The Sacred City of Anuradhapura Brahmachari Walisinha Harischandra,1908      **The Sacred City of Anuradhapura**  
Brahmachari Walisinha Harischandra,2015-06-24 Excerpt from The Sacred City of Anuradhapura With Forty Six Illustrations  
In presenting this enlarged second edition I am glad that I have realised my hope as expressed in November 1904 in the  
preface to my first attempt of The Sacred City of Anuradhapura having 25 pages and five illustrations The main object of this  
book is to make known to the world the true and most authentic history of the Sacred City of Anuradhapura that has been  
undergoing desecration at the hands of misinformed officials of the Government of Ceylon The Buddhists of Asia love this  
holy City founded three centuries prior to the birth of Jesus Christ Those people living in the remotest parts of the world who  
are interested in antiquarian things and archaeology visit this City And there is no other City upon the universe that has  
maintained its position as a Sacred City replete with sacred objects of diverse kind for a period of 2 200 years except this  
City the property of the Buddhasasana built and maintained by the Sinhalese nation I have refrained from writing on the  
political City of Anuradhapura as it is still unexplored and I expect to publish a separate book on that subject after the Ceylon  
Government has caused the clearing and excavation of that buried City which deserves prompt attention from the  
Government About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at

*Being a Christian in Sri Lanka* Leonard Pinto,2015-07-14 Most people know something about their own religions That knowledge is usually restricted to what is going on at the present time When it comes to how their religions developed in their countries their knowledge is on shakier grounds As for religion in foreign lands well for many that information is nonexistent Author Leonard Pintos Being a Christian in Sri Lanka Historical Political Social and

Religious Considerations is a critique based on the observations and experience of a Sri Lankan Christian Pinto shares the history and importance of religion in his native land Youll learn about Portuguese Dutch and British rule in the country formerly known as Ceylon and how each affected religion there Pinto dispels popular views about how ruling countries dealt with Christianity and other religions and with those who practiced them Youll learn how religion is practiced today from someone who lives it firsthand Pintos book goes beyond the boundaries of Sri Lanka in assessing the problems faced by Christianity from the corrosive effects of the Age of Enlightenment In Being a Christian in Sri Lanka Historical Political Social and Religious Considerations Pinto comes to the conclusion Sri Lanka would benefit from a Sri Lankan national identity for all its citizens Hegemony based on ethnicity and religion is dissuaded Youll also find Pintos conclusions relevant to other countries

**Government Backed Discrimination, Persecution and Ethnic Politics: Targeting Muslims in Sri Lanka** ,2024-12-14 Government supported Buddhist monks and extremist organizations started operating against the Sri Lankan Muslims This was the time when organizations like Sinhala Ravaya Ravana Balaya and the Sri Lanka Podujana Peramuna emerged Since I was in the media field in Colombo I attended many of their media conferences and conducted interviews with them I was able to observe that their activities were taking place with government support This was a time when the Mahinda group believed they could govern with the blessings of Buddhists without the help of minority communities However it is well known that this later became impossible Now why this book Since the beginning of Navamani I have been publishing articles in platforms like the Sri Lankan Muslim online media and Puthiya Kural and I fear that these writings which are not documented in history will be forgotten Therefore I am publishing this in English as well as in Tamil The reason for choosing English is that this book written in Tamil and transformed into a manuscript will contain stories that everyone can recognize However the international community must be made aware of these issues Copies of this book should be sent to several organizations including the UN Human Rights Council Library and Amnesty International and they should be documented by them Many ethnic discriminatory activities have occurred in Sri Lanka but the incidents of racism against Muslims which took place without government support or oversight are recorded in this book initiated by the Rajapakse regime The articles included in this book serve as historical evidence
