perspective on life faith and what it means to be a Christian can be enjoyed once more in this compilation of two autobiographical books *The Growing Up Pains of Adrian Plass* and *Why I Follow Jesus* With laugh out loud witticisms stories anecdotes sketches and poems you will be immersed in the heart and humour of a well loved speaker and writer *Still Crazy* Adrian Plass, 2024-02-15 I think I need to explain why I decided to call this book *STILL CRAZY* Firstly because I've been at this writing and speaking business for quite a while now and the passion to share my thoughts still hasn't subsided Secondly because I am more and more convinced that a healthy dose of the right kind of crazy might be just what we need to cope with the ups and downs of modern life and of faith Join me as we explore some of the strange funny puzzlingly pointless little side turnings that generally speaking we are too busy to bother with but which might just lead us to the place where we need to be one place One thing One person Lots of laughs along the way A few tears It can feel a bit crazy We'll get there From the Introduction From the challenges of growing old ungracefully to reflections on the impact of the Coronavirus pandemic this is a wide ranging collection with lashings of Adrian's trademark humour Whether considering the paradoxes and contradictions of faith and the church or the unexpected blessings encountered along the way this collection is thought provoking and encouraging in equal measure There are fresh entries from the *Sacred Diary* and new insights into the world of the Shadow Doctor and finally Adrian considers the mystery of love and ponders its power to help us change our world for good **The Sacred Diary Trilogy** Adrian Plass, 1997 This volume contains the most popular writings of Adrian Plass The three books follow Plass through the trials and tribulations of Christian life Diary entries letters to a precocious 11 year old girl with a fractured lemur and the tape recordings of loony Leonard Thynne are included **All Questions Great and Small** Adrian Plass, Jeff Lucas, 2015-11-19 The whole idea of the *SERIOUSLY FUNNY* tour was for Adrian Plass and Jeff Lucas to let people in on their conversations about God life and the universe and it went pretty well After all that's pretty much what they've been doing in their separate writing and speaking careers all these years All told people seemed to like the way their trademark styles came together and shed light on even the most difficult subjects in a way that perhaps made those burdens a little easier to bear However as they toured around the country Adrian and Jeff realised that other people's questions were at least as interesting as their own possible more so Eventually they decided they'd better have a go at some answers This book is the result They may not have got the answers right but they have certainly had a good time along the way and they hope you will too **All Questions Great and Small** Adrian Plass, 2016-01-19 The whole idea of the *SERIOUSLY FUNNY* tour was for Adrian Plass and Jeff Lucas to let people in on their conversations about God life and the universe and it went pretty well After all that's pretty much what they've been doing in their separate writing and speaking careers all these years All told people seemed to like the way their trademark styles came together and shed light on even the most difficult subjects in a way that perhaps made those burdens a little easier to bear However as they toured around the country Adrian and Jeff realised that other people's questions were at least as interesting as their own possible more so

Eventually they decided they'd better have a go at some answers. This book is the result. They may not have got the answers right but they have certainly had a good time along the way and they hope you will too. **A Year at St Yorick's** Adrian Plass, 1998. Another likely best seller from Adrian Plass. A Year at St Yorick's will do for the Church of England what the Sacred Diary of Adrian Plass did for charismatic Christians. Remember the Sacred Diarist trying to take spiritual authority over a paper clip. This time Adrian Plass turns his satirical yet affectionate eye on the Church of England in this spoof collection of monthly parish magazines which lampoons the life of a fictional rural parish. These are tempestuous times for the Church of England: the Toronto Blessing, the ongoing rumbles about disestablishment, the debate about monarchy, divorce and the state and as ever Adrian's humour is full of wisdom and compassion as well as wild irreverence. Jesus - Safe, Tender, Extreme Adrian Plass, 2009-12-15. Evocative reflections on three facets in our relationship with Jesus. People long for reality in their walk with Christ. To know him better we must understand the different sides of his complex nature. Popular British author Adrian Plass draws on biblical stories and personal experience as well as his keen understanding of people's needs as he explores the Safe Jesus, the Tender Jesus and the Extreme Jesus. God has told us that he holds us in the palm of his hands where no one and nothing can harm the most important part of us. But from biblical times to the present day Christians encounter accidents and disasters. What does it really mean to experience the Safe Jesus? Jesus tells his disciples that they must love one another. Yet time and again we try to find achievement and success through our own efforts and individual gifts only to end in failure. Instead we need to know the Tender Jesus who becomes visible when we join with each other in the body of Christ. Jesus only did what he saw his father doing. Each of his actions and encounters were fueled, informed and instructed by the dynamic, creative, unpredictable Spirit of God. Failing to be obedient in this way is what truly constitutes sin. When we are open to the genuine leading of the Spirit we will experience the Extreme Jesus. In Jesus: Safe, Tender, Extreme, Adrian Plass is simply a man with a broom sweeping away the rubbish that prevents others from passing further in and further up by talking about what Jesus does and doesn't do in my life. *A Doubter's Guide to the Bible* John Dickson, 2015-02-03. A concise account of the whole biblical narrative and what it means as well as the beliefs and lifestyle it inspires for those observing Christianity from the outside, especially those who think there are good reasons not to believe. A Doubter's Guide to the Bible charts a biblical roadmap from the story of creation to the fulfillment of creation, answering many of the most frequently asked questions along the way. How can we read the creation account in Genesis in light of modern science? How should Old Testament law be understood when it appears inconsistent and irrelevant? Isn't the story of Jesus' birth a little far-fetched? What is the Gospel? Why are there four accounts of the same thing and what are they really saying? John Dickson provides a readable and inviting Bible primer for anyone interested in informing themselves about the most widely read book in the history of humanity. By presenting the whole of the Bible as an account of God's promise to restore humanity to Himself and humans to one another and to creation, Dickson allows believers and skeptics alike to gain

insight into why the Bible has been a compelling life changing and magnetic force throughout the ages and why it still matters *Heart of the Family* Adrian Plass, 2004-07 A selection of Adrian s humorous writings and profound stories on family life chosen from his most popular books
