*How Forests Think* Eduardo Kohn, 2013-08-10 Can forests think Do dogs dream In this astonishing book Eduardo Kohn challenges the very foundations of anthropology calling into question our central assumptions about what it means to be human and thus distinct from all other life forms Based on four years of fieldwork among the Runa of Ecuador's Upper Amazon Eduardo Kohn draws on his rich ethnography to explore how Amazonians interact with the many creatures that inhabit one of the world's most complex ecosystems Whether or not we recognize it our anthropological tools hinge on those capacities that make us distinctly human However when we turn our ethnographic attention to how we relate to other kinds of beings these tools which have the effect of divorcing us from the rest of the world break down *How Forests Think* seizes on this breakdown as an opportunity Avoiding reductionistic solutions and without losing sight of how our lives and those of others are caught up in the moral webs we humans spin this book skillfully fashions new kinds of conceptual tools from the strange and unexpected properties of the living world itself In this groundbreaking work Kohn takes anthropology in a new and exciting direction one that offers a more capacious way to think about the world we share with other kinds of beings

*Seeing Indians* Virginia Tilley, 2005 A cross disciplinary study of the political motives for eradicating

Hagan, 2011-05-12 Tazzunt presents a group of Berbers Imazighen the Ait Arbaa who live in the Tessawt Valley of the High Atlas of Morocco eking out a meager existence from the eroded soil of their rugged environment by harvesting turnips millet and maize and one cash crop of walnuts They depend also on a simple form of summer pasture Tazzunt means limit and it refers to an annual ritual which gathers around the shrine of a local Saint Sidi Asdal several villages of the Valley for its celebration A ceremony a feast songs and dances accompany the rite The book is based on a French ethnographic description recorded by a member of that group Hassan Jouad and a Frenchman Bernard Lortat Jacob during the celebration of the opening of the Summer Season Festivities the Tazzunt ceremony in 1978 The original English analysis based on this description was a spring paper written in 1982 at the Department of Anthropology of Stanford University Because such material is so lacking in the anthropological literature of Morocco and given the fact that American universities are beginning to become more interested in Amazigh studies North African Berbers and Tuaregs this small book might be appreciated by a number of people entering that field Hopefully it will also be of interest to anyone else interested in ritual and religious practice in Africa The document opens with an introduction to the Berbers of the High Atlas of Morocco who speak Tamazight a form of a Berber language which has a number of different dialects through North Africa A whole section is devoted to the analysis of their segmentary type of tribal organization and what has been discussed in the past by anthropologists interested in segmentary structures of social organization in past anthropological literature The various mechanisms of affiliations and alliances recognized by Berbers Imazighen in this part of the world about the middle of the twentieth century are also examined and assessed as to their function and place in the tapestry of relations not just among the Ait Arbaa but more generally among the Berbers of that region The presence of marabouts saintly men such as Sidi Asdal the local saint of the upper Tessawt Valley and a maraboutic complex which antedates the arrival of Islam and has been incorporated into religious practice in Moorcco are also introduced and discussed in a separate section of the book The concept of Baraka blessing and power of blessing is introduced and analyzed Social order and the segmentary structure of social organization are singularly modified by the presence of these powerful saintly men with Baraka as opposed to the rule of elected temporal chiefs or amghars A model of equilibrium fluidity and flexibility emerges from such a factor at the core of a structured hierarchical society The ritual of Tazzunt itself is presented explained and analyzed An anthropological reflection on the importance of ritual song and dance rounds up the presentation All aspects of the presentation of the ritual of Tazzunt and its meaning for the villagers and mountain people of the Tessawt Valley are backed by a series of poems and songs which were translated from their original Tamazight composition into French by Hassan Jouad and subsequently translated from the French into English by the author of the book Helene Hagan The poetry is essential to the actual substance and meaning of the actions described In addition to the importance of the poetry which accompanies the prose of the explanatory text the author had the extraordinary luck to

come across a set of photographs taken in that valley around the very time that this document was being written These photographs were taken by two architects Anne and Olivier Fougerat who were kind enough to share their beautiful photography taken in May of 1984 in the Upper Tassawt Valley of the High Atlas of Morocco
