

The background of the cover is a photograph of an ancient stone temple entrance. The structure is made of large, weathered stone blocks with intricate carvings and reliefs. The entrance is framed by a heavy lintel and pilasters. The lighting is dramatic, with strong shadows and highlights that emphasize the texture and depth of the stone carvings.

The Sacred Quest Louise A. Langley, 2011 **Who Am I?** Jean Klein, 2006-08-06 In his well known clear and lucid style Jean Klein offers a book that is fundamentally about ourselves about our own reality and how we can start to realise our true nature our inner stillness and wholeness Unique among Jean Klein's works the dialogues contained in this book have been organised by subject Topics include Relationship The Nature of Thinking The Art of Listening A conversation on Art etc Questioner In certain situations in life I feel blocked by a fear which prevents me from acting How can I be free from this obstacle Jean Klein First free yourself from the word the concept fear It is loaded with memory Face only the perception Accept the sensation completely When the personality who judges and controls is completely absent when there is no longer a psychological relationship with the sensation it is really welcomed and unfolds Only in welcoming without a welcomer can there be real transformation We are in essence one with all existence when we truly observe ourselves there is ultimately no observer only observation awareness
