Sacco And Vanzetti Case:

Sacco & Vanzetti Francis Russell,1986 Recent evidence throws new light on this famous case of the 1920 s The Case that Will Not Die Herbert Brutus Ehrmann,1969 **The Sacco-Vanzetti Case** Newton Diehl Baker,1928 **The Sacco-Vanzetti Case** Newton Diehl Baker,1928 Sacco and Vanzetti were tried at Dedham in the Superior Court of Massachusetts for Norfolk County May 31 July 14 1921 for the murder of F A Parmenter and A Berardelli at South Braintree April 15 1920 **The Sacco-Vanzetti Trial** Doreen Rappaport,2012-10-01 In 1920 Nicola Sacco and Bartolomeo Vanzetti were accused of murdering two security guards during a robbery Both men were Italian immigrants and self proclaimed anarchists Were these two men guilty or were they the victims of prejudice Readers can assume the role of judge and jury and decide the fate of Sacco and Vanzetti **The Sacco-Vanzetti Case, 1920-27** Alice Dickinson,1972 Outlines the events of the Sacco Vanzetti case and debates the degree of justice done in this most controversial American trial of the twentieth century **The Story of the Sacco-Vanzetti Case** Sacco-Vanzetti Defense Committee,1921 The Case of Sacco and Vanzetti: A Critical Analysis for Lawyers and Laymen Felix Frankfurter,2023-09-10 The Sacco and Vanzetti case is probably America s most controversial court case One of the most important studies of the case was made by Justice Felix Frankfurter when he was a professor of administrative law at Harvard It created considerable stir when initially published in 1927 The book was praised and attacked it was considered thrilling uncomfortable lucid and judicious It was destined to become somewhat of a classic in American juridical literature The author has gone through the record of the successive court proceedings covering thousands of pages of printed matter and on it has based this judicial r sum he makes a survey of the case that is wonderfully compact but complete enough to bring together all the essential developments and present them in a lucid readable narrative The New York Times Mr Frankfurter has very comprehensively analyzed the trial of these two condemned murderers and a careful study compels the experienced lawyer to stand aghast at the result obtained under the absolute disregard for the rules of evidence and the conduct of a trial by a jurist who is supposed to be without prejudice or partiality Edwin M Abbott Journal of the American Institute of Criminal Law and Criminology Felix Frankfurter s book on the Sacco Vanzetti case is a real contribution to the cause of Free Speech it is moreover a thriller Every lawyer ought to read this slender but powerful volume Morris L Ernst The Yale Law Journal This small volume of barely more than a hundred pages should be read by lawyer and by layman The reader will then know how the guaranties of justice and liberty may crumble under the destructive influence of class complacency Charles Nagel Harvard Law Review Felix Frankfurter in his book mercilessly analyzes both the record of the trial and the affidavits summarizing the after discovered evidence upon which a new trial was sought None can read Frankfurter s able brief without an inner conviction that the defendants are innocent Charles I Thompson University of Pennsylvania Law Review and American Law Register This compelling account will remain an important document in the history of what has become one of the outstanding cases in the annals of criminal justice

Professor Frankfurter deserves credit for the courage with which he undertook a task which in the community in which he lives was thankless and unpopular Ernst Freund Social Service Review The whole account is set forth in a manner likely not only to capture but to hold the interest of the reader Besides having been demonstrated by the attacks upon it to be reliable it is no exaggeration to say that the book is really thrilling E W Puttkammer American Journal of Sociology **The Sacco and Vanzetti Case** Michael M. Topp,2004-11-03 In 1920 Nicola Sacco and Bartolomeo Vanzetti two Italian immigrants and devout anarchists were accused of robbery and murder Their subsequent trial and execution captivated the world and exposed many of the cultural and political tensions of 1920s America Sacco and Vanzetti s supporters claimed the two anarchists had been persecuted for their beliefs and not their actions while their detractors saw proof of the country s ability to protect itself from dangerous foreign elements Michael Topp s unique collection of documents examines both sides and provides a clear presentation of the trial while emphasizing the broad historical context in which it was conducted An interpretive introductory essay document headnotes a chronology and questions for consideration provide further pedagogical support A bibliographic essay and a brief discussion of artistic productions based on the trial are also included
