Thomas, 2015-08-04 Some Christians effortlessly spend hours in contemplative prayer Just being around them makes you wish you were that way Or maybe you are that way but others are far better at showing God s love in practical ways or courageously standing up for God s kingdom Why can t you be like them Maybe you weren t designed to be Sacred Pathways by author Gary Thomas strips away the frustration of a one size fits all spirituality and guides you toward a path of worship that frees you to be you Experienced spiritual directors recognize that all of us pray differently if your devotional times have hit a snag perhaps it is because you re trying to follow someone else s path This book explodes the barriers that keep Christians locked into rigid methods of worship and praise Sacred Pathways unfolds nine distinct spiritual temperaments their traits strengths and pitfalls Illustrated with examples from the Bible and from the author s life experience each one suggests an approach to loving God through a distinctive journey of adoration In one or more you will see yourself and the ways you most naturally express your relationship with Jesus Christ You ll also discover other temperaments that are not necessarily you but that you may wish to explore for the way they can stretch and invigorate your spiritual life Perhaps you are a Naturalist Prayer and praise well up within you when you re walking a forest path or drinking in a mountain s jagged beauty Or maybe you re an Activist Taking a stand for God s ways is your meat and drink Whatever temperament or blend of

temperaments best describes you rest assured it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions.
