Sabres Over MiG Alley Kenneth P Werrell, 2013-06-11 This is the story of the first jet versus jet war the largest in number of victories and losses and one of the few military bright spots in the Korean War It tells how an outnumbered force of F 86 Sabres limited by range and restricted by the rules of engagement decisively defeated its foe Based on the latest scholarship author Kenneth Werrell uses previously untapped sources and interviews with sixty former F 86 pilots to explore new aspects of the subject and shed light on controversies previously neglected For example he found much greater violation of the Yalu River than thus far has appeared in the published materials The F 86 became a legend in The Forgotten War because of its performance and beauty but most of all because of its record in combat City on the Edge Mark Goldman, 2010-06-03 BUFFALO NEW YORK IS ENJOYING A RESURGENCE AND HAS BECOME A RECOMMENDED TRAVEL DESTINATION THIS BOOK TELLS THE STORY OF HOW IT GOT HERE In a sweeping narrative that speaks to the serious student of urban studies as well as the general reader Mark Goldman tells the story of twentieth century Buffalo New York Goldman covers all of the major developments The rise and decline of the city's downtown and ethnic neighborhoods The impact of racial change and suburbanization The role and function of the arts in the life of the community Urban politics urban design and city planning While describing the changes that so drastically altered the form function and character of the city Goldman through detailed descriptions of special people and special places gives a sense of intimacy and immediacy to these otherwise impersonal historical forces *City on the Edge* unflinchingly documents and describes how Buffalo has been battered by the tides of history But it also describes the unique characteristics that have encouraged an innovative cultural climate including Buffalo's dynamic survival instinct that continues to lead to a surprisingly and inspiring high quality of community life Finally it offers a road map which if followed could point the way to a new and exciting future for this long troubled city Avar-Age Polearms and Edged Weapons Gergely Csiky, 2015-09-17 In *Avar Age Polearms and Edged Weapons* Gergely Csiky offers a presentation of close combat weapons of a nomadic population that migrated from Inner Asia to East Central Europe During the late 6th early 7th centuries the Avars led successful military campaigns against the Balkan realms of the Byzantine Empire facilitated by their cavalry's use of stirrups for the first time in Europe Besides the classification manufacturing techniques fittings suspension distribution and chronology of polearms and edged weapons known from Avar age burials a special emphasis is laid on the origins and cultural contacts of these weapons among them the first edged weapons with curved blades the sabres The social significance and function of these artefacts is discussed in order to place them in nomadic warfare The Foreign Quarterly Review, 1841 The Sabre G.W. The Foreign quarterly review [ed. by J.G. Cochrane]. John George Cochrane, 1841 **Soldiering in India** Robert George Hobbes, 1893 **The Greek War of Independence** David Brewer, 2011-11-01 This fresh and compelling study sheds light on the dramatic military political and cultural forces that led Greece to liberation in the 19th century Wall Street Journal In The Greek War of Independence Oxford scholar David Brewer presents a vividly detailed and comprehensive study of one of history's most heroic and bloody struggles for independence This was the revolution of the Romantic Age inspiring painters poets and patriots the world over fired as much by Lord Byron's ringing words and Delacroix's brilliant paintings as by Greece's seemingly hopeless plight For nearly four hundred years the Ottoman Turks governed Greece subjecting the country to crushing and arbitrary tax burdens and its peasants to serfdom The glories of the ancient past were gone and under Turkish rule Greece was poor and backward But inspired by the examples of the American and French revolutions Napoleon's victories and the Latin American wars of liberation the Greek people rose up against their Turkish masters in 1821 Over the course of twelve brutal years a time of terrible violence and bloody massacre the Greeks and the foreign volunteers who flocked to their cause fought until independence was won in 1833

Leyli W. Forbes-Leslie, 1915 Reminiscences [and Notes] of Seventy Years' Life, Travel, and Adventure, Military and Civil, Scientific and Literary: Soldiering in India Robert George Hobbes, 1893 *Child Harold's Pilgrimage. Reminiscences of Seventy Years' Life, Travel, and Adventure, Military and Civil, Scientific and Literary Robert George Hobbes, 1893 Reminiscences of the Civil War John Brown Gordon, 1903 GENERAL JOHN B GORDON'S last work was the publishing of his Reminiscences of the Civil War This volume written in his vigorous style and broad patriotic spirit has been most favorably received and read all over the country Since his death this memorial edition is brought out and it is appropriate that an additional introduction should accompany it somewhat in the shape of a biographical sketch General John Brown Gordon was an all round great man a valiant and distinguished soldier an eminent statesman a great orator an author of merit and a public spirited and useful citizen He was born in Upson County Georgia February 6 1832 His father was the Rev Zachary Herndon Gordon The family was of Scotch extraction and its members fought in the Revolutionary War He received his education at the university of his native State and by profession was a lawyer At the breaking out of the war in 1861 he enlisted as a private soldier and was elected captain of his company His career was perhaps as brilliant as that of any officer in the Confederate army In rapid succession he filled every grade that of Major Lieutenant Colonel Colonel Brigadier General Major General and near the end was assigned to duty as Lieutenant General by authority of the Secretary of War and while he never received the commission in regular form he commanded at the surrender at Appomattox one half of the Army of Northern Virginia under Robert E Lee At the close of the war he had earned the reputation of being perhaps

the most conspicuous and personally valiant officer surviving and the one generally regarded as most promising and competent for increased rank and larger command His imposing and magnificent soldierly bearing coupled with his splendid ringing voice and far reaching oratory made him the White plumed Knight of our Southland and the Chevalier Bayard of the Confederate Army He had the God given talent of getting in front of his troops and in a few magnetic appeals inspiring them almost to madness and being able to lead them into the jaws of death This was notably done at Fredericksburg and again on the 12th of May at the battle of Spottsylvania Court House He greatly distinguished himself on many bloody fields I mention now as most prominent the battles of Seven Pines Sharpsburg or Antietam the Wilderness Spottsylvania Court House Cedar Creek Petersburg and Appomattox At Sharpsburg he was wounded five times but would not leave his troops till the last shot laid him helpless and insensible on the field A scholarly professor of history in one of our Southern universities recently stated that in his study of the great war on both sides he had found but one prominent general who when he was in command or when he led a charge had never been defeated or repulsed and that general was John B Gordon
