Texians won their independence in 1836 religious congregations began to meet openly and to build houses of worship Most of these early church buildings were poorly built and did not survive the ravages of time Eventually stronger buildings were erected But even then with open fireplaces and wood burning stoves providing heat and candles or kerosene lanterns providing the primary source of light church buildings were often destroyed by accidental fires In addition with time congregations often outgrew their vintage church buildings or could no longer afford the high cost of maintaining the older outdated buildings As a result congregations abandoned them to erect larger and often more elaborate edifices Once abandoned the old church buildings were razed or if left standing rapidly deteriorated Over the past twelve years my wife and I have visited and photographed almost one thousand historic churches in Texas Photographing these historic church buildings and learning about the pioneers that often at great risk founded and maintained them has been a project of love Visiting these historic churches and meeting the people that maintain them today has been inspirational

Sergeant James Brooks of Texas Ranger Company F was engaged in three fatal gunfights endured disfiguring bullet wounds engaged in countless manhunts was convicted of second degree murder and rattled Washington D C with a request for a pardon from the US president His story anchors the tale of Joe Pappalardo s Red Sky Morning an epic saga of lawmen and criminals set in Texas during the waning years of the Old West Alongside Brooks were the Rangers of Company F who ranged from a pious teetotaler to a cowboy fleeing retribution for killing a man They were all led by Captain William Scott who cut his teeth as a freelance undercover informant but was facing the end of his Ranger career Company F hunted criminals across Texas and beyond killing them as needed and were confident they could bring anyone to Ranger justice But Brooks men met their match in the Conner family East Texas master hunters and jailbreakers who were wanted for their part in a bloody family feud The full story of Company F s showdown with the Conner family is finally being told with long dead voices heard for the first time This truly hidden history paints the grim picture of neighbors and relatives becoming snitches and bounty hunters and a company of Texas Rangers who waded into the conflict only to find themselves in over their heads and in the fight of their lives **Texas State Journal of Medicine** ,1910 *Walking in History* Evelyn Wrinkle Caylor Cross,2006
