high but rather from an unfolding story of a fellow traveler one who has stumbled failed and persevered struggling with the questions large and small Through it all Rabbi Hammerman has tried to live with dignity and grace what he calls the nobility of normalcy He writes If by sharing what I ve learned I can add a modicum of generosity honesty and human connection in a world overflowing with cruelty loneliness and deceit then I ll have done my job The essays cover crucial moments of failure and forgiveness loving and letting go finding deeper meaning in one s work and holiness in the seemingly inconsequential moments of everyday life Rabbi Hammerman ever the optimist believes that we can turn things around one mensch at a time *History of the Sabbath and First Day of the Week* John Nevins Andrews,1887 **The Home Missionary** ,1858 No 3 of each volume contains the annual report and minutes of the annual meeting **Room to Grow** Martin B. Called to War Art Hobba,2010-04-15 The Christian radio talk show host asked the well known women s ministry leader the question So what do you think about the statement that men in the church have been feminized Her immediate response was I totally disagree Men in American have not been feminized at all they have been emasculated Men don t feel a need to be more like women they just have lost their identity as men This book begins with the true story told by a washed up minister whom God forgave healed restored and reenlisted in his service The real story lies however how a few men discontented with the detachment of men in their church and inspired by the Holy Spirit discovered a pathway to re engagement as God s man in this hour or maybe real engagement for the very first time Many of you who chose to read this book may have suffered through some potentially debilitating failures We have much in common my friend In fact I have learned to not trust a man until he has shown me his scars Welcome to Warrior Boot Camp The reader will take a journey through a season of breaking down and shredding of the things of this world that have insidiously crept like tendrils into our hearts and minds We will then explore the practical military view including strategies and tactics that is pervasive throughout scripture regarding our calling to engage and win the spiritual war against our three foes The world systemThe carnal human natureThe demonic spiritual realm led by Satan The second half of the book builds up the reader with the understanding of how to dress for success in the Kingdom by putting on and effectively fighting in God s armor Ephesians 6 Warriors must be expert in weaponry and the invisible war of the Spirit is not the exception but the rule The real hero of this Warrior saga is Gideon Judges 6 8 We will get into his shoes as he hides in the wine press and then into his head and finally his heart as he is transformed from fearful farmer to mighty warrior Together we will explore the common threads of manhood as lived out by the greatest warrior in Israel s history Called to War will most assuredly be compared with Wild at Heart and Raising a Modern Day Knight Art Hobba s resourcefulness takes new ground earning inclusion in this unique fellowship of unabashed Servant Warriors Men of God saddle up you have been Called to War

1,000-Day Journey Jan Taylor Lippitt,2022-06-18 Our life journey isn t always smooth days are not always wonderful The author explores passages from Scripture and the personal message it has for each of us What can we learn from God s timeless word for our everyday living From several years of written meditations she has taken one thousand days of Scripture reflections coupled with a daily gratitude there is something for which we can be grateful every day and written them with the sole purpose of sharing insights from ordinary days in an ordinary life on a path guided by an extraordinary God

A Cup of Honey Neile Sue Friedman,2015-12-18 In 1980 I had a discussion with Elie Wiesel He told me that it was my obligation to tell the world about the Holocaust that I had survived to tell the world what had happened I remembered that my mother had once told me the

same thing Eliezer Ayalon For ten year old Lazorek Hershenfis in Radom Poland life with his family is joyful Lazorek s father Israel known as Srul operates a leather cutting business and the family spends idyllic summers harvesting fruit from orchards in the nearby countryside His brothers Mayer and Abush work as tailors to supplement the family s income and Lazorek s sister Chaya is a kindergarten teacher and a playmate especially cherished A deeply respected healer in the community Lazorek s beautiful mother Rivka shows him the meaning of caring unselfishly for others But what is given does not always appear to be returned in kind as Lazorek discovers on his journey into the ghetto and the concentration camps Lazorek survives and journeys to Palestine taking the name Eliezer Ayalon A new life begins but can memories be forgotten With A Cup of Honey Neile Sue Friedman and Eliezer Ayalon impart the richness and endurance of the family love that inspires the Holocaust survivor to perpetuate the lives of those he lost by telling their story *The Weakness of God* John D. Caputo, 2006-04-27 The author of What Would Jesus Deconstruct makes a bold attempt to reconfigure the terms of debate around the topic of divine omnipotence Choice Applying an ever more radical hermeneutics including Husserlian and Heideggerian phenomenology Derridian deconstruction and feminism John D Caputo breaks down the name of God in this irrepressible book Instead of looking at God as merely a name Caputo views it as an event or what the name conjures or promises in the future For Caputo the event exposes God as weak unstable and barely functional While this view of God flies in the face of most religions and philosophies it also puts up a serious challenge to fundamental tenets of theology and ontology Along the way Caputo s readings of the New Testament especially of Paul s view of the Kingdom of God help to support the weak force theory This penetrating work cuts to the core of issues and questions What is the nature of God What is the nature of being What is the relationship between God and being What is the meaning of forgiveness faith piety or transcendence that define the terrain of contemporary philosophy of religion Caputo comes out of the closet as a theologian in this work Catherine Keller Drew University Caputo has a gift for explaining Continental philosophy s jargon succinctly and accurately and despite technical and foreign terms this book will engage upper level undergraduates Includes scriptural and general indexes Highly recommended Choice
